means I summarize in simple brevity if you will my convictions relative to the Christ consciousness which I believe to be the true nature of man I decided to give the reader another version of the novel another means of grasping or exploring what I deem as the truth That is to say God is on earth in the outpicturing of physical human form My premise that God is all that exists is also the same theme as presented in my novel This poetic delivery of my confessions and beliefs may enlighten some readers after having read the novel and may encourage others to utilize the poems as a means to enhance their understanding of the novel Some may prefer one or the other or both Of course the ultimate choice is left up to the reader Some enjoy novels because they are more detailed and to the point while others opt to cut to the chase to avoid lengthy storytelling and long drawn out stories of epic proportions However both of these productions may be employed in conjunction with each other for total comprehension Both accounts express the consciousness of a narcoleptic who rationalizes that the consciousness of God is endlessly in expression and that whatever is believed by the world exists in that consciousness alone Please note that all of the poems in question are comprised of rhythm and rhyme but are presented in the form of sentences with the flavor of succinct essays which have their stories to tell Please remember that as a reader of this material your consciousness will dictate the manner in which the material is received So take the journey and know that you are definitely in charge of the direction that you choose Further when you are done with your reading observe the changes within The Hidden Hand: Illuminati Symbolism in Government and Politics Unveiled Sudhakar H,2023-07-15

Understanding the Origins of the Illuminati In the vast realm of conspiracy theories few are as captivating and enigmatic as the origins of the Illuminati This secret society believed by some to still exist today has been the subject of countless debates and speculations In this subchapter we will delve into the fascinating history of the Illuminati exploring its alleged roots and its influence on both government and corporate realms The origins of the Illuminati can be traced back to the late 18th century in Bavaria Germany Founded on May 1 1776 by a Bavarian professor named Adam Weishaupt the Illuminati s primary aim was to promote Enlightenment ideals and challenge the oppressive power structures of the time Weishaupt sought to infiltrate influential institutions such as government and academia to bring about social and political change The early years of the Illuminati were marked by secrecy and clandestine operations Weishaupt and his close circle of intellectuals recruited members from various walks of life including politicians businessmen and intellectuals Through their network the Illuminati aimed to spread their ideas and ideals advocating for religious tolerance rationality and equality
