Volume 3 George Meredith, 2021-01-18 The Amazing Marriage (Complete) George Meredith, 1930-01-01 Everybody has heard of the beautiful Countess of Cressett who was one of the lights of this country at the time when crowned heads were running over Europe crying out for charity s sake to be amused after their tiresome work of slaughter and you know what a dread they have of moping She was famous for her fun and high

spirits besides her good looks which you may judge of for yourself on a walk down most of our great noblemen's collections of pictures in England where you will behold her as the goddess Diana fitting an arrow to a bow and elsewhere an Amazon holding a spear or a lady with dogs in the costume of the day and in one place she is a nymph if not Diana herself gazing at her naked feet before her attendants loosen her tunic for her to take the bath and her hounds are pricking their ears and you see antlers of a stag behind a block of stone She was a wonderful swimmer among other things and one early morning when she was a girl she did really swim they say across the Shannon and back to win a bet for her brother Lord Levellier the colonel of cavalry who left an arm in Egypt and changed his way of life to become a wizard as the common people about his neighbourhood supposed because he foretold the weather and had cures for aches and pains without a doctor s diploma But we know now that he was only a mathematician and astronomer all for inventing military engines The brother and sister were great friends in their youth when he had his right arm to defend her reputation with and she would have done anything on earth to please him There is a picture of her in an immense flat white silk hat trimmed with pale blue like a pavilion the broadest brim ever seen and she simply sits on a chair and Venus the Queen of Beauty would have been extinguished under that I am sure and only to look at Countess Fanny's eye beneath the brim she has tipped ever so slightly in her artfulness makes the absurd thing graceful and suitable Oh she was a cunning one But you must be on your guard against the scandalmongers and collectors of anecdotes and worst of any the critic of our Galleries of Art for she being in almost all of them the principal painters of the day were on their knees for the favour of a sitting they have to speak of her pretty frequently and they season their dish the coxcombs do by hinting a knowledge of her history The Amazing Marriage -Volume 4 George Meredith, 2021-09-10 The Amazing Marriage; George Meredith, 2019-02-21 This work has been selected by scholars as being culturally important and is part of the knowledge base of civilization as we know it This work was reproduced from the original artifact and remains as true to the original work as possible Therefore you will see the original copyright references library stamps as most of these works have been housed in our most important libraries around the world and other notations in the work This work is in the public domain in the United States of America and possibly other nations Within the United States you may freely copy and distribute this work as no entity individual or corporate has a copyright on the body of the work As a reproduction of a historical artifact this work may contain missing or blurred pages poor pictures errant marks etc Scholars believe and we concur that this work is important enough to be preserved reproduced and made generally available to the public We appreciate your support of the preservation process and thank you for being an important part of keeping this knowledge alive and relevant The Amazing Marriage, Volume I -**Scholar's Choice Edition** George Meredith, 2015-02-18 This work has been selected by scholars as being culturally important and is part of the knowledge base of civilization as we know it This work was reproduced from the original artifact and remains as true to the original work as possible Therefore you will see the original copyright references library stamps
