## **The American Clock A Comprehensive Pictorial Survey 1723 1900 With A Listing Of 6153 Clockmakers:**

**The American Clock** William H. Distin, Robert Bishop, 1976 The most of all encompassing work on the subject to be published in many years The American Clock is certain to become a standard reference work in this important and ever growing field of collecting The book is not intended to be a history of clockmaking in America instead its purpose is to collect into one volume a very large number of significant clocks of all types so that the collectors will have a substantial pictorial reference with which to compare their own acquisitions and to extend their knowledge of the field Taken from the front jacket flap     **Art & Industry in Early America** Patricia E. Kane, Dennis Andrew Carr, Jennifer N. Johnson, Gary R.

Sullivan, Nancy Goyne Evans, 2016-01-01 This book presents new information on the export trade patronage artistic collaboration and the small scale shop traditions that defined early Rhode Island craftsmanship This stunning volume features more than 200 illustrations of beautifully constructed and carved objects including chairs high chests bureau tables and clocks that demonstrate the superb workmanship and artistic skill of the state s furniture makers     Library Catalog of the Metropolitan Museum of Art, New York. Supplement Metropolitan Museum of Art (New York, N.Y.). Library, 1962     The American Clock William H. Distin, Robert Bishop, 1983 The most all encompassing work on the subject to be published in many years The American Clock is certain to become a standard reference work in this important and ever growing field of collecting The book is not intended to be a history of clockmaking in America instead its purpose is to collect into one volume a very large number of significant clocks of all types so that collectors will have a substantial pictorial reference with which to compare their own acquisitions and to extend their knowledge of the field Compiled by William H Distin a well know authority on clock who is a fellow and former Director of the National Association of Watch and Clock Collectors this 360 page book presents almost 700 black and white illustrations 84 color plates a 65 page listing of 6153 American clockmakers and a glossary of clock terms Also over 100 of the photographs show close ups of the dials and works of many different clocks Of special interest is the fact that most of the clocks assembled in this volume are published in this book for the first time for the majority of them have been photographed from private collections The illustrations are divided into the following main categories Tower Clocks Tall Case Clocks Dwarf Tall Case Clocks Bracket Clocks Massachusetts Shelf Clocks Lighthouse Clocks Shelf Clocks Novelty Clocks Tools and Wall Clocks The index lists the clockmakers alphabetically with the clocks illustrated arranged under the name of each maker In every respect The American Clock is a most impressive and handsome production that will prove highly useful for years to come to all collectors and students in the field Provided by publisher
