The American Doctrine of Judicial Supremacy Charles Grove Haines (reicht), 1932 **The Doctrine of Judicial Supremacy** Henry Clay Keene, 1923 *American Doctrine of Judicial Supremacy* Haine, **The Role of the Supreme Court in American Government and Politics, 1789-1835** Charles Grove Haines, 1944 The American Law Review, 1914 **How the Court Became Supreme** Paul D. Moreno, 2022-09-14

Over the course of its history the United States Supreme Court has emerged as the most powerful judiciary unit the world has ever seen. Paul D. Moreno's *How the Court Became Supreme* offers a deep dive into its transformation from an institution paid little notice by the American public to one whose decisions are analyzed and broadcast by major media outlets across the nation. The Court is supreme today not just within the judicial branch of the federal government but also over the legislative and executive branches effectively possessing the ability to police elections and choose presidents. Before 1987 nearly all nominees to the Court sailed through confirmation hearings often with little fanfare but these nominations have now become pivotal moments in the minds of voters. Complaints of judicial primacy range across the modern political spectrum but little attention is given to what precisely that means or how it happened. What led to the ascendancy of America's highest court? Moreno seeks to answer this

question tracing the long history of the Court's expansion of influence and examining how the Court envisioned by the country's Founders has evolved into an imperial judiciary The US Constitution contains a multitude of safeguards to prevent judicial overreach but while those measures remain in place today most have fallen into disuse Many observers maintain that the Court exercises legislative or executive power under the guise of judicial review harming rather than bolstering constitutional democracy How the Court Became Supreme tells the story of the origin and development of this problem proposing solutions that might compel the Court to embrace its more traditional role in our constitutional republic

The Citizen's Right to Standing in Federal Courts Act of 1978 United States. Congress. Senate. Committee on the Judiciary. Subcommittee on Citizens and Shareholders Rights and Remedies,1978 *The Citizen and the Republic* James Albert Woodburn,Thomas Francis Moran,1928 State Constitution-making, with Especial Reference to Tennessee Wallace McClure,1916 **Proceedings of the ... Annual Convention of the Southwestern Political and Social Science Association** Southwestern Political and Social Science Association. Convention,1924 The Court Vs. Congress Edward Keynes,Randall K. Miller,1989 Since the early 1960s the Supreme Court and its congressional critics have been locked in a continuing dispute over the issues of school prayer busing and abortion Although for years the Court's congressional foes have introduced legislation designed to curb the powers of the federal courts in these areas they have until now failed to enact such proposals It is likely that these legislative efforts and the present confrontation with the Court will continue Edward Keynes and Randall Miller argue that Congress lacks the constitutional power to legislate away the powers of the federal courts and to prevent individuals from seeking redress for presumed infringements of their constitutional rights in these areas They demonstrate that neither the framers nor ratifiers of the Constitution intended the Congress to exercise plenary power over the appellate jurisdiction of the Supreme Court Throughout its history the Court has never conceded unlimited powers to Congress and until the late 1950s Congress had not attempted to gerrymander the Court's jurisdiction in response to specific decisions But the authors contend this is just what the sponsors of recent legislative attacks on the Court intend and they see such efforts as threatening the Court's independence and authority as defined in the separation of powers clauses of the Constitution *University of Pennsylvania Law Review* ,1915 **Proceedings at the Joint Meeting of the Indiana and Illinois State Bar Association ... and of the ... Annual Meeting of the Indiana State Bar Association** Indiana State Bar Association (1916-),1914 Report of the ...
