

The Magic Barrel

Thomas Kent

The Magic Barrel:

The Magic Barrel Bernard Malamud, 1958 **The Magic Barrel** Bernard Malamud, 1958 The Magic Barrel Bernard Malamud, 1980 *The Magic Barrel* Bernard Malamud, □□·□□, 1958 *The Magic Barrel & Other Stories* Bernard Malamud, 1970 **The Magic Barrel**, 1973 The Magic Barrel ; Idiots First, 1978 *Bernard Malamud* Bernard Malamud, 1978 **Conversations with Bernard Malamud** Bernard Malamud, 1991

During his teaching career Bernard Malamud taught both creative writing and literature courses and indicated that he almost never taught his own works since an author cannot dictate the total meaning of his work to a classroom. He was consistently reluctant in interviews as well to explain his fiction. He valued imaginative interpretations whether I agree with them or not. He rejected the notion that there was a correct interpretation of his work.

Interpretation and Genre Thomas Kent, 1986. Kent proposes a general theory of genre classification and applies this genetic model to American fiction written during the last half of the nineteenth century. Combining theory and application, Kent attempts to demonstrate that what we say about texts is related directly to our generic perception of them.

The Adventures of Bernard and the Magic Barrel Arthur Allsop, 2013 **Material Culture and Jewish Thought in America** Ken Koltun-Fromm, 2010-04-21. How Jews think about and work with objects is the subject of this fascinating study of the interplay between material culture and Jewish thought. Ken Koltun-Fromm draws from philosophy, cultural studies, literature, psychology, film, and photography to portray the vibrancy and richness of Jewish practice in America. His analyses of Mordecai Kaplan's obsession with journal writing, Joseph Soloveitchik's urban religion, Abraham Joshua Heschel's fascination with objects in the Sabbath, and material identity in the works of Anzia Yezierska, Cynthia Ozick, Bernard Malamud, and Philip Roth, as well as Jewish images on the covers of *Lilith* magazine and in the Jazz Singer films, offer a groundbreaking approach to an understanding of modern Jewish thought and its relation to American culture.

Grandad and the Magic Barrel Ruth Manning-Sanders, 1974 *The Bible in the American Short Story* Lesleigh Cushing Stahlberg, Peter S. Hawkins, 2017-11-02. The Bible in the American Short Story examines Biblical influences in the post-World War II American short story. In a series of accessible chapters, Lesleigh Cushing Stahlberg and Peter S. Hawkins offer close readings of short stories by leading contemporary writers such as Flannery O'Connor, Allegra Goodman, Tobias Wolff, and Kirstin Valdez Quade that highlight the biblical passages that they reference. Exploring episodes from the Hebrew Bible and the New Testament and both Jewish and Christian heritages, this book is an important contribution to understanding the influence of the Bible in contemporary literature.

The Schlemiel as Metaphor Sanford Pinsker, 1991. The certainty that deep down we are all schlemiels is perhaps what makes America love an inept ball team or a Woody Allen who unburdens his neurotic heart in public. In this unique revised history of the schlemiel, Sanford Pinsker uses psychological, linguistic, and anecdotal approaches as well as his considerable skills as a spritely storyteller to trace the schlemiel from his beginnings in the Old Testament through his appearance in the nineteenth-century literature of Mendele Mocher Seforim and

Sholom Aleichem to his final development as the beautiful loser in the works of Isaac Bashevis Singer Bernard Malamud Saul Bellow Philip Roth and Woody Allen Horatio Alger might have once been a good emblem of the American sensibility but today Woody Allen's anxious bespectacled punin face seems closer and truer to our national experience His urban end of the century anxieties mirror albeit in exaggeration our own This expanded study of the schlemiel is especially relevant now when scholarship of Yiddish and American Jewish literature is on the increase By sketching the family tree of that durable anti hero the schlemiel Pinsker proves that Jewish humor is built upon the very foundations of the Jewish experience Pinsker shows the evolution of the schlemiel from the comic butt of Yiddish jokes to a literary figure that speaks to the heart of our modern problems and he demonstrates the way that Yiddish humor provides a sorely needed correction a way of pulling down the vanities we all live by

Ethnic Identities in Bernard Malamud's Fiction Martín Urdiales Shaw,2000 The present study has been divided into five general chapters each of which is centred around a basic issue related to ethnic identities This central issue may be more or less specific largely depending on its nature and on the corpus it comprises for example chapter two which bears the general title the old country and the New World is naturally the most extensive because of the great scope of this theme and the number of works it involves two novels and a considerable number of stories including the very long Man in the Drawer By contrast the last chapter entitled Beyond Race into Myth Seeking the Liberation of the Self is logically the shortest because its focus is restricted to a particular function of ethnic identities metaphorically speaking in Malamud's fantastic works the novel God's Grace and one short story Similar proportions between length complexity of theme and corpus treated are maintained in the three central chapters which focus on ethnic aspects which are neither as general as chapter two nor as specific as chapter six

Bernard and the Magic Barrel ,2013 [Beyond the Gray Flannel Suit](#) David Castronovo,2004-09-01 Discusses the major literary works of the 1950s which introduced new forms and dealt with such controversial topics as racial discrimination religious differences and social class *A Malamud Reader* Bernard Malamud,2025-09-23 This volume presents between the covers of a single book the range and scope of one of the most distinguished writers in America Bernard Malamud A Malamud Reader contains the complete text of The Assistant his novel of love and redemption in Brooklyn ten stories from The Magic Barrel and Idiots First three journeys to Chicago from The Natural to the coast from A New Life and to Kiev from The Fixer and two long selections S Levin in Love and Yakov Bok in Prison

The Adventure of Bernard and the Magic Barrel ,2013
