The Paradoxes of Mr Pond G. K. Chesterton, 2011-12-11 Mr Pond was a small neat civil servant There was nothing remarkable about him at all except a pointed beard However he tells the most fascinating stories and has an unorthodox way of solving crimes and mysteries The eight stories include that of a Marshal's plan which goes tragically wrong because paradoxically his soldiers obey him **The Paradoxes of Mr. Pond** Gilbert Keith Chesterton, 1963 **The Paradoxes of**

Chesterton, 2018-08-17 The Paradoxes of Mr Pond Large Print by G K Chesterton His Highness the Prince was something of a contrast at least in externals to the men around him and even in other things something of an exception in his world He also wore a spiked helmet but that of another regiment black with glints of blue steel and there was something half incongruous and half imaginatively appropriate in some antiquated way in the combination of that helmet with the long dark flowing beard amid all those shaven Prussians As if in keeping with the long dark flowing beard he wore a long dark flowing cloak blue with one blazing star on it of the highest Royal Order and under the blue cloak he wore a black uniform Though as German as any man he was a very different kind of German and something in his proud but abstracted We are delighted to publish this classic book as part of our extensive Classic Library collection Many of the books in our collection have been out of print for decades and therefore have not been accessible to the general public The aim of our publishing program is to facilitate rapid access to this vast reservoir of literature and our view is that this is a significant literary work which deserves to be brought back into print after many decades The contents of the vast majority of titles in the Classic Library have been scanned from the original works To ensure a high quality product each title has been meticulously hand curated by our staff Our philosophy has been guided by a desire to provide the reader with a book that is as close as possible to ownership of the original work We hope that you will enjoy this wonderful classic work and that for you it becomes an enriching experience
