*The Four Prohibitions of Acts 15 and Their Common Background in Genesis 1-3* Elena Butova, 2018-11-27 In the past 2000 years the followers of Jesus have been debating the standards of Christian living Did the Jerusalem Council in Acts 15 make the law obsolete Do we need to keep the old dietary and other laws we find in the Old Testament Modern Christianity seems to be divided between those who still believe in Ten Commandments and the so called antinomians who believe the new covenant Christians no longer need them What could look like a minor theological disagreement could have profound influence on churches in the western world which in turn set the moral standards for the community at large Often religious dogmas and preconceived ideas are imposed on the meaning of the biblical text The modern seekers of truth are looking for the clear exposition of scriptures that would be unbiased and presented with scholarly integrity This thesis is a feeble but passionate attempt to look at the statements of the apostles in Acts 15 with their own eyes It aims at opening a new horizon of understanding how the early Christians understood and implemented their new faith how they endeavored to build unity and good relationships between the Jewish fathers of the church and the converts from the Gentiles who would later become a majority in Christendom

primarily theological in character this commentary places special emphasis throughout on Paul's insistence on justification before God by faith apart from works of the law and on Paul's presentation of the Spirit as the principle of the new life in Christ

Filled with compact almost aphoristic observations about the text its background and its theology Its insight should sustain its value for a full generation      *Luke---Acts* Zondervan, 2009-08-30 Continuing a Gold Medallion Award winning legacy the completely revised Expositor s Bible Commentary puts world class biblical scholarship in your hands A staple for students teachers and pastors worldwide The Expositor s Bible Commentary EBC offers comprehensive yet succinct commentary from scholars committed to the authority of the Holy Scriptures The EBC uses the New International Version of the Bible but the contributors work from the original Hebrew and Greek languages and refer to other translations when useful Each section of the commentary includes An introduction background information a short bibliography and an outline An overview of Scripture to illuminate the big picture The complete NIV text Extensive commentary Notes on textual questions key words and concepts Reflections to give expanded thoughts on important issues The series features 56 contributors who Believe in the divine inspiration complete trustworthiness and full authority of the Bible Have demonstrated proficiency in the biblical book that is their specialty Are committed to the church and the pastoral dimension of biblical interpretation Represent geographical and denominational diversity Use a balanced and respectful approach toward marked differences of opinion Write from an evangelical viewpoint For insightful exposition thoughtful discussion and ease of use look no further than The Expositor s Bible Commentary      *Luke's Rhetorical Compositions* Paul Elbert, 2022-07-19 Luke s Rhetorical Compositions offers new ideas in Lukan scholarship especially in regard to Aelius Theon s first century rhetoric manual Progymnasmata and inter textual Lukan Pauline biblical studies Two chapters deserve special mention the material in chapter 3 is a groundbreaking discussion of Acts 2 38 in which its Greek verb tense speaks to the subsequent reception of the gift of the Holy Spirit following salvation not coincident with salvation In Acts 2 38 it is Luke s intention to portray Peter as promising the gift of the Holy Spirit to hearers and to those beyond narrative time as a Pentecostal experience Chapter 9 discusses Luke s use of progymnasmatic examples in his descriptions of the salvation experience It also discusses Luke s clarification of Paul using narrative persuasion from Jesus tradition and history Also Luke s use of basic soteriological vocabulary provides clarity and plausibility His distinctive selection of examples from the Jesus tradition and his duplication of Paul s soteriological vocabulary is very helpful      **Death and Resurrection** Dennis J. Horton, 2009-06-10 Dennis Horton highlights the shape and function of the death and resurrection motif by applying William Freedman s criteria of a literary motif to the Acts narrative By analyzing the statements about death and resurrection together with the examples of this messianic pattern among the experiences of major and minor characters the motif becomes clear This central theme then becomes intensified through contrast with a secondary motif that of death and decay Death and Resurrection provides a clear example of a biblical motif and how it develops and functions within the narrative serving as a valuable guide for future studies of biblical motifs The work also supplies a needed balance between the extremes of past and present Lukan scholarship by

considering the combined effect of suffering and renewed life within a single motif Both the statements and actions of the characters reveal the importance of the two elements for Lukan theology and soteriology The function of the motif derives from its usage within the narrative and proves insightful for gaining a better understanding of the aesthetic quality of the story while simultaneously showing how the narrator skillfully wields the motif to provide encouragement to the followers of The Way to issue a warning to would be persecutors and to deliver an evangelistic message to potential converts such as the God fearers The messianic pattern of death and resurrection becomes a heuristic tool that the narrator carefully applies to create a potent motif with a multifaceted message for a growing and often suffering Christian community
