*The Adventures and Speculations of the Ingenious Peter Perez Burdett*  
Stephen Leach, 2022-12-22

Peter Perez Burdett 1733-1793 was the first person to practise aquatint engraving in Britain. He was also an ambitious map-maker publishing a prize-winning map of Derbyshire and inspiring the creation of a series of interconnected county maps from Lancashire to Warwickshire. Furthermore, after his emigration to Germany, he oversaw the mapping of Baden. He is perhaps best known as the friend and artistic advisor of Joseph Wright of Derby. It is usually assumed that his influence upon Wright ceased after his emigration to Germany in 1774. This book presents evidence that suggests that this may not have been the case. In the course of his adventurous life, Burdett crossed paths with many of the luminaries of the Enlightenment including Erasmus Darwin, Matthew Boulton, Benjamin Franklin, Jean-Jacques Rousseau, Voltaire and the Holy Roman Emperor, to name but a few. This book is his first biography. By the same author: *Joseph Wright and the Final Farewell*.

Vikings of the Pacific  
The Adventures of the Explorers who Came from the West, Eastward  
Agnes Christina Laut, 2006-01-01

Peter the Great sends Bering on Two Voyages: First to discover whether America and Asia are united. Second to find what lies north of New Spain. Terrible Hardships of Caravans crossing Siberia for Seven Thousand Miles. Ships lost in the Mist. Bering's Crew cast away on a Barren Isle. We have become such slaves of shallow science in these days, such firm believers in the fatalism which declares man the creature of circumstance that we have almost forgotten the supremest spectacle in life is when man becomes the Creator of Circumstance. We forget that man can rise to be master of his destiny, fighting unmaking, re-creating not only his own environment but the environment of multitudinous lesser men. There is something titanic in such lives. They are the hero-myths of every nation's legends. We somehow feel that the man who flings off the handicaps of birth and station lifts the whole human race to a higher plane and has a bit of the God in him, though the hero may have feet of clay and body of beast. Such were the old Vikings of the North who spent their lives in elemental warfare and rode out to meet death in tempest, lashed to the spar of their craft. And such too were the New World Vikings of the Pacific who coasted the seas of two continents in cockle-shell ships, planks lashed with deer-thongs, calked with moss, rapacious in their deep-sea plunderings as beasts of prey, fearless as the very spirit of the storm itself. The adventures of the

North Pacific Vikings read more like some old legend of the sea than sober truth and the wild strain had its fountain head in the most tempestuous hero and beastlike man that ever ascended the throne of the Russias When Peter the Great of Russia worked as a ship s carpenter at the docks of the East India Company in Amsterdam the sailors tales of vast undiscovered lands beyond the seas of Japan must have acted on his imagination like a match to gunpowder Already he was dreaming those imperial conquests which Russia still dreams of pushing his realm to the southernmost edge of Europe to the easternmost verge of Asia to the doorway of the Arctic to the very threshold of the Chinese capital Already his Cossacks had scoured the two Siberias like birds of prey exacting tribute from the wandering tribes of Tartary of Kamchatka of the Pacific of the Siberian races in the northeasternmost corner of Asia And these Chukchee Indians of the Asiatic Pacific told the Russians of a land beyond the sea of driftwood floating across the ocean unlike any trees growing in Asia of dead whales washed ashore with the harpoons of strange hunters and most comical of all in the light of our modern knowledge about the Eskimo s tail shaped fur coats of men wrecked on the shores of Asia who might have qualified for Darwin s missing link inasmuch as they wore tails And now the sailors added yet more fabulous things to Peter s knowledge There was an unknown continent east of Asia west of America called on the maps Gamaland Now Peter s consuming ambition was for new worlds to conquer What of this Gamaland But as the world knows Peter was called home to suppress an insurrection War domestic broils massacres that left a bloody stain on his glory busied his hands for the remaining years of his life and January of 1725 found the palaces of all the Russias hushed for the Hercules who had scrunched all opposition like a giant lay dying ashamed to consult a physician vanquished of his own vices calling on Heaven for pity with screams of pain that drove physicians and attendants from the room Perhaps remorse for those seven thousand wretches executed at one fell swoop after the revolt perhaps memories of those twenty kneeling supplicants whose heads he had struck off with his own hand drinking a bumper of quass to each stroke perhaps reproaches of the highway robbers whom he used to torture to slow death two hundred at a time by suspending them from hooks in their sides perhaps the first wife whom he repudiated the first son whom he had done to death either by poison or convulsions of fright came to haunt the darkness of his deathbed Catherine the peasant girl elevated to be empress of all the Russias could avail nothing Physicians and scientists and navigators Dane and English and Dutch whom he had brought to Russia from all parts of Europe were powerless Vows to Heaven in all the long hours he lay convulsed battling with Death were useless The sins of a lifetime could not be undone by the repentance of an hour Then as if the dauntless Spirit of the man must rise finally triumphant over Flesh the dying Hercules roused himself to one last supreme effort

*The Life and Adventures of Ben Hogan*, Benedict Hogan, 2013-11-27 Benedict Hagan whose name has become familiar in the altered form of Hogan is a native of W rtemberg Germany With his parents he immigrated to this country at the age of eleven years His father was a cabinet maker by trade who had saved up something like a thousand dollars with which he set forth to better his condition in the New World Along with his family he arrived in New York in the summer of 1852 His reception was not of the most encouraging nature and an incident which occurred almost immediately after the landing of the family will serve to show the character of Hogan at that time As was customary with all emigrants who had any money to carry the elder Hogan had secured his fortune amounting to eight hundred dollars in gold in a belt fastened about his shoulders When he walked out of Castle Garden he was forthwith set upon by a Hebrew of the South street order whose nose resembled his nature because it was sharp This enterprising Jew who spoke German fluently induced the emigrant to go into a small shop where everything was given away for four times its value The unsuspecting Hogan made a small purchase and when he came to pay for it disclosed the bag containing his gold The sight was enough to rouse the Hebrew Precisely how it happened he did not know but in an amazingly short time Hogan senior found himself relieved of his eight hundred dollars Had it not been for the presence of young Ben it may be safely assumed that the emigrant would never have gone forth from the Jew s place alive The boy however presented an obstacle to the commission of murder which was undoubtedly intended by the robbers They determined therefore to get rid of their

victims by strategy instead of force One of their cappers offered to lead the way to the police station where they might get assistance in recovering the money He did lead the way but it is unnecessary to add that there were not a great many police stations in the neighborhood to which he conducted them The Hebrew perhaps thought that he had made one of the fattest hauls in his life but it turned out to be a very dear job You Are The Hero Jonathan Green,2014-09-07 Fighting Fantasy gamebooks have sold over 17 million books worldwide in over 30 languages But when Steve Jackson and Ian Livingstone sat down to write The Warlock of Firetop Mountain they had no idea this one book would go on to spawn another eighty or more titles and have an immeasurable impact on a generation of children growing up in the 1980s Part history part celebration YOU ARE THE HERO chronicles more than three decades of Fighting Fantasy Written by Jonathan Green author of seven Fighting Fantasy titles this mighty tome will appeal to anyone who ever wiled away a washed out summer holiday with only two dice a pencil and an eraser for company This is a fixed format PDF eBook with all of the same stunning full colour artwork as the hardback and paperback Best viewed on a colour screen of 7 upwards as a daily reader to keep your precious hardback safe YOU ARE THE HERO is as read under the covers immersive as its subject matter great characters amazing stories and a surprise behind every door 5 stars SCIFI Now The most comprehensive history of the Fighting Fantasy phenomenon I ve ever seen With its maps notes art and photographs it s not just a celebration but a fascinating resource SFX How many thousands of heroes did these books create And how many lost their lives with a bad roll of the dice A publishing phenomenon without which computer games wouldn t be what they are today About time these books were celebrated Now go to page 45 and face your nemesis Charlie Higson *Absent Narratives, Manuscript Textuality, and Literary Structure in Late Medieval England* E.
