The Alexandrian Divinities:

The Alexandrian Divinities Francis Legge, 2005-12-01 This scarce antiquarian book is a facsimile reprint of the original. Due to its age it may contain imperfections such as marks, notations, marginalia and flawed pages. Because we believe this work is culturally important, we have made it available as part of our commitment for protecting, preserving, and promoting the world's literature in affordable, high-quality modern editions that are true to the original work. *The Appropriation of Divine Life in Cyril of Alexandria* Daniel A. Keating, 2004-02-12 Daniel A. Keating presents a comprehensive account of sanctification and divinization in Cyril. He argues that Cyril correlates the somatic and pneumatic means of our union with Christ and integrates the ontological and ethical aspects of our sanctification and divinization. **The Alexandrian Riots of 38 C.E. and the Persecution of the Jews** Sandra Gambetti, 2009 Scholars have read the Alexandrian riots of 38 CE according to intertwined dichotomies. The Alexandrian Jews fought to keep their citizenship or to acquire it; they evaded the payment of the poll tax or prevented any attempts to impose it on them; they safeguarded their identity against the Greeks or against the Egyptians. Avoiding that pattern and building on the historical reconstruction of the experience of the Alexandrian Jewish community under the Ptolemies, this work submits that the riots were the legal and political consequence of an imperial adjudication against the Jews. Most of the Jews lost their residence; never to recover it again. The Roman emperor, the Roman prefect of Egypt, and the Alexandrian citizenry all shared responsibilities according to their respective and expected roles. **Knowledge of God in Philo of Alexandria** Jang Ryu, 2015-10-19 4.5 Initiation Language in Philo's Secondary Mode of Exegesis 4.5.1 Excursus Philo and Enoch Traditions 4.5.2 De gigantibus 50-55 4.5.3 A Mixed Economy: Active and Passive Attitudes of Mind 4.5.4 Proximate Jewish Perspectives 4.6 Conclusion Chapter 5 Scriptural Exegesis and the Language of Divine Inspiration in the Allegorical Commentary 5.1 Introduction 5.1.1 Chapter Preview 5.2 Approaches to Divine Inspiration in Antiquity 5.2.1 Perspectives on Divine Inspiration in Plato 5.2.2 Perspectives on Divine Inspiration in Aristotle 5.2.3 Other First Century Non-Jewish Perspectives on Divine Inspiration 5.2.4 Ancient Jewish and Early Christian Perspectives on Divine Inspiration 5.3 Divine Inspiration in Philo's Writings 5.3.1 Divine Inspiration in Philo's Non-Allegorical Writings 5.3.2 Divine Inspiration in Philo's Allegorical Writings 5.4 Exegetical Foci in Philo's Approach to Divine Inspiration 5.4.1 The Lesser and Greater Mysteries of Moses Sacr 59-62 5.4.2 Philo Exodus and Divine Inspiration 5.5 Genesis in Philo's Language of Divine Inspiration 5.5.1 Platonic Perspectives on Non-Rational Divine Inspiration 5.5.2 Ecstasy and Prophecy as Allied Phenomena 5.5.3 Divine Inspiration and the Greater Mysteries of Moses 5.5.4 The Self-Taught Nature and Ecstatic Inspiration 5.5.5 Homeric Portrayals of Self-Taught Inspiration 5.6 Conclusion Chapter 6 Conclusion 6.1 A Central Clue to Philo's Theological Epistemologies 6.1.1 General Summary 6.1.2 Areas of Overlap Between the Two Epistemologies 6.1.3 The Epistemological Significance of Initiation Language 6.1.4 The Epistemological Significance Divine Inspiration Language 6.2 Evaluation 6.3 Avenues for Further Research **The Divinity of Jesus Christ Revisited in the Third Millennium:**

Evidence of His Deity Leopold Sarr, 2012-12-28 Biblical Christianity is challenged today by other religions such as Hinduism Islam Mormonism Buddhism Jehovah's Witness Scientology to name a few including atheists and agnostics who claim that Jesus was simply a man a great teacher or guru or a prophet of God who worked his way to godhood Are such claims supported by the evidence Can we trust the Bible to tell us the truth about Jesus Is Jesus Christ truly God Can we find evidence of his deity in the Old Testament Does the New Testament affirm unequivocally that He is God Are there reliable non Christian sources that back such claims of deity This book aims at addressing these fundamental questions while providing solid internal and external evidence of the divinity of Jesus Christ In this age of plural spirituality thirst for truth and in need of an evidence based dialogue among various religions the book makes a compelling case for a closer scrutiny of prophecies contained in the Bible

Mirrors of the Divine Emily R. Cain, 2023 Mirrors of the Divine examines four early Christian authors Tertullian of Carthage Clement of Alexandria Gregory of Nyssa and Augustine of Hippo and analyzes their writings on vision and knowledge of God to show how they envisioned one's relationship to the world and how they imagined the unknown Emily R. Cain explores how contradictory theories of sight shaped their cosmologies theologies subjectivities genders and discursive worlds and shows that early Christian arguments about the phenomenon of visual perception are deeply intertwined with broader debates about identity agency and epistemology

God, Time, and the Incarnation Richard A. Holland, 2012-02-20 The dominant view among Christian theologians and philosophers is that God is timeless that he exists outside of time in an atemporal eternity In God Time and the Incarnation Richard Holland offers a critical evaluation of this traditional view in light of the most central doctrine of Christianity the Incarnation of Christ Holland reviews the history of this controversy highlighting the various theological problems for which atemporal models have been offered as a solution He asserts the central importance of the Incarnation for Christian theology and evaluates several atemporal models in light of this doctrine Finally he suggests that the traditional atemporal view is not compatible with a robust and orthodox view of the Incarnation This book rejects the traditional atemporal view of God's relationship to time and argues based on the Incarnation that God experiences temporal sequence in his existence

Triadosis: Union with the Triune God Eduard Borysov, 2019-02-20 The complex nature of Christian communion with a personal God requires a nuanced expression Since its inception the early church affirmed God's unknowable nature and also participation in God through Christ The church fathers employed the language of theosis in talking about union with God and human transformation in the likeness of God However the term theosis or deification is a broad category and requires precise explanation to avoid human dissolution in the divine in the mystical union This book addresses the conundrum of imparticipable divine nature and personal union between human and the Trinity If God is Trinity then we are created and restored in the image of tripersonal God

Greek Praise Poetry and the Rhetoric of Divinity Felix Johannes Meister, 2020 Surveying a large body of Greek and occasionally Roman literature as well as material remains this volume

offers the first systematic study of a central motif in the praise of humans in antiquity and explores when how why and to what effect humans are compared to gods in the poetry of archaic and classical Greece **The Divinity of Our Lord and Saviour Jesus Christ** Henry Parry Liddon,1875 **The Suffering of God in the Eternal Decree** Nixon de Vera,2020-06-15 This book seeks to unpack the evolution of Barth's understanding of God's suffering in Jesus Christ in the light of election The interconnectedness of election crucifixion and impassibility is explored in order to ask whether the suffering of Christ is also a statement about the Trinity **Divine Becoming** Charlene Embrey Burns, The universally human element of Jesus incarnation Despite the feverish pace of publishing in historical Jesus studies biblical scholars and theologians have not notably progressed in addressing the meaning and significance of the figure of Jesus in ways credible for contemporary persons In this creative and insightful work Burns seeks to understand the significance of Jesus and his incarnation through the category of participation The central theological claims in the traditional concept of incarnation are anchored and illumined by Jesus' particular ability for empathy sympathy attunement and entrainment This notion derived from the psychological research of Daniel Stern allows Burns to show that incarnation the capacity to participate in the life of others is present not only in Jesus but to some extent in all people and in all religions It further illumines features of God's trinitarian life and our lifelong journey into God deification **The Law of God** Rémi Brague,2024-05-31 The law of God these words conjure an image of Moses breaking the tablets at Mount Sinai but the history of the alliance between law and divinity is so much longer and its scope so much broader than a single Judeo-Christian scene can possibly suggest In his stunningly ambitious new history Rémi Brague goes back three thousand years to trace this idea of divine law in the West from prehistoric religions to modern times giving new depth to today's discussions about the role of God in worldly affairs Brague masterfully describes the differing conceptions of divine law in Judaic Islamic and Christian traditions and illuminates these ideas with a wide range of philosophical political and religious sources In conclusion he addresses the recent break in the alliance between law and divinity when modern societies far from connecting the two started to think of law simply as the rule human community gives itself Exploring what this disconnection means for the contemporary world Brague powerfully expanding on the project he began with *The Wisdom of the World* re-engages readers in a millennia-long intellectual tradition ultimately arriving at a better comprehension of our own modernity Brague's sense of intellectual adventure is what makes his work genuinely exciting to read *The Law of God* offers a challenge that anyone concerned with today's religious struggles ought to take up Adam Kirsch New York Sun Scholars and students of contemporary world events to the extent that these may be viewed as a clash of rival fundamentalisms will have much to gain from Brague's study Ideally in that case the book seems to be both an obvious primer and launching pad for further scholarship Times Higher Education Supplement ***The Divinity of Our Lord and Saviour Jesus Christ. Eight Lectures Preached Before the University of Oxford in the Year 1866, on the Foundation of the Late Rev. John Bampton, M.A., Canon of Salisbury*** Henry Parry Liddon,1871 **Dancing with God**

Karen Baker-Fletcher,2006-12-01 *Dancing With God* is an exploration of the divine gifts of courage and grace in the face of evil Moreover it is a doctrine of God as the source of that courage Baker Fletcher presents an understanding of the work of the Trinity with regard to the problem of crucifixion a metaphor she uses for unnecessary violence She develops a process of relational womanist theology that considers the empathetic omnipresence of God in the midst of unnecessary suffering and the healing power of God in movement of the Holy Spirit She engages the contributions of a diversity of theologians like Paul Tillich Karl Barth Gordon Kaufman John Cobb Jr Majorie Suchocki Charles Hartshorne Andrew Sung Park and Katie Cannon in her discussion of the dance of the Trinity in creation and the problem of sin evil and suffering Through creative works like that of Alice Walker s *The Color Purple* and journalist Joyce King s account of the James Byrd Jr murder in Jasper County Texas Baker Fletcher reveals the healing encouraging power of the Holy Spirit in the lives of survivors of unnecessary violence

Faith Seeking Understanding, Fourth ed. Daniel L. Migliore,2023-05-31 An authoritative and beloved textbook updated for the current generation of theology students Daniel L Migliore s classic theology textbook returns in a new edition revised and supplemented with fresh material *Faith Seeking Understanding* covers fundamental topics for budding theologians from biblical hermeneutics to the incarnation to the life of faith As in previous editions the material culminates in four imaginative dialogues between prominent thinkers to illustrate major theological debates In addition to updates throughout the text the fourth edition also includes a new introduction and an additional chapter on Christology Students will appreciate the textbook s accessible style comprehensive reading recommendations and glossary of theological terms

The Incarnation of God Hans Küng,1987-01-01 This work introduces the English speaking reader to the theoretical foundations of Kng s popular works an indispensable prolegomena for every future Christology *God Sent His Son* Christoph Schoenborn,2010-09-29 In this work of Christology Christoph Cardinal Sch nborn a world renowned theologian takes as his starting point the Apostle Paul s statement But when the time had fully come God sent for his Son born of woman born under the law so that we might receive adoption as sons Gal 4 4 5 Based on many years of lecturing on Christology Cardinal Sch nborn s work moves from the solid conviction of faith that Jesus of Nazareth is the Messiah of Israel the Son of the Living God through the development of the Church s understanding of this truth to the consideration of contemporary issues and the views of various modern theologians Cardinal Sch nborn sees Christology as based on the original Illumination granted by the Father in manifesting his Son which divides as if through a prism into a rainbow of Christological themes Christology he writes in every phase of its development follows its path by this light in thy light do we see light Ps 36 10 Christology is always faith seeking understanding trying to understand that to which the believer already says Yes God Sent His Son has the comprehensiveness and scholarly precision of a textbook but the insights and personal relevance of a work of spirituality It carefully explores ancient and medieval

Divine Disorder and the Rescue of God Mark Corner,2024-02-13 *Divine Disorder and the Rescue of God* is based on the idea that a kenotic approach is essential to a

viable theology It is deeply influenced by the way such an approach influenced the writings of Donald MacKinnon Part I argues that God forces us to live in a state of uncertainty even about God's existence However compelling the sense of God's presence may be religious experience cannot take that uncertainty away We have to understand what sort of God would want to impose upon us the disorder of uncertainty Part II explores this further in terms of God's willingness to give a degree of independence to the created order while Part III compares the instability of the created order with that of the moral order By giving human beings freedom God opens up the possibility of failure including that of God The doctrine of the fall expresses the impossibility of giving human beings autonomy without risking disaster In Parts IV and V the book looks more closely at the nature of this God who embraces risk suffering and even failure Who is the deity behind this divine disorder The focus from a Christian perspective is upon the risk suffering and failure displayed in the life of Christ Jesus is drawn into something that it is beyond him to fathom hence the troubled uncertain character of his own life But from a kenotic perspective even a life marked by failure can be the focal point of God's self revelation *Faith Seeking Understanding* Daniel L.

Migliore, 2004-06-14 Daniel Migliore's *Faith Seeking Understanding* has been a standard introduction to Christian theology for more than a decade The book's presentation of traditional doctrine in freshly contemporary ways its concern to hear and critically engage new voices in theology and its creative and accessible style have kept it one of the most stimulating balanced and readable guides to theology available This second edition of *Faith Seeking Understanding* features improvements from cover to cover Besides updating and expanding the entire text of the book Migliore has added two completely new chapters The first *Confessing Jesus Christ in Context* explores the unique contributions to Christian theology made by recent theologians working in the African American Asian American Latin American Hispanic feminist womanist and mujerista traditions The second new chapter *The Finality of Jesus Christ and Religious Pluralism* addresses the growing interest in the relationship of Christianity to other religions and their adherents Migliore's three delightful theological dialogues are followed by a new appendix an extensive glossary of theological terms making the book even more useful to students seeking to understand the history themes and challenges of Christian belief

The Enigmatic Realm of **The Alexandrian Divinities**: Unleashing the Language is Inner Magic

In a fast-paced digital era where connections and knowledge intertwine, the enigmatic realm of language reveals its inherent magic.
