Odd Girls and Twilight Lovers Lillian Faderman,2012-02-21 As Lillian Faderman writes there are no constants with regard to lesbianism except that lesbians prefer women In this groundbreaking book she reclaims the history of lesbian life in twentieth century America tracing the evolution of lesbian identity and subcultures from early networks to more recent diverse lifestyles She draws from journals unpublished manuscripts songs media accounts novels medical literature pop culture artifacts and oral histories by lesbians of all ages and backgrounds uncovering a narrative of uncommon depth and originality Lives of Lesbian Elders J Dianne Garner,D. Merilee Clunis,Pat A. Freeman,Nancy M. Nystrom,Karen I. Fredriksen-Goldsen,2014-07-16 The untold history of lesbian life from those who have lived it Lives of Lesbian Elders Looking Back Looking Forward illuminates the hopes fears issues and concerns of gay women as they grow older Based on interviews with 62 lesbians ranging in age from 55 to 95 this very special book provides a historical account of the shared experiences of the lesbian community that is so often invisible or ignored in contemporary society The book gives voice to their thoughts and feelings on a wide range of issues including coming out identity and the meaning of life the role of family and personal relationships work and retirement adversity and individual sources of strength and resilience Cast off and overlooked at best or victims of scorn and prejudice at worst lesbians in the twentieth century lived dual lives their full voices unheard until now Lives of Lesbian Elders chronicles the life choices they made and their reasons for making them set against the contexts of culture politics and the social mores of the eras in which they lived Their stories of courage resilience resourcefulness pride and independence help restore lesbian history that has been forgotten distorted or disregarded and provide the information necessary to meet the future needs of aging lesbians Lives of Lesbian Elders gives aging lesbians a chance to discuss their thoughts on a variety of topics including Coming out You didn t talk about it Until two years ago I never even referred to a lesbian or would I allow the word to pass my lips I used to sneak into libraries and read about homosexuality and back in that era it was not classy it was classified as a disorder of some type Identity The only difference between me and anybody else is that I just happen to be sleeping with a woman I think I grew up not really knowing who I was and I think probably fighting all my life trying to find out who I was Family I feel very connected with the lesbian community here I guess I would call that family Many years ago my sister said I think when they re ready you need to explain to the nieces what a lesbian is because I want them to hear the correct story I want them to hear what it really is and not all these stupid rumors that go around Work I was going to become a youth minister at one point and it dawned on me in high school that there was no way the church was going to let me work with kids I didn t really finish my career I still have dreams about the military and about not finishing It was my choice but it wasn t really my choice Aging and the Future I think financing of course is a real big problem for lesbian women I have a concern that if anything should happen to my partner in growing older of being isolated

from the gay community and much more Lives of Lesbian Elders Looking Back Looking Forward also includes appendices that present demographic data on the women who were interviewed for the book information on historical timelines and suggested readings on lesbian history The book is an invaluable addition to the growing collective history of lesbians in the United States **The Cambridge Companion to Gay and Lesbian Writing** Hugh Stevens,2011 In the last two decades lesbian and gay studies have transformed literary studies The Cambridge Companion to Gay and Lesbian Writing introduces readers to important concepts methods and cultural and historical debates relevant to the study of sexuality and literature

Capote Gerald Clarke,2021-09-15 The national bestselling biography and the basis for the film Capote starring Philip Seymour Hoffman in an Academy Award winning turn One of the strongest fiction writers of his generation Truman Capote became a literary star while still in his teens His most phenomenal successes include Breakfast at Tiffany's In Cold Blood and Other Voices Other Rooms Even while his literary achievements were setting the standards that other fiction and nonfiction writers would follow for generations Capote descended into a spiral of self destruction and despair This biography by Gerald Clarke was first published in 1988 just four years after Capote's death In it Clarke paints a vivid behind the scenes picture of the author's life based on hundreds of hours of in depth interviews with the man himself and the people close to him From the glittering heights of notoriety and parties with the rich and famous to his later struggles with addiction Capote emerges as a richly multidimensional person both brilliant and flawed A book of extraordinary substance a study rich in intelligence and compassion To read Capote is to have the sense that someone has put together all the important pieces of this consummate artist's life has given everything its due emphasis and comprehended its ultimate meaning Bruce Bawer The Wall Street Journal Mesmerising Capote reads as if it had been written alongside his life rather than after it Molly Haskell The New York Times Book Review **Libidinal Currents** Joseph Allen Boone,1998-02-28 From Kate Chopin and Virginia Woolf to William Faulkner and Doris Lessing modern fiction surges with libidinal currents The most powerful of these fictions are not merely about sex rather they attempt to incorporate the workings of eros into their narrative forms In doing so Joseph Allen Boone argues these modern fictions of sexuality create a politics and poetics of the perverse with the power to transform how we think about and read modernism Challenging overarching theories of the novel by carefully mapping the historical contexts that have influenced modern experimental narratives Boone constructs a model for interpreting sexuality that reaches from Freud's theory of the libidinal instincts to Foucault's theory of sexual discourse The most ambitious study yet written on the links between literary modernity and the psychology of sex Boone's Libidinal Currents will be a landmark book in the study of modernist fiction gay studies queer theory feminist criticism and studies in sexuality and gender *The Lesbian Muse and Poetic Identity, 1889-1930* Sarah Parker,2015-10-06 Throughout history the poetic muse has tended to be a passive female and the poet male This dynamic caused problems for late Victorian and twentieth century women poets how could the muse be reclaimed and moved on from the passive role of old Parker looks at fin de siècle and modernist lyric poets

to investigate how they overcame these challenges and identifies three key strategies the reconfiguring of the muse as a contemporary instead of a historical mythological figure the muse as a male figure and an interchangeable poet muse relationship granting agency to both Women of the Left Bank Shari Benstock, 2010-06-28 A valuable and intriguing study of the lives and works of literary women who shaped expatriate Paris NPR Focusing on some two dozen American English and French women whose talent shaped the Paris expatriate experience in the early twentieth century from Anais Nin to Alice B Toklas and beyond this book shines new light on how gender was experienced and expressed during an important moment in modern literary history Shari Benstock weaves together with great skill the histories of an extraordinary group of talented women publishers like Sylvia Beach Caresse Crosby Margaret Anderson and Jane Heap novelists Jean Rhys Gertrude Stein and Edith Wharton She examines in some depth the writing produced by poets journalists and novelists thus combining literary criticism and social history in a seamless running narrative NPR Through their writings including unpublished and newly available documentary sources of the period Djuna Barnes Nancy Cunard Jean Rhys Gertrude Stein Edith Wharton and others are revealed as significant in the development of modernism imagism and other avant garde movements in which they were overshadowed or ignored by their male counterparts Benstock tracks the sexually liberated lifestyles and the creative originality of these women with a wealth of documentation Publishers Weekly An inspiration setting a standard for literary history and feminist criticism that will be difficult to surpass American Literature **The Lesbian and Gay Studies**

Becoming Modern Carolyn Burke, 1996 Born in London of mixed Jewish and English parentage and a much photographed beauty she moved in the pivotal circles of international modernism in Florence as Gertrude Stein's friend and Marinetti's lover in New York as Marcel Duchamp's co-conspirator and Djuna Barnes's confidante in Mexico with her greatest love the notorious boxer poet Arthur Cravan in Paris with the Surrealists and Man Ray

Borderlines Billie Melman, 2013-01-11 Borderlines weaves together the study of gender with that of the evolution of nationalism and colonialism Its broad comparative perspective will rechart the war experiences and identities of women and men during this period of transformation from peace to war and again to peace Drawing on a wide range of materials from government policy and propaganda to subversive trench journalism and performance from fiction drama and film to the record of activists in various movements and in various countries Borderlines weaves together the study of gender with that of the evolution of nationalism and colonialism Its broad comparative perspective will rechart the war experiences and identities of women and men during this period of transformation from peace to war and again to peace

Articulations of Difference Dominique D. Fisher, Lawrence R. Schehr, 1997 Drawn from insights of the past twenty years the essays reflect the renewed approach of gender and sexuality as they relate to homosexuality and its representation and they rely on models that differentiate between sexuality and gender and between natural inclinations and social constructs Despite the wide variety of subjects critical positions and authors backgrounds what these essays have in common is the willingness of the contributors to go beyond a set of rhetorics a set of limitations that were a defining moment in the struggle of gay liberation and its reflection in both creative and critical writing
