

Democrats VS Republicans

The Democratic and the Republican party are the biggest in America but they differ significantly in their ideals and philosophies.

DEMOCRATS

- DEMOCRATS believe that the government should have a more active role in society because this will help society grow, achieve its goals, and also lead to equality and higher quality of life.

REPUBLICANS

- REPUBLICANS support the idea that the government should be small: it should employ a small number of people, and it shouldn't play such a big role in society.
