

The book cover features a black and white photograph of a man in a dark suit, white shirt, and dark tie, wearing a fedora. He is shown from the waist up, leaning forward with his hands on a dark surface. On the surface in front of him are a stack of US dollar bills and several small, white, folded pieces of paper. The title 'THE AMERICAN HEROIN EMPIRE' is printed in large, bold, orange capital letters across the center of the image. Below the title, the subtitle 'POWER, PROFITS, and POLITICS' is in smaller blue capital letters, and the author's name 'Richard Kunnes, M.D.' is in white capital letters.

The Economic Anatomy of a Drug War David W. Rasmussen, Bruce L. Benson, 1994 This book explores the economics of illicit drug markets the connection between these markets and other crime and the adjustments these markets make when faced with changes in drug enforcement Focusing specifically on the most recent escalation of drug enforcement during the period from 1984-1989 Rasmussen and Benson adopt an economic perspective to explore the origins and effects of American drug policy Rasmussen and Benson argue that effective drug policy is only possible if we realize that increasing drug enforcement can be a tragedy of the commons because criminal justice resources are diverted from other uses and many unintended consequences are generated by politically popular drug enforcement initiatives

**US Foreign Policy and the War on Drugs** Cornelius Friesendorf, 2007-02-22 This book examines the geographic displacement of the illicit drug industry as a side effect of United States foreign policy To reduce the supply of cocaine and heroin from abroad the US has relied on coercion against farmers traffickers and governments but this has only exacerbated the world's drugs problems

**US Foreign Policy and the War on Drugs** *Doin' Drugs* William H. James, Stephen L. Johnson, 2010-01-01 Throughout the African American community individuals and organizations ranging from churches to schools to drug treatment centers are fighting the widespread use of crack cocaine To put that fight in a larger cultural context *Doin' Drugs* explores historical patterns of alcohol and drug use from pre-slavery Africa to present day urban America William Henry James and Stephen Lloyd Johnson document the role of alcohol and other drugs in traditional African cultures among African slaves before the American Civil War and in contemporary African American society which has experienced the epidemics of marijuana heroin crack cocaine and gangs since the beginning of this century The authors zero in on the interplay of addiction and race to uncover the social and psychological factors that underlie addiction James and Johnson also highlight many culturally informed programs particularly those sponsored by African American churches that are successfully breaking the patterns of addiction The authors hope that the information in this book will be used to train a new generation of counselors ministers social workers nurses and physicians to be better prepared to face the epidemic of drug addiction in African American communities
