The Catholic Directory, Almanac and Clergy List, 1900 **Digging for History at Old Washington** Mary L. Kwas, 2009-01-01 Positioned along the legendary Southwest Trail the town of Washington in Hempstead County in southwest Arkansas was a thriving center of commerce business and county government in the nineteenth century Historical figures such as Davy Crockett and Sam Houston passed through and during the Civil War when the Federal troops occupied Little Rock the Hempstead County Courthouse in Washington served as the seat of state government A prosperous town fully involved in the events and society of the territorial antebellum Civil War and Reconstruction eras Washington became in a

way frozen in time by a series of events including two fires a tornado and being bypassed by the railroad in 1874 Now an Arkansas State Park and National Historic Landmark Washington has been studied by the Arkansas Archeological Survey over the past twenty five years Digging for History at Old Washington joins the historical record with archaeological findings such as uncovered construction details evidence of lost buildings and remnants of everyday objects Of particular interest are the homes of Abraham Block a Jewish merchant originally from New Orleans and Simon Sanders from North Carolina who became the town s county clerk The public and private lives of the Block and Sanders families provide a fascinating look at an antebellum town at the height of its prosperity *Twang: A Novel* John Schlimm,2011-06 In TWANG a novel former Country Music publicist John Schlimm peels back the industry crafted cliché of Nashville and its beloved superstars He takes readers backstage of the sold out concerts inside the homes and heads of Nashville s elite and introduces them to a side of show business that has yet to be revealed Readers are whisked away on a wild ride to a provocative and quirky place with fictional characters who seem strikingly familiar and who will leave the readers shocked titillated laughing and realizing that the real world of Country Music is far more compelling and scandal ridden than they could ever have imagined **The Three Pillars** Barbara J. Sivertsen,2010-05-10 The Three Pillars How Family Politics Shaped the Earliest Church and the Gospel of Mark examines how family relationships played a key role in the earliest Christian church By disentangling the two disparate genealogies of Jesus the author reconstructs the families of Joseph and Mary Presented here for the first time is the full ancestry of Jesus mother Mary who was descended from the anti Hasmonean high priest Alcimus The author suggests that Mary and her daughter Mary played a hitherto unrecognized role in the church s earliest leadership struggle and that a composite of these two women not Mary Magdalene was the basis for the Gnostic Mary of later Christian works The author next explores how this early leadership conflict shaped the Gospel of Mark which she argues was written by Peter s son She discusses Mark s footprint in this Gospel and how Mark s resentment of the relatives of Jesus his ambivalence toward his father and his anger at the disciples for ceding leadership to these relatives is at the heart of some of the most distinctive features of the Second Gospel features that have perplexed biblical scholars and laymen for centuries The last section examines the mysterious Beloved Disciple in the Gospel of John The author concludes that the many unlikely elements in the account of the arrest and interrogation of Jesus can only be explained by seeing the Beloved Disciple as a close relative of the high priest Caiaphas and that this family relationship was crucial to the protection of the early Christians in Jerusalem The book s final chapter offers reflections on how kinship played an important role in Jesus ministry and how the high priestly leadership responded to him in part because of his family lineage The Search Harvey Meredith,2016-07-06 This story is an insight into the views and understandings of someone raised in a strict Catholic family forced to learn a religion at the earliest age This study was undertaken after a near lifetime of reflection upon the beliefs and the basis of his religious teachings This exercise in researching the teachings of the Catholic Church and Christian religion in general exposes the

triangle of fear guilt and doubt about the religion driven from Rome that has cemented his personal beliefs Living through the jungle of regimented hypocrisy lemming like beliefs and teaching tactics has provided the incentive to personally investigate the subject of Christian religion and to learn as much as possible about the subject that has survived nearly two thousand years *Sands & Sparrow* Aeon Gray,2024-09-16 Margo Sinclair has lived for centuries cursed with immortality after an ancient ritual went wrong Once a revered Elydian Queen now she is a mysterious figure lurking in the shadows of high society wealthy powerful and untouchable With a heart hardened by centuries of loss Margo has one rule never get close to anyone Mortals are fleeting destined to die leaving her alone every time To distract herself from the loneliness that gnaws at her soul Margo has taken up a dark hobby hunting and eliminating criminals and society s lowest scum dispensing her brand of justice in the shadows It s the only thing that gives distraction allowing her to channel her centuries of anger and frustration But when Margo meets Aveline a resilient and unapologetic sex worker shunned by society her carefully constructed walls begin to crack Aveline is everything Margo isn t fearless in her vulnerability living life with a boldness Margo has long forgotten Drawn to her in ways she can t explain Margo faces a dilemma stay distant and continue her endless empty existence or risk the agony of loss for a love that could finally make her feel alive again As Margo grapples with her growing connection to Aveline she must confront the demons of her past and the question that haunts her immortality Is love worth the pain of inevitable loss And can someone who has only known solitude truly open her heart when eternity is the price Lean on God the Yuletide Way Shirley Rocke, Brothers sisters families and friends let us lean on God the yuletide way and let us listen keenly to what he says After all God lived within our hearts to give us a brand new start All we need to do is come to God by faith but please do not hesitate God wants us to lean on him now because God has chosen us anyhow So brothers sisters families and friends let us lean on God the yuletide way but let us lean not unto thine own understanding Proverbs 3 5 KJV In this book Lean on God the Yuletide Way Shirley Rocke shares the many reasons why we should lean on God the yuletide way Shirley Rocke shares the many reasons why we should adhere to God s commands directions and instructions in the Bible Shirley Rocke also shares inspirational scripture references testimonies poems hymns reflections and charismatic questions Each chapter contains a compassionate prayer for those who are living with illnesses and for the catastrophes of this world Someone once said Life is what you make it but what he or she failed to say is that we cannot make life without the lord and savior Jesus Christ A suggestive commentary on the New Testament. St. Luke (St. John) by W.H. Van Doren. (St. Paul's epistle to the Romans, by T. Robinson). [6 vols. No more publ.]. William Howard Van Doren,1867 *The Official Catholic Directory and Clergy List* ,1906 **The Sunday at Home** ,1888 **Souvenir of the Silver Jubilee in the Episcopacy of His Grace, the Most Rev. Epistle General of James John Peter Lange, J. J. Van Oosterzee, 2007-05-01 Presented here in paperback for the first time is John Peter Lange's Theologisch-homiletisches Bibelwerk. Intended to help preachers prepare sermons, the commentary series is essentially biblical and evangelical catholic. This 19th century commentary has served as a standard reference for more than a century. Many early reviewers regarded Schaff's edition with his additional material as superior to the original. It has proven to be a complete and useful Commentary and continues to prove especially valuable to ministers. It contains critical annotations of the text and its translation and a threefold commentary: exegetical, doctrinal, and homiletical. Under these three heads, the text is viewed from every aspect. *The Roman Family in the Empire* Michele George, 2005-03-03 This volume contains a series of articles that examine the Roman family in Italy and the empire using a wide range of evidence and considering a number of critical issues. Its focus on regional differences in family structure, forms of marriage, and kinship patterns make it the first publication to include targeted study of the family in the Roman provinces. The chapters cover Roman Egypt, Judaea, Spain, Gaul, North Africa, and Pannonia and make use of both conventional textual sources and epigraphic evidence and material that is less frequently treated, including the medical writers and the Justinianic receipts.
