Salman Rushdie and the Genesis of Secrecy Vijay Mishra,2019-05-16 Salman Rushdie and the Genesis of Secrecy is the first book to draw extensively from material in the Salman Rushdie archive at Emory University to uncover the makings of the British Indian writer s modernist poetics Simultaneously connecting Rushdie with radical non Western humanism and an essentially English European sensibility and therefore questions about world literature this book argues that a true understanding of the writer lies in uncovering his genesis of secrecy through a close reading of his archive Topics and materials explored include unpublished novels plays and screenplays the earlier versions and drafts of Midnight s Children and its adaptations understanding Islam and The Satanic Verses the influence of cinema and Rushdie s turn to earlier archives as the secret codes of modernism Through careful examination of Rushdie s archive Vijay Mishra demonstrates how Rushdie combines a radically new form of English with a familiarity with the generic registers of Indian Arabic and Persian literary forms Together these present a contradictory orientalism that defines Rushdie s own humanism within the parameters of world literature

Secrecy and Responsibility in the Era of an Epidemic Hanne Overgaard Mogensen,2020-07-29 A narrative ethnography about a Ugandan woman and her relatives this novelistic fine grained volume shows how global questions of responsibility and inequity travel in family networks and confront people with decisions about life and death It is a story of existence under extremely challenging conditions about belonging and marginalization about the opacity and ambiguity of social relations and about growing up in a country haunted by violence and civil war only to be later lifted by optimism and devastated anew by the AIDS epidemic The story draws on long term fieldwork and letters from the woman who takes centre stage in the story while at once providing unique and privileged insight into the ethical challenges of a research method that demands personal involvement that is ultimately withdrawn for scholarly analysis
