**The Trobriand Islanders' Ways of Speaking** Gunter Senft, 2010-07-19 Bronislaw Malinowski claimed in his monograph *Argonauts of the Western Pacific* that to approach the goal of ethnographic field work requires a collection of ethnographic statements characteristic narratives typical utterances items of folk lore and magical formulae as a corpus inscriptionum as documents of native mentality This book finally meets Malinowski s demand Based on more than 40 months of field research the author presents documents and illustrates the Trobriand Islanders own indigenous typology of text categories or genres covering the spectrum from ditties children chant while spinning a top to gossip songs tales and myths The typology is based on Kilivila metalinguistic terms for these genres and considers the relationship they have with registers or varieties which are also metalinguistically distinguished by the native speakers of this language Rooted in the ethnography of speaking paradigm and in the anthropological linguistics linguistic anthropology approach the book highlights the relevance of genres for researching the role of language culture and cognition in social interaction and demonstrates the importance of understanding genres for achieving linguistic and cultural competence In addition to the data presented in the book its readers have the opportunity to access the original audio and video data presented via the internet on a special website which mirrors the structure of the book Thus the reader can check the transcriptions against the original data recordings This makes the volume particularly valuable for teaching purposes in general Austronesian Oceanic documentary and anthropological linguistics and ethnology

**Mother-worship, a Gynaecratic Study of Civilization & Culture** 'Ananda, 1991 *To the Bomb and Back* Sue Saffle, 2015-06-01 Between 1939 and 1945 some 80 000 Finnish children were sent to Sweden Denmark and elsewhere ostensibly to protect them from danger while their nation s soldiers fought superior Soviet and German forces This was the largest of all of World War II children s transports and although acknowledged today as a great social historical mistake it has received surprisingly little attention This is the first English

language account of Finland's war children and their experiences told through the survivors' own words. Supported by an extensive introduction, a bibliography of secondary sources, and over two dozen photographs, this book testifies to the often lifelong traumas endured by youthful survivors of war. **The Changing Role of Women in Bengal, 1849-1905** Meredith Borthwick, 2015-12-08. Basing her work on Bengali language sources such as women's journals, private papers, biographies, and autobiographies, Meredith Borthwick approaches the lives of women in nineteenth-century Bengal from a new standpoint. She moves beyond the record of the heated debates held by men of this period over matters such as widow burning, child marriage, and female education to explore the effects of changes in society on the lives of women and to question assumptions about advances prompted by British rule. Focusing on the wives, mothers, and daughters of the English-educated Bengali professional class, Dr. Borthwick contends that many reforms merely substituted a restrictive British definition of womanhood for traditional Hindu norms. The positive gains for women—increased physical freedom, the acquisition of literacy, and limited entry to nondomestic work—often brought unforeseen negative consequences, such as a reduction in autonomy and power in the household. Deeply moving story of self-sacrifice and pride. Jennifer Byrne, Australian Women's Weekly. One family's epic tale of survival in tumultuous twentieth-century China. Li Feng grew up in Mao's communist China with her mother's motto burning in her ears: "Success demands two things: unconditional sacrifice and absolute mental focus." Finally breaking free of her mother's overbearing clutches and fleeing to Sydney as an adult, Li struggled to make sense of her own lost childhood by piecing together her family's history. What she found was a heartbreaking tale of love and loss that echoed across four generations of women from Silver Dollar, who fought to regain her dignity and change her destiny after being sold into a loveless marriage at the age of 13 to Ming Xiu, who was forced to make a choice no mother should ever have to make following the execution of her husband, to Li's mother Rong, who grew up as an outcast on the periphery of society but never gave up hope of a better life for herself and for her daughters. Despite economic and political upheaval, these women battled to offer their children a better future through sheer determination in the face of unimaginable adversity. **Forged From Silver Dollar** is an inspiring true story about Modern China, iron will, and the strength of a mother's love. **My Mother Before Me** Julie Kettle Gundlach, 1992. **Thinking of Miller Place: A Memoir of Summer Comfort** Ethel Lee-Miller, 2015-11-23.
