Situation In China:

China Review ,1923 **Legal Issues for Implementing the Clean Development Mechanism in China** Xiaoyi Jiang,2012-08-13 Today climate change is among the most hotly debated topics The Clean Development Mechanism CDM one of the three financial mechanisms under the Kyoto Protocol open to developing and developed countries was devised to assist in mitigation of global warming This book discusses what China should do to make full use of the CDM to promote sustainable development and to meet the challenge of climate change from a legal perspective The findings lead to the conclusion that the CDM has limitations in promoting sustainable development in China and thus should be regarded only as a complementary instrument in combating climate change Legal strategies for improving the implementation of CDM projects under the legal framework in China are thus put forward and some proposals for China to meet the challenge of climate change in the post 2012 era are made This book offers new insights to academics and policymakers both in the public and private sector It is intended for legal practitioners and researchers on carbon trading as well as policymakers interested in the role of developing countries in climate change law In addition it is of interest to stakeholders of CDM projects

Donald J. Trump and China John Franklin Copper,2019-08-12 In Donald J Trump and China John Franklin Copper examines President Trump s views of China that developed before and after he entered office As a businessman and witness to U S politics and foreign policy Trump realized China was the most important country in the world to the United States He also recognized that one of the key difficulties in American trade policy was the imbalance between the United States and China Copper argues that Trump blamed previous U S policy makers for the disparity and was determined to rectify the imbalance Trump undertook formulating a new China policy in spite of non supporters in the Democratic Party the media academia and Hollywood Donald Trump accepted China s rise as an economic power and felt he could negotiate with President Xi to construct a positive relationship that would benefit both countries save the global financial system curb nuclear proliferation and save the environment Ultimately Copper asserts that Trump knew a constructive relationship with China would be challenging however he also understood that this is the nature of big power politics and that strategic negotiations and realism would ensure peace between these two powerful countries Rising China and World Order
