Six Bob A Day Tourist

Ian F. W. Beckett

Six Bob A Day Tourist:

German Anzacs and the First World War John Williams, 2003 By 1914 Australia's German immigrants were well regarded in their communities and made up after Irish and Scots the fourth largest white ethnic community in Australia This history traces the experience of the immigrants who enlisted for service in World War I and the difficulties they faced The Great War Ian F. W. Beckett, 2014-01-14 The course of events of the Great War has been told many times spurred by an endless desire to understand the war to end all wars However this book moves beyond military narrative to offer a much fuller analysis of the conflict's strategic political economic social and cultural impact Starting with the context and origins of the war including assassination misunderstanding and differing national war aims it then covers the treacherous course of the conflict and its social consequences for both soldiers and civilians for science and technology for national politics and for pan European revolution The war left a long term legacy for victors and vanquished alike It created new frontiers changed the balance of power and influenced the arts national memory and political thought The reach of this account is global showing how a conflict among European powers came to involve their colonial empires and embraced Japan China the Ottoman Empire Latin America and the United States *Our Corner of the Somme* Romain Fathi, 2019-02-07 An analysis of the memorialisation of Australia's role in the Somme and the Anzac mythology that contributes to Australia's identity The British Empire and the First World War Ashley Jackson, 2017-06-26 The British Empire played a crucial part in the First World War supplying hundreds of thousands of soldiers and labourers as well as a range of essential resources from foodstuffs to minerals mules and munitions In turn many imperial territories were deeply affected by wartime phenomena such as inflation food shortages combat and the presence of large numbers of foreign troops This collection offers a comprehensive selection of essays illuminating the extent of the Empire's war contribution and experience and the richness of scholarly research on the subject Whether supporting British military operations aiding the British imperial economy or experiencing significant wartime effects on the home fronts of the Empire the war had a profound impact on the colonies and their people The chapters in this volume were originally published in Australian Historical Studies The Journal of Imperial and Commonwealth History First World War Studies or The Round Table The Commonwealth Journal of International Affairs Over the Top (Volume 3 of 3) (EasyRead Super Large 24pt Edition) , APAIS 1991: Australian public affairs information service , The Ghost at the Wedding Shirley Walker, 2011-05-24 In 1914 in the canefields of northern New South Wales the young men couldn't wait to set off for the adventure of war The women coped as best as they could raised the children lived in fear of being the next to receive an official telegram They grieved their dead and came to learn that for returned men there are worse things than death in combat They bore more children to replace those lost in the First World War and the sons were just the right age to go off to the second The Ghost at the Wedding is like no other account of war chronicling events from both sides the horror of the battlefields and the women who were left at home Shirley Walker's

depictions of those battles Gallipoli the Western Front the Kokoda Track are grittily accurate their reverberations haunting
Written with the emotional power of a novel here is a true story whose sorrow is redeemed by astonishing beauty and
strength of spirit *Sisters in Peace* Kate Laing,2023-11-03 Is preparing for war the best means of preserving peace In
Sisters in Peace Kate Laing contends that this question has never been solely the concern of politicians and strategists She
maps successive generations of twentieth century women who were eager to engage in political debate even though
legislative and cultural barriers worked to exclude their voices In 1915 during the First World War the Women s
International Congress at The Hague was convened after alarmed and bereaved women from both sides of the conflict
insisted that their opinions on war and the pathway to peace be heard From this gathering emerged the Women s
International League for Peace and Freedom WILPF which to this day campaigns against militarism and nuclear weapons In
Australia the formation of a section of WILPF connected political women to a worldwide network that sustained their anti war
activism throughout the last century In examining the rise of WILPF in Australia *Sisters in Peace* provides a gendered history
of this country s engagement with the politics of internationalism This is a history of WILPF women who committed to peace
activism even as Australia s national identity and military allegiances shifted over time a history that has until now been an
overlooked part of the Australian peace movement *Zero Hour* Leon Davidson,2010-03-01 The First World War was only
meant to last six months When the Australians and New Zealanders arrived at the Western Front in 1916 the fighting had
been going for a year and a half and there was no end in sight The men took their place in a line of trenches that spread
through Belgium and France from the North Sea to the Swiss Alps Beyond the trenches was no man s land an eerie
wasteland where rats lived in the ribs of the dead and the wounded cried for help Beyond that was the German Army The
Anzacs had sailed for France to fight a war the whole world was talking about Few who came home ever spoke about it again
Zero Hour is the third book by Leon Davidson author of the best selling and multi award winning *Scarecrow Army* the Anzacs
at Gallipoli and *Red Haze* Australians New Zealanders in Vietnam *Letters from France* Charles Edwin Woodrow
Bean,1917
