Sign Language Research Sixty Years Later: Current and Future Perspectives Valentina Cuccio, Erin Wilkinson, Brigitte Garcia, Adam Schembri, Erin Moriarty, Sabina Fontana, 2022-11-14 **Memoirs; Sixty Years on the Firing Line** Arthur Krock, 1968 *Clyde Walcott* Peter Mason, 2024-09-17 An essential biography of a cricketing great exploring his achievements as a player manager and political activist This ground breaking biography of Sir Clyde Walcott explores the extraordinary life and achievements of a man who was both an important activist and one of the greatest cricketers of all time In the 1950s Walcott was part of the legendary three Ws batting triumvirate with Everton Weekes and Frank Worrell that helped give West Indies cricket a new identity distinct from its colonial past After test cricket he became a prominent administrator and advocate of Black consciousness managing the great West Indies teams that dominated the sport in the 1980s A vocal supporter of using cricket to apply pressure to the South African apartheid regime in 1992 he became chairman of the International Cricket Council the first Black man in that influential role Shining a light on Walcott s largely ignored part in effecting change through the vehicle of cricket this book also shows how he contributed to dramatic social transformation in Guyana as cricket and social organiser for the country s sugar estates from 1954 to 1970 bringing about improvements in the living conditions and self esteem of plantation workers while promoting the emergence of several world class cricketers from a previously neglected corner of the Caribbean China at 60 Lai-Ha Chan, Gerald Chan, Fung Kwan, 2011 This edited volume China at 60 explores the interactions between China and the world over the course of 60 years of Communist Party rule since 1949 and the impact of these interactions on China s domestic development To understand China s development experience and its transformation it is necessary to examine the trajectory of development from pre reform to post reform periods While the book may concur with previous findings on the changing development of China under economic reform more importantly it demonstrates the areas of continuity of the PRC s existence over the entire six decades To that end a dual theme change and continuity and global local interactions on China s development is adopted to assess the historical development of China s policies in various issue areas over the past 60 years The focus is chiefly on the domestic impacts of China s increasing engagement with the world the global implications of China s reform efforts and growing power and the long lasting uniqueness of this rising non European nation The book brings together a team of international experts to share their perspectives on global local interactions within a range of different topics including foreign policy domestic politics macroeconomic policy the central local relations the People s Liberation Army public health energy security finance and banking foreign trade and intellectual property rights as well as changes in the state s policies towards interest groups such as ethnic minorities and women *Sam Houston's Wife* William Seale, 1992 Although Sam Houston has been the subject of several biographies and many historical articles little attention has been paid to his third wife whose enormous influence on the Liberator of Texas has never before been examined closely In this first biography of

Margaret Lea Houston a remarkable woman is finally awakened from the historical sleep which has enveloped her for over a century Alabama born Margaret Lea was just a schoolgirl when she first saw Sam Houston arrive at New Orleans after the Battle of San Jacinto to have his wounds tended She later described having a premonition that she would some day meet Sam Houston says William Seale But she told that story many years later after she had become his wife For marry Sam Houston she did in the face of strong opposition of family and friends and of Houston s friends and advisers Twenty six years younger than her husband this protected child of a Baptist minister set out to change the life of the frontier hero Aware that alcoholism and the sorrows of personal misfortune weighed upon him she battled the former and sought to alleviate the latter Her abiding faith in him coupled with his unceasing devotion to her and to their children is a central theme of this book The author explores the personality of Margaret the idealist whose absorption in religion often led her to melancholia the reader of romances who was never able to come to terms with the Texas wilderness the wife who strummed her guitar and wrote love poems during her husband s absences on affairs of state This account of Sam Houston s wife which presents details of the general s life not hitherto explored is in addition a colorful picture of the time in which she lived It is a realistic appraisal of Sam and Margaret Houston to which the author has brought a fresh and sympathetic understanding In writing the richly human story he has made extensive use of unpublished manuscripts and original documents in private hands and public archives

Visibly Canadian Karen Stanworth,2014-11-01 Spectacular scientific and educational cultural practices were used to establish and define public identities in the British colonies of nineteenth century Canada In *Visibly Canadian* Karen Stanworth argues that visual representations were the era s primary mode of expressing identity and shows how the citizenry of Quebec and Ontario was or was not represented in the visual culture of the time Through nine case studies each representing key moments of identity formation and contestation Stanworth investigates how a broad range of cultural phenomena from fine arts to institutional histories to public spectacles were used to order resist and articulate identities within specific social and economic contexts The negotiation and planning underpinning civic culture are evident in rare moments of compromise such as the surprising proposal from the Saint Jean Baptiste Society to merge their annual parade with the celebration of Queen Victoria s Diamond Jubilee in 1897 Equally astounding is the scale of nineteenth century public spectacles reenactments of Victorian scenes of war often attracted crowds of upwards of 10 000 people Illustrated with over fifty images many unseen for over a century *Visibly Canadian* establishes the extraordinary significance of artwork and public spectacles in cutting across language religion and class to tell stories of nationhood belonging and difference

Irish Equity Reports Argued and Determined in the High Court of Chancery ,1844 **Adapting Graham Greene** Richard J. Hand,Andrew Purssell,2014-12-12 Graham Greene was one of the most versatile writers of the 20th

century and he remains a figure of particular interest to those concerned with the relationship between literature and cinema. As well as being a skilled screenwriter in his own right, most famously with *The Third Man*, Greene's fiction has proved to be a perennially popular source for adaptation, appealing to the broadest range of filmmakers imaginable. In this engaging and accessibly written study, Richard J. Hand and Andrew Purssell introduce adaptation studies and its relation to Greene's works. They present new and incisive readings of key texts, including the various screen versions of *Brighton Rock*, *The End of the Affair*, and *The Quiet American*, among others, and offer a critical examination of the industries in which Greene functioned as author, screenwriter, film critic, and cultural figure. By closely exploring the various critical aspects of Greene and adaptation, and by encouraging readers to engage with the topics discussed through the inclusion of innovative exercises, *Adapting Graham Greene* makes a significant contribution to Graham Greene Studies and Adaptation Studies, as well as to Film and Literary Studies more generally.
