Skylark Sing Your Lonely Song. An Anthology of the Writings of Bobby Sands, Introduced by Ulick O'Connor

Bobby Sands,1982 Skylark Sing Your Lonely Song Bobby Sands,1982 Insurgent Terrorism Gerald Cromer,2017-11-30

Terrorists engage in propaganda and rhetoric even though they prefer the power of deed over word They use a wide variety of mechanisms of moral disengagement to convince themselves of the rightness of their actions a necessary prerequisite for taking up arms The articles collected together in this excellent volume focus on the rhetoric and propaganda used by insurgent terrorists to justify their resort to violence The volume includes a thoughtful introduction which summarizes the main findings of the literature drawing attention to the many different kinds of terrorist propaganda and the underlying similarity between them *Biting at the Grave* Padraig O'Malley,1991-10-31 In an eloquent and haunting book O Malley

makes the fanaticism of the hunger strikers and their supporters the obdurate and morally discredited tactics of the British Government and the hopeless combat of the Protestant and Roman Catholic factions in the Northern Ireland struggle explicable and exposes the politics behind it The New York Times Book Review **For the Cause of Liberty** Terry

Golway,2012-05-22 Ireland's struggle for freedom reaches back much further into the annals of history than most of us can imagine Since the eleventh century when legendary king Brian Boru united the chieftains of Ireland to resist Viking invasion countless individual leaders have fought to preserve and protect Ireland's political and cultural autonomy In a chronicle of unprecedented breadth and authority *For the Cause of Liberty* tells the stories of these heroes including both men and women Catholics and Protestants who enabled the Irish to free themselves from the yoke of colonial oppression Journalist Terry Golway reconstructs the entire thousand year history of Irish nationalism covering each benchmark event in Ireland's political evolution and presenting a vivid epic tale of both the famous and unsung patriots who changed the course of Ireland's history Among these are Wolfe Tone a leader of the 1798 rebellion who cut his own throat rather than submit to a hangman Kevin Barry executed at age eighteen rather than turn informer on the eve of independence in 1921 and Bobby Sands an IRA militant who died on a hunger strike in 1981 calling international attention to the conflict in Northern Ireland The engaging and admirable story of how the Irish have saved themselves *For the Cause of Liberty* is a peerless work of scholarship and it offers a fresh context for the ongoing discussion of Ireland's political future *Jailtacht* Diarmait Mac Giolla

Chríost,2012-05-15 Using research methods and techniques the author closely analyses the emergence of the Irish language amongst republican prisoners and ex prisoners in Northern Ireland from the 1970's up until the present This pioneering study shows how the language was used exclusively in parts of the prison despite the efforts of the prison authorities to suppress the language and the dramatic impact this had on Irish society Drawing on interviews with the prisoners and various other materials Mac Giolla Chríost shows how these developments gave rise to the popular coinage of the term *Jailtacht* a deformation of *Gaeltacht* the official Irish speaking district of the Republic of Ireland to describe this unique

linguistic phenomenon *Northern / Irish Feminist Judgments* Máiréad Enright, Julie McCandless, Aoife O'Donoghue, 2017-02-09 The Northern Irish Feminist Judgments Project inaugurates a fresh dialogue on gender legal judgment judicial power and national identity in Ireland and Northern Ireland Through a process of judicial re imagining the project takes account of the peculiarly Northern Irish concerns in shaping gender through judicial practice This collection following on from feminist judgments projects in Canada England and Australia takes the feminist judging methodology in challenging new directions This book collects 26 rewritten judgments covering a range of substantive areas As well as opinions from appellate courts the book includes first instance decisions and a fictional review of a Tribunal of Inquiry Each feminist judgment is accompanied by a commentary putting the case in its social context and explaining the original decision The book also includes introductory chapters examining the project methodology constructions of national identity theoretical and conceptual issues pertaining to feminist judging and the legal context of both jurisdictions The book shines a light on past and future possibilities and limitations for judgment on the island of Ireland This book provides a rich and expansive addition to the feminist judgments catalogue The judgments demonstrate powerfully how Northern Irish judges have contributed to the gendered politics of national identity and how the narrow subject positions they have created for women and others could have been so much wider and more open Professor Rosemary Hunter School of Law Queen Mary University London The Northern Irish Feminist Judgments Project is inspirational reading for anyone interested in feminism or Irish studies It is a model of how to conduct feminist enquiry Its most innovative contribution to scholarship and politics is how the rewriting of landmark legal judgments from a feminist perspective allows us to imagine and therefore begin to construct a more egalitarian a more just future Associate Professor Katherine O'Donnell School of Philosophy University College Dublin If you let it this book will make you think It made me think it reminded me I suppose that legal writing can be wonderful rigorous creative deeply observant provocative Read it and see what it makes you think Professor Thérèse Murphy School of Law Queen's University Belfast *Living at the Edges of Capitalism* Andrej Grubacic, Denis O'Hearn, 2016-04-19 Since the earliest development of states groups of people escaped or were exiled As capitalism developed people tried to escape capitalist constraints connected with state control This powerful book gives voice to three communities living at the edges of capitalism Cossacks on the Don River in Russia Zapatistas in Chiapas Mexico and prisoners in long term isolation since the 1970s Inspired by their experiences visiting Cossacks living with the Zapatistas and developing connections and relationships with prisoners and ex prisoners Andrej Grubacic and Denis O'Hearn present a uniquely sweeping historical and systematic study of exilic communities engaged in mutual aid Following the tradition of Peter Kropotkin Pierre Clastres James Scott Fernand Braudel and Immanuel Wallerstein this study examines the full historical and contemporary possibilities for establishing self governing communities at the edges of the capitalist world system considering the historical forces that often militate against those who try to practice mutual aid in the face of state power and capitalist incursion *Plural*

Identities - Singular Narratives Máiréad Nic Craith, 2002-02-01 Northern Ireland is frequently characterized in terms of a two traditions paradigm representing the conflict as being between two discrete cultures Proceeding from an analysis of the historical and religious context this study demonstrates the reductionist nature of the two traditions model highlighting instead the complexity of ethnic identities and cultural traditions It thus shows why attempts at reconciliation like the Good Friday Agreement of 1998 which seeks to promote the concept of a parity of esteem based on this identity model are fraught with difficulties Reflecting on the applicability of the concept of multiculturalism in the context of Northern Ireland the author proposes a re conceptualisation of Northern Irish culture along lines that steer clear of binary oppositions From the Contents Webs of Significance Dis membering the Past Divided by Common Cosmologies A Discourse in Difference The Process if Cruthinitude Un Unclaimed Tradition Ethnic Nationality The Fuzzy Frontier The Common Ground **The**

Violence Within Kay Warren, 2018-02-05 This book explores a range of contemporary conflicts in which culture has become an explicit issue ethnic nationalism religious fundamentalism the militarization of civilian life opposition movements in authoritarian states political resistance to redistributive reforms and racism in racial democracies The authors show that one cannot understand current conflicts or crises without studying long term patterns of social political and cultural change At issue throughout the book is how anthropologists and comparative political scientists conceptualize the interplay of culture and politics The result is a volume that offers readers a sophisticated introduction to new currents in cultural analysis demonstrates realms of convergence and continuing debate between the two disciplines and offers focused analyses of contemporary conflicts from the perspective of those caught up in them The case studies for this volume focus on communities and movements in Guatemala Brazil Israel Iran Egypt South Africa the Philippines and Northern Ireland

Thatcher's Trial Kwasi Kwarteng, 2015-11-03 In six months Margaret Thatcher reinvented her political party and redefined modern conservatism in one of the greatest feats of modern political leadership In 1981 less than two years after she had been elected as Britain's first woman prime minister Margaret Thatcher was deemed unpopular and out of touch Unemployment had risen to levels not seen since the 1930s and the state's finances were foundering Her chancellor of the exchequer delivered what became known as the no hope budget in March which marked the beginning of a period of an almost unprecedentedly broad range of political challenges hunger strikes and violent protests in Northern Ireland urban riots in London and Liverpool and visible discontent with Thatcher from within the Conservative Party And yet by September 14 when Thatcher sacked 4 mutinous grandees from her cabinet the prime minister had firmly reasserted her authority These extraordinary six months would come to define the Conservative Party's most successful and modern leader who reshaped the ideas and direction of conservatism around the world To her detractors she may have been a harsh uncaring and dogmatic leader who made the country a more unequal materialistic and brutal place but to her supporters she was nothing less than a Conservative savior who prevented Britain from becoming an ungovernable socialist state The 1983

general election would prove a triumph Kwasi Kwarteng intimately captures this shopkeeper's daughter's unique leadership qualities from her pulpit style and New Testament imagery to her emphasis on personal moral responsibility that saw her through some of the most adverse conditions facing any world leader in modern peacetime

Sacred and Secular Martyrdom in Britain and Ireland since 1914 John Wolffe, 2019-11-28 During and immediately after the First World War there was a merging of Christian and nationalist traditions of martyrdom expressed in the design of war cemeteries and war memorials and the state funeral of the Unknown Warrior in 1920 John Wolffe explores the subsequent development of these traditions of sacred and secular martyrdom analysing the ways in which they operated sometimes in parallel sometimes merged together and sometimes in conflict with each other Particular topics explored include the Protestant commemoration of Marian and missionary martyrs and the Roman Catholic campaign for the canonization of the saints and martyrs of England Secular martyrdom is discussed in relation to military conflicts especially the Second World War and the Falklands In Ireland there was a particularly persistent merging of sacred and secular martyrdom in the wake of the Easter Rising of 1916 although by the time of the Northern Ireland Troubles in the later twentieth century these traditions diverged In covering these themes the book also offers historical and comparative context for understanding present day acts of martyrdom in the form of suicide attacks

Europe and the Politics of Language Máiréad Nic Craith, 2005-12-14 Do political boundaries impact on concepts of language How significant is language for citizenship in contemporary Europe Can disputed languages acquire full status Should non European languages receive recognition from the EU These are among the many questions explored in this new study of official regional and disputed languages in an ever changing European context Broad policy issues and the performance of the range of instruments of policy at local national and European levels are illustrated with reference to case studies across Europe

Irish Writing in the Twentieth Century David Pierce, 2000 With five Nobel Prize winners seven Pulitzer Prize winners and two Booker Prize winning novelists modern Irish writing has contributed something special and permanent to our understanding of the twentieth century Irish Writing in the Twentieth Century provides a useful comprehensive and pleasurable introduction to modern Irish literature in a single volume Organized chronologically by decade this anthology provides the reader with a unique sense of the development and richness of Irish writing and of the society it reflected It embraces all forms of writing not only the major forms of drama fiction and verse but such material as travel writing personal memoirs journalism interviews and radio plays to offer the reader a complete and wonderfully varied sense of Ireland's contribution our literary heritage David Pierce has selected major literary figures as well as neglected ones and includes many writers from the Irish diaspora The range of material is enormous and ensures that work that is inaccessible or out of print is now easily available The book is a delightful compilation including many well known pieces and captivating discoveries which anyone interested in literature will long enjoy browsing and dipping into

Contemporary Irish Republican Prison Writing L. Whalen, 2007-11-26 As it traces the textual history of

the works of authors like Bobby Sands and Gerry Adams this book analyses Republican resistance to disciplinary structures demonstrating the ways in which prisoners appropriate space through discursive strategies

Explorations in Difference Jonathan Hart, Richard W. Bauman, 2021-11-27 First published in 1996 Explorations in Difference explores how contemporary debates over identity and difference come into play within the workings of cultural legal and political institutions The book brings together a variety of perspectives on the meanings and implications of difference in the context of postmodern theory It is divided into two parts Theoretical Accounts which establishes a context for postmodern inquiries into difference and Instances which provides application to particular issues Highly interdisciplinary Explorations in Difference continues to have lasting relevance and will appeal to those with an interest in postmodern difference and its implications

Writings From Prison Bobby Sands Trust, 1998-01-01 In this book the author chronicles the abuse by the British state of emergency laws harassment and intimidation of civilians injuries and deaths caused by rubber and plastic bullets collusion between British security forces British intelligence and loyalist paramilitaries unjust killings and murders by the security forces excessive punishments and degrading strip searches in prisons abuses ignored by all but a handful of individuals and civil rights organisations

Breaking Enmities P. Grant, 2016-07-27 This book discusses relationships among religion literature and ethnicity in Northern Ireland since 1967 The introduction provides a theoretical account of how literature engages sectarian prejudices allowing these to be played out in ways that can help to dissolve or mitigate the alienating effects of traditional enmities Subsequent chapters deal with identity endogamy education gender and imprisonment Each chapter combines an analysis of specific cultural issues with a critical assessment of relevant works by key authors A conclusion offers an assessment of relationships between Northern Ireland and other modern societies facing analogous problems in a post modern world marked by rapid globalisation

Thatcher's Secret War Clive Bloom, 2021-08-02 Scary but enlightening Christopher Stone Margaret Thatcher remains one of the United Kingdom's most polarising prime ministers This provocative investigation sheds light on the secret internal cold war that she waged against the enemy within everyone she could not see eye to eye with It was a campaign fuelled by paranoia on both the left and right of the political spectrum and fought with corruption black propaganda dirty tricks and even murder Expertly juxtaposing notable events with today's political arena this new and updated edition of Thatcher's Secret War surmises that although Thatcher's ideals seem to have vanished one remains the power and importance of the extra parliamentary state and its surveillance methods and hidden powers in a new age of terrorism

Yeats and European Drama Michael McAteer, 2010-08-05 Michael McAteer examines the plays of W B Yeats considering their place in European theatre during the late nineteenth and early twentieth century This original study considers the relationship Yeats's work bore with those of the foremost dramatists of the period drawing comparisons with Henrik Ibsen Maurice Maeterlinck August Strindberg Luigi Pirandello and Ernst Toller It also shows how his plays addressed developments in theatre at the time with regard to the Naturalist Symbolist Surrealist and Expressionist

movements and how symbolism identified Yeats's ideas concerning labour commerce and social alienation This book is invaluable to graduates and academics studying Yeats but also provides a fascinating account for those in Irish studies and in the wider field of drama
