Sleeping Father:

The Sleeping Father Matthew Sharpe, 2003-09-26 The Sleeping Father begins with a divorced dad who inadvertently combines two incompatible anti depressant medications goes into a coma has a stroke and emerges with brain damage His teenage son the protagonist of the book Chris and his teenage daughter Cathy inherit money from their grandfather and decide to rehabilitate him on their own decide to make one Absent an adequate father the children decide to make one bringing with it a host of difficulties and opportunities Chris tries everything from sex to capitalism in his search for guidance on the path to adulthood and Cathy believing her secular Jewishness inadequate in the provision of a benign Moms and Dads as in home teachers priests presidents and CEOs In focusing on the Schwartz family in crisis Sharpe addresses the larger crisis in faith and authority in contemporary American life

Sleep Carlos H. Schenck, 2007-03-01 We spend more than 200 000 hours sleeping in a lifetime the equivalent of more than 8 000 days Yet research has only just begun to decode the mysteries behind what can go wrong Here Dr Carlos H Schenck one of the most prominent sleep doctors and researchers in the country takes us on an incredible journey into the mechanisms of sleep and the spectrum of disorders that can occur when these mechanisms go bizarrely awry Dr Schenck discusses the causes and treatments for common problems insomnia restless legs syndrome sleep apnea and more But what sets this book apart is the rare glimpse it offers into the cutting edge science that he and others have pioneered in identifying understanding and explaining the realm of parasomnias the mysterious more extreme sleep disorders such as dream enactment sleep related eating disorder sexsomnia sleepwalking sleep terrors sleep paralysis and even sleep violence which affect at least 20 million Americans Comprehensive engrossing and backed by the latest medical research Sleep is a groundbreaking work about what continues to be one of our most mysterious medical puzzles making it an indispensable guide for sufferers of all sleep disorders and their families

Father's Handbook for Raising Children Henry Petersohn, Ph.D, 2023-04-28 About the Book This father s handbook is a major improvement over other handbooks for raising your children This up to date book covers common child raising topics often omitted or only summarized in other books Each topic discussed is backed up by provided references with in depth specifics should readers want more details The Father s Handbook for Raising Children includes specific possible actions a father can take rather than just providing do good statements Its practical suggestions will save fathers time and money now and as your child ages About the Author A Ph D is a research and teaching degree Petersohn previously taught business management and statistics and has written on computer topics He personally had to undergo serious cardiac surgery and a stressful recovery and that involved Johns Hopkins and the Med Star Hospital in DC He also had to deal with more than two dozen family medical issues that pushed him into working with London s National Health System and Venice s Mesre as well as the Cleveland Clinic in Cleveland and St Joseph s in Phoenix He was drawn into extensive medical research as family issues became serious which spurred a deep interest in researching medical journals and reports from sources such as NIH

Immigration Commission United States. Immigration Commission (1907-1910), 1911 Banished Edwin F. Becker, 2011-01-27 Father Thomas Garrity is a Catholic priest who unexpectedly comes face to face with a horrific demon Through fate or demonic manipulation he winds up substituting for a prison chaplain who mysteriously committed suicide and was counseling a serial killer condemned on death row Garrity meets with the convict who at first is mute and then becomes all too talkative claiming to be a demon A naive Father Garrity assumes he is dealing with a schizophrenic Truly possessed by the demon Furfur the inmate begins his attack on Father Garrity As all Catholic priests Garrity is uneducated and unskilled at confronting the supernatural much less a demon This demon is intent on destroying Garrity's faith in God through any means possible The one problem is that this inmate will be executed in a week so time is of the essence At first Garrity thinks that he must only survive until the execution but then finds he will become hunted afterward by a demon that will transfer to a whole new body Furfur a documented fallen angel taken from demonology initially attempts to overwhelm Garrity with his knowledge and history Failing he escalates his efforts to violence and eventually murders Father Garrity as all common parish priests is inexperienced but is desperate to defeat this demon even though his path is crammed with obstacles He is surrounded by non-believers and a Catholic organization that has created an impossible bureaucracy which frowns on the very mention of exorcism The demon Furfur intends to deliver the soul of this convict to hell and then transfer himself to another person and continue to torment the priest Father Garrity finds that Furfur in documented demonology ranks high in the hierarchy of hell and has 150 000 demons at his command Although in prison Furfur can torture the priest through hurting those close to him simply by using his legions Father Garrity reaches out to the Vatican and eventually enlists the help of the official head Exorcist He is also aided by an unofficial American exorcist Their realization that the limited time until the execution is nowhere near adequate for an exorcism makes for an unsolvable dilemma The surrounding cast of characters adds to the complexity and suspense Father Garrity's immediate superior Pastor Wiesbauer is an elderly and gentle mentor who offers advice A kindly old housekeeper Margaret is the rectory's mother hen A retired Father James

Nolan an unofficial exorcist enters as a timely adviser The prison psychologist Katherine Schuler stands confused The Vatican's boisterous Father Dominic Tutolo flies in to assist A befuddled but helpful warden Buddy Thornton watches mystified but it is Father Garrity's Chicago detective brother Bobby that becomes the unpredictable loose cannon Finally becoming a major obstruction is the Catholic Diocese Monsignor Hall who is only concerned with the church's public image Father Garrity has his problems with the Catholic organization and the changes made to the religion in the recent past He is unhappy with the concern of the financial interests over the concern for parishioners He has doubts whether confession and weekly forgiveness is not perpetuating sin and is a revolving door Yet he maintains an unshakable faith in God A faith so strong that he will never bend to the demon Furur A faith so strong that divine intervention is called for Father Garrity has a faith so strong that it can create a miracle Follow Father Garrity a flawed outspoken priest with a temper a sense of justice and no fear as he uses his faith as a shield and enters a fight he knows he cannot win See how he learns that initially demons are not scary but instead seductive He learns that only after the seduction that the evil and violence enter the picture He would rather sacrifice his life than let this evil prevail Learn how demons introduce themselves with a form of seduction with intentions to destroy a person's very soul Whether drugs alcohol food sex violence or gambling a demon will enter your life and become that little voice inside your head This trip will open your eyes and take you into the world of horror If that world exists you surely want Father Garrity on your side

Solitude Philip Koch, 2015-12-15 In Koch's *Solitude* both solitude and engagement emerge as primary modes of human experience equally essential for human completion This work draws upon the vast corpus of literary reflections on solitude especially Lao Tze Sappho Plotinus Augustine Petrarch Montaigne Goethe Shelley Emerson Thoreau Whitman and Proust Koch uses the work of philosophers historians and writers as well as texts such as the Bible to show what solitude is and isn't and what being alone can do to and for the individual Interesting for its literary scope and its conclusions about all the good true solitude can bring us Booklist Reading this book is like dipping into many minds fierce and gentle The author reveals his long study of great philosophers and interprets their thoughts through the lens of his own experience with solitude He traces our early brushes with solitude and the fear it can engender then the craving for solitude that comes with full adult lives NAPRA Review

Asian Highlands Perspectives Volume 22 Yin Dalong, 2013-08-26 Children in contemporary rural China have experienced an unprecedented moment amid radical economic and social transformations that have sent their parents to urban centers to earn cash income children have been left behind to live with older relatives This fundamental redefining of place parenting and living has rarely been written about by the children themselves in English Set in rural Hunan in the late twentieth and early twenty-first centuries this novel vividly describes farm production the shift from an agricultural way of life to a life financially supported by migrant labor earnings local religious life Huagu opera education complex and violent relationships between family members and villagers the deaths of the protagonist's Maomao mother and paternal grandmother a wedding funerals and local festivals

from the perspective of a child Refusing to drop out of school and become a migrant worker or a soldier Maomao eventually achieves his dream of becoming a university student against all odds This unvarnished and vividly written description of a contemporary rural life in China is uniquely important and appealing to a broad readership Breathless Sleep...no more Paul Rodriguez,2018-03-18 Breathless Sleep no more is more than a memoir It recounts Paul s personal struggle over many years with severe obstructive sleep apnoea Paul s story takes the reader down a path of anticipation hope despair resolution and then new hope and symptom resolution Paul recounts his experience with referenced facts giving credibility to his writing and the benefits of breathing retraining The reader joins Paul in his exploration of how and why his health improved The reader is given a clear and concise introduction to the relevant science of this prevalent sleep disorder The book takes the reader into the world of a desperate sleep deprived lawyer who did not tolerate CPAP and who undertook a Buteyko breathing course because he was drawn to a natural treatment Paul becomes his own case study of his successful control of severe obstructive sleep apnoea The book includes comparative photographs and before and after sleep studies detailing the degree of apnoea and the impact this was having on his body and the improvement following completion of the course The reader gains a clear insight into the missing pieces from the jigsaw of his respiratory health In this 2nd updated edition Paul recounts his frenectomy tongue tie release and how it enhanced and further improved his sleep There is also additional content on Nitric Oxide and the critical role it plays as the third gas in our respiratory cycle Paul is certified as a Buteyko practitioner or breathing retrainer with two leading world organisations The Buteyko Institute of Breathing and Health and Buteyko Clinic International Paul is also an Applied Mindfulness Practitioner He teaches a Mindful Buteyko Breathing Course over 4 weeks *Abstracts of reports of the Immigration Commission* United States. Anderson,Douglas J. Reiss,Gerard E. Hogarty,1986-05-12 Of all mental health disorders schizophrenia remains the most pervasive bewildering and resistant to treatment In addition to its profound effect on the patient the illness can be equally

devastating to the family a problem that is compounded by the family's frequent role as provider of primary care. Psychoeducation systematically takes into account the family's role in providing care and the importance of supporting this system which in turn supports the patient. It is a method of care that remains focused on the family while making use of biological, psychological, and vocational interventions. **SCHIZOPHRENIA IN THE FAMILY** represents the first treatment manual based on the psychoeducational model. In conjunction with maintenance chemotherapy, psychoeducation reduces the emotional intensity of the patient's environment and creates a sense of continuous care. Using illustrative case examples, this how-to-do-it manual demonstrates methods to increase treatment compliance, sustain patients in the community, gradually integrate patients into familial, social, and vocational roles. Specifically, they explain how to develop a productive treatment alliance with the patient and the family and how to share with them concrete knowledge about the illness as well as management techniques for handling its difficulties. They provide recommendations for managing the critical early outpatient phase of treatment and suggest methods for promoting the ability to work and socialize outside the home. Additionally, they describe how to conduct the final stages of treatment when patients may be moving into maintenance sessions or other treatment methods or toward termination. The book concludes with a helpful chapter on training issues and the application of the psychoeducational model to other mental health systems.

Immigrants in industries, 1911 Telling Lives, Telling History Susan Rodgers, 1995-04-19 These two memoirs provide windows into the Sumatran past in particular and the early 20th century history of south east Asia in general. In reconstructing their own passage into adulthood, the writers tell the story of their country's turbulent journey to independence.

Russian Tales of Clever Fools: Complete Russian Folktale: v. 7 Jack V. Haney, 2019-07-23 This is the concluding installment of a splendid multi-volume work that makes available to English readers a rich folktale tradition that has not been easily accessible or well known in the West. Compared to other European traditions, the East Slavs have an extremely large number of tale types. Using the Aarne-Thompson index to folktale types and drawing on both archival and written sources dating back to the early sixteenth century, J. V. Haney has assembled and translated examples of the full range of tales. Nearly all of these tales appear here in translation for the first time. The tales in this volume center on the so-called fool, the village simpleton. However, Ivan the Russian everyman turns out to have far more sense than his would-be oppressors. The greedy priests and landlords and dim-witted demons who try to take advantage of him are easily outsmarted. In the end, it is they who are shown to be the fools as Ivan outwits or outlasts them. In these unequal contests lies the pleasure of the tales.
