feared Not so much for themselves but rather their connections which might allow them to avoid punishment for their crime Johnny Blue he was not going to be a problem because he was merely a hanger on Doctor Ray Ward and Father John Logan were two people that Flynn could count on for support They along with Ray s wife Liddy were the only one s who knew that Flynn was a time traveler Others knew Flynn as Ray s handyman no one special Here he was out of the commotion of the emergency room and in a situation he still didn t grasp The only thing that was making sense was that he Flynn was probably the one with the best understanding of what had happened and therefore the one who could control what was going to happen Now he had to see how this played out **1981-1985 Supplement to Crime Fiction, 1749-1980** Allen J.
