References

Strategies for Joint Venture Success (RLE International Business) Peter Killing, 2012-11-26 Although published thirty years ago this book accurately predicted that joint ventures would become an increasingly prominent feature on the corporate landscape This book based on the experience of managers in both successful and unsuccessful joint ventures has been written expressly to help managers improve the performance of their joint ventures It discusses the area of joint venture design and management including the management of ventures between corporations and government bodies

Strategies for Joint Venture Success J. Peter Killing, 2012 *Strategies for Joint Venture Success (RLE International Business)* Peter Killing, 2013-01-04 Although published thirty years ago this book accurately predicted that joint ventures would become an increasingly prominent feature on the corporate landscape This book based on the experience of managers in both successful and unsuccessful joint ventures has been written expressly to help managers improve the performance of their joint ventures It discusses the area of joint venture design and management including the management of ventures between corporations and government bodies

Joint Ventures, Alliances, and Corporate Strategy Kathryn Rudie Harrigan, 2003 *Partnerships, Joint Ventures & Strategic Alliances* Stephen I. Glover, Craig M. Wasserman, 2003 Helps you dissect any proposed transaction spot the issues that need to be addressed and achieve a successful outcome This book includes discussions on building a successful partnership joint venture and strategic alliance choice of entity considerations fiduciary duties tax and regulatory issues and the role of lawyers

Cooperative Strategies: North American perspectives Paul W. Beamish, J. Peter Killing, 1997 Three geographically targeted volumes comprised in the Cooperative Strategies series the most ambitious effort to date to explore the extent nature operations and environment of cross border cooperative linkages in North American European and Asian Pacific regions The scholars who contributed to the Cooperative Strategies series include top experts in international strategy and management Consolidating cutting edge scholarship and forecasting of future trends they focus on a wide variety of new cooperative business arrangements and offer the most up to date assessment of them They present the most current research on topics such as advances in theories of cooperative strategies the formation of cooperative alliances the dynamics of partner relationships and the strategy and performance of cooperative alliances Blending conceptual insights with empirical analyses the contributors highlight commonalities and differences across national cultural and trade zones The chapters in this volume are anchored in a wide set of theoretical approaches conceptual frameworks and models illustrating how rich the area of cooperative strategies is for scholarly inquiry The Cooperative Strategies Series represents an invaluable resource for serious academic study and for

business practitioners who wish to improve not only their understanding but also the performances of their joint ventures and alliances

Cooperative Strategy John Child, David Faulkner, Stephen B. Tallman, 2005 This is a clear and comprehensive survey of strategic alliances which presents different disciplinary perspectives and numerous examples from the corporate world The text has been thoroughly revised and updated taking account of new theoretical models and its coverage of case studies has been extended

International Strategic Management Franklin R. Root, Kanoknart Visudtibhan, 2023-12-31 Contains articles on aspects of strategic management in the multinational enterprise Contributions fall into four areas multinational and transnational enterprise the top management perspective the normative decision making emphasis and regency of publication no earlier than 1985

International Business Strategy Peter J Buckley, Pervez Ghauri, 2015-02-20 With stagnated demand in many home economies the need to internationalize and exploit foreign market opportunities has never been more paramount for businesses to succeed at a global level However this process raises a number of questions such as can firms use their knowledge of one market in the next Can firms pursue internationalization on several fronts at the same time How should firms handle cultural and institutional differences between markets This textbook provides students with the core research in international business and strategy including organization efficiency external relationships and the challenges found in an increasingly multicultural world Each part begins with a presentation of the issues and controversies faced in that particular area followed by a synthesis of the research which provides avenues for future research To facilitate and encourage further debate and learning each part also includes at least one original case study Compiled by two of the World's leading scholars of international business and supplemented with critical commentaries and a range of integrative case studies this comprehensive textbook provides advanced students of international business and strategy with a resource that will be invaluable in their studies and beyond
