

5 STRATEGIES TO ACHIEVE WORK-LIFE BALANCE

1

SET CLEAR BOUNDARIES

Set clear boundaries between your work and personal life to help achieve a better work-life balance. This may involve setting specific working hours, delegating responsibilities to team members, and avoiding taking work home.

2

PRIORITISE SELF-CARE

Prioritise self-care by taking time to exercise, eat well, and engage in activities that they enjoy. By prioritising your own health and well-being, you can better manage stress and avoid burnout.

3

BUILD A SUPPORT SYSTEM AROUND YOU

Build a support system of family, friends, and colleagues to help you achieve a better work-life balance. This may involve hiring a nanny, finding a reliable babysitter, and or joining a support group for working mothers or with people in your industry.

4

PLAN FOR THE FUTURE

Plan for the future by setting financial goals and developing a plan to achieve them. This may involve investing in retirement accounts, creating a savings plan, and seeking financial advice from a professional. Make your will.

5

TIME MANAGEMENT

Effective time management can help you stay on top of your work and also have time for your family. You can prioritise your workload, schedule breaks throughout the day, and plan ahead to avoid last-minute work overload.

Startup Culture Bianca Harrington, AI, 2025-02-28 Startup Culture explores the defining characteristics of startups emphasizing how their unique social and operational dynamics drive agility and innovation Startups often exhibit flat hierarchies and embrace employee empowerment fostering an environment where new ideas can rapidly translate into novel products and services The book argues that a deliberately managed culture is a strategic asset crucial for attracting talent and achieving sustainable growth especially given that over 70% of startups fail The book approaches the topic by first defining startup culture and then delving into the organizational structures and leadership styles that promote it It examines the critical role of communication and collaboration in knowledge sharing and continuous improvement Scaling startup culture presents unique challenges therefore the book provides strategies for maintaining core values while adapting to increasing complexity By combining empirical research case studies and expert interviews Startup Culture offers practical guidelines applicable to founders managers and employees alike It highlights how

startups can build and maintain a culture that not only drives innovation but also addresses the ethical considerations inherent in high growth business models ultimately contributing to a more informed and responsible approach to startup management

The Quality Life Plan Susan Boskey, 2007-05 We live in a time when more and more people need credit just to make ends meet and living on the edge has become the norm Millions feel the squeeze of more money going out than coming in and seriously want a way off the hamster wheel Given skyrocketing costs of living mounting debt dwindling disposable income outsourcing and downsizing of jobs all time high foreclosures personal bankruptcies fewer healthcare benefits and pensions it now takes something more than it did in times past to achieve financial well being That something more is The Quality Life PlanT a refreshing and overdue alternative to conventional financial wisdom It aims to restore true wealth to middle class Americans with uncomplicated personal finance strategies based on the whole story about money When the root cause of financial problems is exposed genuine solutions have the power to reduce and reverse them Finally there is a way out Susan Boskey In 1979 upon meeting her most significant mentor R Buckminster Fuller Susan grew to share his perspective that life is either a daring adventure or nothing at all As co producer for the last leg of Bucky s final 1983 national speaking tour Only Personal Integrity is Going to Count she gained new insight In particular Bucky s teachings on systems thinking inspired her to an independent study of the monetary system Her goal was to learn why while money greatly benefited a few it seemed a headache for most everyone else The Quality Life Plan a timely and refreshing approach to personal finance is the result of Susan s 25 years of research
