Griffith, 1991-07-19 This contribution to the debate on security in the Caribbean highlights the security problems of small states The contributors analyze internal and external security issues military political and economic influences and security initiatives and policies from indigenous regional and extra regional perspectives They also present empirical case studies of four English speaking nations The volume begins by introducing the dynamics influencing Caribbean security leadership history geopolitics and internal political violence Part Two then presents four case studies Barbados Guyana the Virgin Islands and the Belize Guatemala territorial dispute Realist theory conflict theory political economy and political psychology are among the theoretical frameworks represented in these essays Focusing particularly on the English speaking Caribbean the authors examine the resources institutions economies geopolitics internal instability militarization and intervention shaping the security environment This work is an important resource for scholars and policy analysts of military security issues the Caribbean Latin America and Third World development

Geopolitics, Security, and U.S. Strategy in the Caribbean Basin Rand Corporation, Routledge Handbook of Naval Strategy and Security Joachim Krause, Sebastian Bruns, 2016-03-17 This new handbook provides a comprehensive overview of the issues facing naval strategy and security in the twenty first century Featuring contributions from some of the world's premier researchers and practitioners in the field of naval strategy and security this handbook covers naval security issues in diverse regions of the world from the Indian Ocean and the Mediterranean to the Arctic and the piracy prone waters off East Africa's coast It outlines major policy challenges arising from competing claims transnational organized crime and maritime terrorism and details national and alliance reactions to these problems While this volume provides detailed analyses on operational judicial and legislative consequences that contemporary maritime security threats pose it also places a specific emphasis on naval strategy With a public very much focused on the softer constabulary roles naval forces play such as humanitarian assistance disaster relief naval diplomacy maintenance of good order at sea the overarching hard power role of navies has been pushed into the background In fact navies and seapower have been notably absent from many recent academic discussions and deliberations of maritime security This handbook provides a much desired addition to the literature for researchers and analysts in the social sciences on the relationship between security policy and military means on land and from the sea It comprehensively explains the state of naval security in this maritime century and the role of naval forces in it This book will be of much interest to students of naval security and naval strategy security studies and IR as well as practitioners in the field

Cayman Islands a Spy Guide Volume 1 Strategic Information and Developments IBP USA, Crime, Violence and Security in the Caribbean M. Raymond Izarali, 2017-11-20 Security challenges pose significant hardship for citizens of Caribbean nations Public safety is threatened by high rates of crime especially violent crime in much of the region the plague of the illicit drug trade transnational

organized crime gangs the current global proliferation of crimes of terrorism and related violent extremism and radicalization The situation diminishes morale among the youth their education and their future and operates as a major push factor Yet surprisingly there has been a scarcity of scholarly work that addresses these conditions This interdisciplinary volume succinctly responds to the gap in criminological and security studies on the Caribbean by drawing attention to the understudied nexus of crime violence and security that is so pervasive in the region and the ways in which underdevelopment re creates environments for insecurity The book is organized in three parts Part one encompasses conceptualizations of crime violence and punishment Part two takes up country cases on crime and security Part three addresses issues of regional security both public and private This timely volume will be valuable reading for scholars students practitioners and policy makers who share a critical interest in the scope impact and inter relationality of crime violence and in security in the region

Manufacturing Powerlessness in the Black Diaspora Charles Green,2002-05-09 Despite the economic utopianism brought on by globalization effective solutions to the persistent plight of urban blacks throughout the African diaspora continue to elude scholars politicians and community leaders Charles Green brings a decade of research and original fieldwork in Africa the Caribbean and the United States to investigate the interface of the historic racism faced by these urban communities and contemporary trends of globalization Green pays particular attention to the condition of the youth whose aspirations vulnerabilities and insights into their own conditions are central to the future prospects for their communities as a whole Considering the impacts of economic restructuring and cultural diffusion alike his analysis asserts the importance of both global ties and local distinctiveness Ultimately Manufacturing Powerlessness aims to encourage the formation of alliances throughout the diaspora so that urban black communities can manufacture a future of empowerment Visit the author s web page
