Stravinsky Masters Of Music:

The Devil's Music Master Sam H. Shirakawa, 1992-07-02 From 1922 until his death in 1954 Wilhelm Furtwängler was the foremost cultural music figure of the German speaking world conductor of both the Berlin and Vienna Philharmonic orchestras But a cloud still hangs over his reputation despite his undeniable brilliance as a musician because of a fatal and tragic decision Wilhelm Furtwängler remained in Germany when thousands of intellectuals and artists fled after the Nazis seized power in 1933 His decision to stay behind earned him lasting condemnation as a Nazi collaborator *The Devil's Music Master* Decades after his death Furtwängler remains for many not only the greatest but also the most controversial musical personality of our time In *The Devil's Music Master* Sam H Shirakawa forges the first full length and comprehensive biography of Furtwängler He surveys Furtwängler's formative years as a difficult but brilliant prodigy his rise to pre eminence as Germany's leading conductor and his development as a musician composer and thinker Shirakawa also reviews the rich recorded legacy Furtwängler documented throughout his forty year career such as the legendary Tristan with Kirsten Flagstad and the famous performances of Beethoven's Ninth Symphony in 1942 and 1951 Equally important Shirakawa goes backstage and behind the lines to explore how the Nazis seized control of the arts and how Furtwängler single handedly tried to prevent evil characters as Propaganda Minister Joseph Goebbels and Luftwaffe Chief Hermann Göring from annihilating Germany's musical life He shows how Furtwängler far from being a toady to the Nazis stood up openly against Hitler and Himmler at enormous personal risk to salvage the musical traditions of Bach Mozart and Beethoven Shirakawa also presents moving and overwhelming evidence of Furtwängler's astonishing efforts to save the lives of Jews and other persecuted individuals trapped in Nazi Germany only to be proscribed at the end of the war and nearly framed as a war criminal But there was more to Furtwängler than his politics or even his music and we come to know this extraordinary man as a reluctant composer a prolific essayist and diary keeper a loyal friend a formidable enemy when crossed and an incorrigible philanderer Numerous musical luminaries share their memories of Furtwängler to round out this vivid portrait Based on dozens of interviews and research in numerous documents letters and diaries many of them previously unpublished *The Devil's Music Master* is an in depth look at the life and times of a unique personality whose fatal flaw lay in his uncompromising belief that music and art must be kept apart from politics a conviction that transformed him into a tragic figure

Stravinsky's Late Music Joseph N. Straus, 2004-03-25 The first book to be devoted to the music of Stravinsky's last compositional period *Masters of Music*, 1969 *The Music Masters: The twentieth century*, by W. R. Anderson [and others] Alfred Louis Bacharach, 1954 *The Gesualdo Hex: Music, Myth, and Memory* Glenn Watkins, 2010 A riveting investigation of one of the most provocative musicians of the Renaissance who continues to captivate composers artists and audiences today In this vivid tale of adultery and intrigue witchcraft and murder Glenn Watkins explores the fascinating life of the Renaissance composer Carlo Gesualdo a life suffused with scandal and bordering on the fantastical An isolated prince Gesualdo had a

personal life that was no less eccentric and bewildering than the music he composed his biography has often clouded our perception of his oeuvre which music scholars have periodically dismissed as a late Renaissance deformation of little consequence Today however Gesualdo's music once deemed so strange as to be unperformable stands as one of the most vibrant legacies of the late Italian Renaissance with an undeniable impact on a host of twentieth century musicians and artists The incendiary details of Gesualdo's life recede and his grip on our musical imagination comes to the fore Watkins challenges our preconceptions of what has become a nearly mythic persona weaving together the cumulative experience of some of the most vibrant artists of the past century from Stravinsky and Schoenberg to Abbado and Herzog Beyond questions of mere influence however The Gesualdo Hex offers a profound meditation on cultural memory and historical awareness how composers attempt to shape the legacy they will bequeath to the world and how music and history inevitably take on a new guise as they are revisited by subsequent generations and reinterpreted in light of contemporary experience In examining Gesualdo's life music myth and memory intertwine with one another to reveal an uncanny affinity with our own time With his elegant and engaging prose Watkins asks us to grapple with our understanding not only of art and the artists who create it but also of history itself

Masters of Modern Music Melvin Berger, 1970 Brief biographies of fourteen twentieth century composers some known for carrying on the romantic traditions of the nineteenth century and others for promoting popular and modern experimental music

European Music in the Twentieth Century Howard Hartog, 2025-08-01 First published in 1957 European Music in the Twentieth Century includes chapters by Everett Helm on Bartók Eric Walter White on Stravinsky Norman del Mar on Hindemith and Walter Goehr on Schoenberg followed by various critics on musical development during the twentieth century in Austria the Scandinavian countries England Switzerland Italy Germany Russia France Czechoslovakia Poland and Greece The plan has therefore been to take as starting point the four key composers the pioneers of a revolution Bartók Stravinsky Hindemith and Schoenberg and follow the history of new works and experiments through half a century All these chapters have been written for this book none has appeared before Nothing of this kind has hitherto been attempted and the result is an impressive summary of achievement in a period of immense vitality and experiment which can now be viewed in reasonable perspective

Classical Music Alexander J. Morin, 2002 Encompassing more than five hundred classical composers past and present this listener's guide to classical music discusses the best recordings of symphonies operas choral pieces chamber music and more by the world's leading composers as performed by a variety of outstanding musicians and conductors and includes essays on the classical repertory composers instruments and more

Original [The Danger of Music and Other Anti-Utopian Essays](#) Richard Taruskin, 2010-11-11 Roth Family Foundation music in America imprint Prelim p

[A Master Builder](#) Henrik Ibsen, 2014-06-16 Wallace Shawn is one of the most complex and uncompromising moralists of the American theater Ben Brantley New York Times At once the U.S.'s most profound and overlooked playwright David Hare This translation and adaptation of Henrik Ibsen's Master Builder Solness by Wallace

Shaw a writer known for his own bleakly hilarious and provocative plays was used by legendary director Andr Gregory during fifteen years of work on a theatrical production which instead of being produced as a play was made into a film by Jonathan Demme a film that is an utterly contemporary vision of Ibsen's classic play
