Peter Gzowski R.B. Fleming, 2010-08-27 Born in 1934 Peter Gzowski covered most of the last half of the century as a journalist and interviewer This biography the most comprehensive and definitive yet published is also a portrait of Canada during those decades beginning with Gzowski s days at the University of Toronto s The Varsity in the mid 1950s through his years as the youngest ever managing editor of Maclean s in the 1960s and his tremendous success on CBC s Morningside in the 1980s and 1990s and ending with his stint as a Globe and Mail columnist at the dawn of the 21st century and his death in January 2002 Gzowski saw eight Canadian Prime Ministers in office most of whom he interviewed and witnessed everything from the Quiet Revolution in Quebec to the growth of economic nationalism in Canada s West From the rise of state medicine to the decline of the patriarchy Peter was there to comment to resist and to participate Here was a man who was proud to call himself Canadian and who made millions of other Canadians realize that Canada was in what he claimed was a Canadian expression not a bad place to live

RICK MERCER RANTS ABOUT QUEBEC If Quebec separates it s only gonna get worse The first thing they re gonna do once they leave is come over They ll be like the next door neighbour with an Amway catalogue How are you I m fine No hard feelings let s start a carpool can I stay in the guest room use your currency go halves on the army by the way I m a king now

RICK MERCER RANTS ABOUT JEAN CHRETIEN I wish people would just get off Jean Chretien s back The man goes to China he makes a few deals makes us a pile of cash and what happens Everyone is all up in arms just because of a few minor human rights violations Look Chretien has no choice My next door neighbour and I we go halves on firewood I save money It s a great deal for me But there s some soft liberals out there would prefer if I didn t even talk to the man Okay so he ran over a couple of kids in his car because they were making a racket out on the cul de sac And yes he s got a bunch of youngsters chained to the furnace because they talked back But hey it s not like I haven t made my feelings known to the man I ve done my part One time I said That s bad He changed the topic we went on with our business had a beer whatever My conscience is clear and like Jean Chretien I cannot afford to jeopardize this very special mutually profitable relationship with my neighbour just because of a few people chained up in his basement And don t give me any grief here Hey I m only following my Prime Minister s lead

On Location Serra Tinic, 2005-12-15 Film and television production are important components of the Canadian economy In Vancouver popular American television series like The X Files and Canadian series like Da Vinci s Inquest have boosted the city s profile as a centre for international and domestic productions Serra Tinic s On Location is the first empirical analysis of regional Canadian television producers in the context

of developing global media markets Tinic observes that global television production in Vancouver has been a contradictory process that has on one level led to the homogenization of culturally specific storylines while simultaneously facilitating the development of new avenues for international ventures The author explains how federal and regional network considerations funding guidelines and partnerships with international co producers affect the capacity of Canadian television producers to negotiate culturally specific storylines in the development process She further interrogates the concepts of globalization culture and national identity and their relationship to broadcasting from the perspectives of members of the television industry themselves highlighting the extent to which industry practices in Vancouver epitomize current trends in global television production On Location fills a major gap in contemporary media and cultural studies debates that question the connections between the politics of place culture and commerce within the larger context of cultural globalization
