Strength To Endure:

By Strength Endure Darlene Azbill, 2009-06 This story is set in the late 1800 s through the turn of the century Jennifer wants to lead a quiet peaceful life away from the New York social swirl she has known Also she wants to be appreciated for her business acumen She longs to live in a close knit small town where she can make a difference and leave a mark However Jennifer is the eye of her own personal tornado and sweeps others along with her Life with her is never dull Falling in love with a rancher Jacob shortly after moving to the small town of Gaylord Texas there is an attempt on her life from which she barely survives She inherits a son Chad and daughter Natalie when she marries One settled son and a headstrong and wild teenage girl who gets herself into an extremely dangerous situation when she is sent to a finishing school in New Orleans She falls in love with Jennifer s brother Emile who can never marry her This is a love story but a love story about many loves and the repercussions of falling in love One young man Julian endures an unrequited love for many years Another must learn to live with the memory of a great but never consummated love Love attempted murder murder kidnapping fire and stalking are all a part of this in this page turner *Strength to Endure* Brent L.
