we have forgotten how to really know one another Many of us recoil from true intimacy Author Charles Swindollw writes Full self disclosure is something we tend to avoid at all costs In fact we are prone to keep people out of our private worlds by wearing masks not physical masks but psychological ones For example The I m tough mask hides weakness and fear The I m holy mask hides our struggle with temptation The I can handle it mask hides bewilderment and hurt Removing your masks and relinquishing your defenses are essential aspects of the Christian experience And Dropping Your Guard portrays Bible teacher Chuck Swindoll at his best delving into the treasures of God s Word to reveal strategic principles for building open and genuine relationships Chuck Swindoll says My desire is that our Lord will open your eyes to the value of authentic relationships and that His Spirit will free you to be vulnerable as you drop your guard with others in the family of God I assure you the result is worth the effort *Family Growth-Growing Together* David C Cook Publishing Company,1993-06 Family Growth Electives brings together adults from similar life stages and situations to share the major concerns of their lives Choose from seven titles to draw adults into open conversations that provide collective wisdom and insight on marriage and family matters Each elective includes reproducible group member resources a real money saver
