## **The Active Side Of Infinity:**

The Active Side of Infinity Carlos Castaneda,1999-12 Carlos Castaneda goes back through the most memorable events in his life having been told that he should do this by Don Juan Matus a Yacui Indian shaman who became his teacher for 13 years He has learned that these events when collected together form a device that powerfully stirs energy inside the self that has lain dormant Our daily lives push these caches of energy outside our reach This method shows us how to redeploy our unused energy

**The Power of Intention** Dr. Wayne W. Dyer,2010-10-01 Intention is a force in the universe and everything and everyone is connected to this invisible force Dr Wayne W Dyer has researched intention as a force in the universe that allows the act of creation to take place This beautiful edition of Wayne s international bestseller explores intention not as something we do but as an energy we re a part of We re all intended here through the invisible power of intention a magnificent field of energy we can access to begin co creating our lives Part I deals with the principles of intention offering true stories and examples showing how to make the connection Wayne identifies the attributes of the all creating universal mind of intention as kind loving beautiful expanding endlessly abundant and receptive emphasizing the importance of emulating this source of creativity In Part II he offers an intention guide with specific ways to apply the co creating principles in daily life Part III is an exhilarating description of Wayne s vision of an individual connected at all times to the universal mind of intention

**The Active Side of Infinity** Jörgen I Eriksson,2020 More than 50 years after Carlos Castaneda s first book and 20 years after his death the interest in his legacy is growing The 12 books on his apprenticeship with the Yaqui sorcerer Juan Matus contain fabulous stories but most of all an abundance of shamanic wisdom According to J rgen I Eriksson who has worked in the Nordic shamanic tradition for 40 years Castaneda s works represent deep shamanism from which present day students of shamanism has much to learn But it is necessary to keep Castaneda at arm s length In this book Eriksson tries to extract the very best of Castaneda and in a way liberate Castaneda from Castaneda

**The Essential Wayne Dyer Collection** Dr. Wayne W. Dyer,2013-09-24 The 1 New York Times best selling author Wayne Dyer has been inspiring people to change their lives for many years Now three of his most fascinating books are collected in this single volume The Power of Intention details Wayne s research on intention as a force in the universe that allows the act of creation to take place He explains that it is not something we do but rather an energy we re a part of This is the first book to look at intention as a field of energy that we can access to begin co creating our lives Inspiration dissects feelings of emptiness the idea that there must be something more and trying to determine the meaning of life all evidence of a yearning to reconnect with our soul space This book explains how we ve chosen to enter this world of particles and form and each chapter is filled with specifics for living an inspired life From a very personal viewpoint Wayne offers a blueprint through the world of Spirit to inspiration our ultimate calling Excuses Begone reveals how to change the self defeating thinking patterns that have prevented us from living at the highest levels of success happiness and health Wayne presents many of the

conscious and subconscious crutches most of us employ along with ways to cast them aside once and for all The old habituated ways of thinking will melt away as the absurdity of hanging on to them is exposed and we ultimately come to realize that there are no excuses worth defending ever The Essential Wayne Dyer Collection is a must read for those wanting to explore the power and potential of the human mind as well as anyone who is finally ready to live the best life possible

**The Power of Intention** Wayne W. Dyer,2009-08-31 Argues that intention is a force found in the universe that propels an individual into action and includes stories and examples of the principles of intention and ways to apply intention to everyday life **The Power of Intention (EasyRead Super Large 18pt Edition)** Wayne W. Dyer,2008 Dyer contends that intention is an energy that everyone is a part of which manifests in seven ways Drawing on a variety of spiritual traditions and gurus he describes how to surmount the barriers that may get in the way of connecting to the energy He offers a guide to use intention to co create one s life and ways to be connected to the energy at all times *The Now-Ist* Billy

Mandarino,2018-04-05 Growing up in a five sibling multiple divorces family with all its dynamic layers and change initially shaped author Billy Mandarinos spirituality Transformed by various religious practices and study throughout his life hes recognized via life experience the treasures that reside within him waiting to be discovered In The Now ist he shows how through feeling and imagination you can find the way back to your true self and a fulfilled life Mandarino uses personal experiences and real life stories of inspiration and unlikely outcomes to help you discover a key realization in yourself The teachings apply to all areas of life including emotional social physical financial and spiritual Bible verses and quotations encourage you to compare your lifes circumstances to the scenarios given then grow from the forces that are applicable the present The Now ist built on the connecting links of signs and synchronicity teaches you to pay attention find the signs in your life and follow the spiritual bread crumbs to realize the guidance **The Curious Case of Dr. Castaneda's Twelve**

**Pages of Field Notes** F. Lawrence Fleming,2023-01-05 My previous book about the author Carlos Castaneda Making Sense of the Life and Works of Carlos Castaneda F Lawrence Fleming published 2018 was an attempt to show that although evidence appears to show that Castaneda did actually work with a Yaqui Indian sorcerer the publications concerning his fieldwork were largely fraudulent In this present book I shall attempt to show what sort of person the character don Juan in the books by Carlos Castaneda may have been in real life and how his remarkable personal philosophy can be inferred from what I assert is Castaneda s grossly corrupted version of the teachings of Don Juan in his published works The Power of Intention (EasyRead Large Bold Edition) Wayne W. Dyer,2004 Intentions generally viewed as a pit bull kind of determination propelling one to succeed at all costs by never giving up on an inner picture In this view and attitude that combines hard work with an indefatigable drive toward excellence is the way to succeed However intention is viewed very differently in this book The author has researched intention as a force in the universe that allows the act to creation to take place This book explores intention not as something you do but as an energy you re a part of We re all intended here through the invisible

power of intention Dust jacket      **Truth** Johnny George, 2017-11-27 As shattered fragments of a buried mirror may be cleaned and pieced together to portray a reflection so the book TRUTH clears away dirt and muck of untruth The author fits shards of knowledge like pieces of a puzzle to display what may be a very real reflection of ultimate high level truth In a search that has spanned over five decades there has been no agenda other than eliminating untruth to reveal a clear image of reality Pertinent facets of many many sources have been inter connected in the creation of this book The Bible Eastern philosophy the Dead Sea scrolls the Nag Hammadi texts the archives of Edgar Cayce and Seth American Indian Wisdom ancient Toltec knowledge science physics and quantum mechanics decades of magazine and news articles and such modern thinkers teachers and writers as Rhonda Byrne Depak Chopra David Deutsch Brian Greene Bruce Lipton Eckhart Tolle Neale Donald Walsch and many others TRUTH offers evidence that awareness of certain knowledge may awaken humanity to our natural progression in spirit Signs point to a path that can bring us to merge in a collective consciousness where the oneness of all may be realized where separate beliefs both spiritual and scientific may coalesce and be transcended where we may evolve to find our true nature as nonviolent spiritual beings When many signs point the same direction who would follow the one that doesn't When answers add up and make sense why do so many believe things that don't TRUTH has been said to be among the most informative the most comprehensive books ever written and has even been called the best book ever This new second edition is vastly improved over the first It includes a Preface with information about where the book came from and why it was written The new version also contains the results of more biblical research and quotes and many enhancements and additional details throughout      *Success & Happiness One Day at a Time; an instructional manual for your life* ,      **Not in His Image** John Lamb Lash, 2006-11-15 Lash is capable of explaining the mind bending concepts of Gnosticism and pagan mystery cults with bracing clarity and startling insight His arguments are often lively and entertaining Los Angeles Times In Not in His Image John Lamb Lash explains how a little known messianic sect propelled itself into a dominant world power systematically wiping out the great Gnostic spiritual teachers the Druid priests and the shamanistic healers of Europe and North Africa Early Christians burned libraries and destroyed temples in an attempt to silence the ancient truth tellers and keep their own secrets But as Lash reveals the truth cannot be hidden or destroyed Not in His Image delves deeply into the shadows of ancient Gnostic writings to reconstruct the story early Christians tried to scrub from the pages of history exploring the richness of the ancient European Pagan spirituality the Pagan Mysteries the Great Goddess Gnosis the myths of Sophia and Gaia Long before the birth of Christianity monotheism was an anomaly Europe and the Near East flourished under the divine guidance of Sophia the ancient goddess of wisdom The Earth was the embodiment of Sophia and thus sacred to the people who sought fulfillment in her presence This ancient philosophy was threatening to the emerging salvation based creed of Christianity that was based on patriarchal dominion over the Earth and lauded personal suffering as a path to the afterlife As Derrick Jensen points out in the afterword in Lash's hands Jesus Christ emerges as the

agent provocateur of the ruling classes Sometimes a book changes the world Not in His Image is such a book It is clear stimulating well researched and sure to outrage the experts Get it Improve not just your own life but civilization's chances for survival Roger Payne author of Among Whales      **Pause Now** Lyla Yastion, 2009-03-16 This handbook in practical spirituality proposes that the level of stress violence fear and disconnect from Nature in the global society has risen in direct proportion to a fall in the collective level of conscious awareness In order to reverse this trend a conscious impulse is required Human beings need to rediscover the mystical underpinning of all religions and the engine of spiritual transformation the art of presence Only by learning to be present and stay present is it possible to dissolve harmful energy in the form of false opinions and negative feelings and create positive energy that imbues actions with intelligence compassion and respect for the sacredness of all life To this end a practice in sensory awareness is offered It is called the Pause Pausing affirms the body mind continuum by empowering the senses as conduits of conscious awareness When pausing is then applied to ordinary activities such as speaking working thinking and relating to others spiritual evolution accelerates The fruit of a re-awakened life is healing for ourselves for society and for the entire Earth community      **I Was Carlos Castaneda** Martin Goodman, 2007-12-18 A marvelous book with rich teachings that particularly touch the heart of death and thus life itself Thom Hartmann author of The Last Hours of Ancient Sunlight Carlos Castaneda comes back from the dead in a true life spiritual adventure story set in the French Pyrenees Machu Picchu the Peruvian Amazon and the American Southwest Four months after his death the world renowned writer anthropologist and mystic Carlos Castaneda turns up in the French Pyrenees He meets with writer Martin Goodman His purpose To lead Martin beyond the fear of death and the confusions of mortality and to offer a clearer understanding of the ultimate wisdom the wisdom to live the rest of our days in full and conscious harmony with the living earth Martin Goodman is a gifted storyteller who has infused I Was Carlos Castaneda with literary verve and humor When at their first encounter an incredulous Goodman confronts Castaneda with reports of his recent death Castaneda replies wryly Details mere details And so the story begins      *The Scientification of Religion* Kocku von Stuckrad, 2014-05-21 The enigmatic relation between religion and science still presents a challenge to European societies and to ideas about what it means to be modern This book argues that European secularism rather than pushing back religious truth claims in fact has been religiously productive itself The institutional establishment of new disciplines in the nineteenth century such as religious studies anthropology psychology classical studies and the study of various religious traditions led to a professionalization of knowledge about religion that in turn attributed new meanings to religion This attribution of meaning resulted in the emergence of new religious identities and practices In a dynamic that is closely linked to this discursive change the natural sciences adopted religious and metaphysical claims and integrated them in their framework of meaning resulting in a special form of scientific religiosity that has gained much influence in the twentieth century Applying methods that come from historical discourse analysis the book demonstrates that religious

semantics have been reconfigured in the secular sciences Ultimately the scientification of religion perpetuated religious truth claims under conditions of secularism

**Making Sense of the Life and Works of Carlos Castaneda** F. Fleming, 2018-08-04 The Teachings of Don Juan A Yaqui Way of Knowledge purportedly a legitimate work of anthropology describing author Carlos Castaneda's apprenticeship to a Mexican Indian sorcerer was first published in 1968 and was followed by eleven more books by this author All of his books achieved a very wide readership To the dismay of many of his devoted readers however Castaneda has been shown to have been a charlatan arguably the most infamous charlatan of the twentieth century But what if the Mexican sorcerer Juan Matus with whom Castaneda claimed he had studied were shown to have been a real person I believe the circumstantial evidence strongly suggests that he was Might these books not be read or reread with replenished interest and purpose

**Summary of Wayne W. Dyer's The Power of Intention** Everest Media, 2022-08-29T22:59:00Z Please note This is a companion version not the original book Sample Book Insights 1 The Power of Intention was intended into the material world by applying all of the principles written about in this book I managed to make my own vibrational energy match up to the all creating Source and allowed these words and ideas to flow through me directly to you 2 I've been studying intention for years and I've found that it is a strong purpose or aim accompanied by a determination to produce a desired result People driven by intention are described as having a strong will that won't allow anything to interfere with their achieving their inner desire 3 The Power of Intention is the power to access the seemingly dormant forces within us and use them to achieve our goals It is a field of energy that flows invisibly beyond the reach of our normal everyday habits 4 The field is the source of our intelligence creativity and imagination It is an invisible domain or higher reality that can be tapped

into and used by everyone It is present in everything in the universe and it doesn't err *Because I Love You* Judy Herzog-Chmielarz, 2009-09 You have only one guarantee in life your body will die *Because I Love You* offers a gentle spiritual approach to help you prepare for the inevitable the death of the physical body Knowing that your soul is infinite rather than thinking of death as the end of everything opens the door to a new consciousness This new way of thinking about the concept of your soul's continuation will enable you to preplan your own arrangements so that your desires and wishes can be fulfilled Making preparations for your death in advance can also protect your loved ones from having to make difficult decisions at a time when they are raw with grief So have it your way make your arrangements and spare your loved ones because you love them *Because I Love You* presents a different approach to what is often very difficult to discuss let alone accomplish preplanning your own arrangements Yet taking this approach can prevent sibling rivalry estranged relations disputes and legal actions that can be associated with a loved one's passing This book in a loving and sometimes tastefully humorous way constantly reminds you to expand your thinking to understand that you are so much more than your physical body The author offers simple meditation techniques that will make it easier for you to complete a brief fill in the blanks workbook to get you started on making those arrangements Once you have made them you will be rewarded by the feelings of relief and satisfaction that come from accomplishing a difficult task And then knowing your plans are in place and your loved ones are protected you can get on with the joy of living your life Judy Herzog Chmielarz is passionate about helping people Her desire to know and understand herself led her to participate in various self discovery programs then given her nature and personality they also became her means to help others In 1988 she received certification as a Regression Therapist from the Arthur Ford Academy Delphi University In 2002 she attended the Grief Recovery Outreach Institute and consequently became a Grief Educator Judy has been a syndicated columnist for several local newspapers has appeared as a guest on NBC South Florida Today Show and occasionally co hosts radio shows in the South Florida area
