The Adam 1 Chronicles:

The Adam-1 Chronicles John L. Cunningham,2000-07 An information pod found cluttering Earth orbit starts a chain of events leading to the eventual decoding of the thoughts of a very different or is it really so different civilization Across the endless depths of space and of time itself is heard the keening of a Ulysses awakening to the true nature not only of his over structured existence but the fate of his entire race

1 Chronicles H. L. Rossier,2015-04-13 A superficial reader may well think that the books of Chronicles are the supplement of the books of Samuel and Kings The Jews indeed have attributed this character to them since ancient times Christians have done the same with regard to the three synoptic Gospels they think that the Gospels of Mark and of Luke complete Matthew s account of the Lord s life In reality the Chronicles like these Gospels present the thoughts of God from a completely new aspect They present the kingship in a very important dimension which these pages aim to bring out In relation to this subject one or two preliminary remarks will be useful We have insisted in other Meditations Meditations on the Books of Samuel and Kings by H Rossier upon the prophetic origin and bearing of the books of Samuel and Kings The Chronicles do not have the same character although remarkably we continually find in them the activity of the prophets Even the Jews did not count them among the prophetic books to which the majority of the books of history belong but rather classified them among the holy writings headed by the Psalms

Kings XV.-1 Chronicles IX Joseph Parker,1888 *The Books of History of the Old Testament* Rev. Harold E. Petersen,2022-07-25 The Word of God the Bible has been a vital part of my life We had family devotions I went to Sunday school and memorized verses In confirmation we studied the Bible and catechism And worship texts from the Old Testament Epistles and gospels were read every Sunday These continue to draw me into the Word I was in high school when I began to read the Bible through in a year As I would read I would mark verses that had special meaning for me Some chapters were so full of gems of truth that I chose several The Books of History reveal to us the record of the acts of the Lord God with his people the family of Jacob or Israel The history begins as they cross the Jordan conquered the land We read of the troubles during the time of the Judges We follow the reigns of kings Saul David and Solomon We sense the distress of the divided kingdom and the time of exile These books are important to our life of faith The details were written down so that we can avoid the same sins I am drawn to the magnificence of our God s grace as he forgives the sins of the people and calls them to obey

Seeds of Western Culture: Universal Chronology, the Exodus and Archilochus' Odyssey Graham Peter Scott, 2025-01-01 The book rediscovers two of the main seeds of Western Culture the Exodus and the Odyssey which are entwined within the book by both a common link with Egypt and a review of ancient chronology They were both antecedents to the rise of Christianity which is at the heart of Western Culture It was inspired by a desire to understand the spiritual message of the Odyssey which required both geographical and spiritual interpretations of the poem Linked to this was a desire to understand the political context of the Trojan story which required resolving the false hiatus in the archaeology of Troy This resulted in a new paradigm for understanding ancient chronology which revealed the stories behind the Exodus and the location of the Garden of Eden Writing the book has been a long and eventful journey longer than Odysseus 19 years away from home The book is written in

five parts Universal Chronology Based on the identification of Menophres with Thutmose III and of the Bubastite Portal's reference to Shoshenq's participation in the Battle of Qarqar the Egyptian Third Intermediate Period is shortened by 120 years with a pharaoh ruling from Tanis and subordinate kings at Bubastis and Thebes The Exodus Using the Universal Chronology and genealogical information and dates provided by the Bible it is demonstrated that the story of the Exodus is a combination of two events being the exodus of the Hyksos led by Abraham in 1406 BC following the eruption of Thera and the exodus of the Atenist Levite priests led by Moses in about the first year of Tutankhamun 1204 BC The story of Abraham also reveals the location of the Garden of Eden in the heartland of the Levant Radiocarbon Dating The process that created the dendrochronology based radiocarbon calibration curve is demonstrated to be a flawed non scientific process that relied upon circular arguments The Odyssey By comparing the life and work of Archilochus to both the Odyssey and the Iliad it is shown that Archilochus must have been the author of the Odyssey The allegory within the Odyssey is also discussed to provide both geographical and spiritual interpretations of the poem Western Culture The two main streams of Western Culture Ancient Greece and Christianity are shown to have had their foundations in the stories surrounding the Trojan War the spiritual message of the Odyssey and the influences of Egypt on Greece and Judaism It is shown how Greek and Jewish religions were fused to create the Gospels and contributed towards modern astrology
