

**"The economics of the age of
opulence - A literate and expert
revision of the basic ideas."**

THE AFFLUENT SOCIETY

John Kenneth

GALBRAITH

The Affluent Society

Ensheng Dong

The Affluent Society:

The Affluent Society John Kenneth Galbraith, 1998 On the economics of abundance **The Affluent Society** John Kenneth Galbraith, 1984 The author discusses production distribution of wealth and the development of sound economic and social policies **The Affluent Society** John Kenneth Galbraith, 1976 With customary clarity eloquence and humor Harvard economist John Kenneth Galbraith gets at the heart of what economic security means in *The Affluent Society* Warning against individual and societal complacency about economic inequity he offers an economic model for investing in public wealth that challenges conventional wisdom a phrase he coined that has since entered our vernacular about the long term value of a production based economy and the true nature of poverty Both politically divisive and remarkably prescient *Affluent Society* John Kenneth Galbraith, 1971 **The Affluent Society** John Kenneth Galbraith, 1998-10-15 The classic by the renowned economist One of those rare works that forces a nation to re examine its values The New York Times One of the New York Public Library s Books of the Century Hailed as a masterpiece St Louis Post Dispatch this examination of the economics of abundance cuts to the heart of what economic security means and doesn t mean and lays bare the hazards of individual and societal complacency about economic inequity The book that introduced the phrase conventional wisdom to our vernacular *The Affluent Society* is as timely today as when it was first published Warrants careful reading by every thoughtful person The Christian Science Monitor **The Affluent Society Revisited** Mike Berry, 2013-12-12 This book revisits John Kenneth Galbraith s classic text *The Affluent Society* in the context of the background to and causes of the global economic crisis that erupted in 2008 Each chapter takes a major theme of Galbraith s book distils his arguments and then discusses to what extent they cast light on current developments both in developed economies and in the economics discipline The themes include inequality insecurity inflation debt consumer behaviour financialization the economic role of government social balance the power of ideas the role of power in the economy and the nature of the good society It considers the current problems of capitalism and the huge challenges facing democratic governments in tackling them Written in non technical language this book is accessible to students of economics and the social sciences as well as to those who would have read *The Affluent Society* and the general reader interested in contemporary affairs and public policy **The affluent society** J.K. Galbraith, 1929 **The Affluent Society Revisited** Michael Berry, 2013-12 This book revisits John Kenneth Galbraith s *The Affluent Society* from the perspective of the background to and causes of the 2008 global economic crisis Each chapter takes a major theme of his book distils Galbraith s arguments and then discusses to what extent they cast light on current developments **John Kenneth Galbraith: The Affluent Society & Other Writings 1952-1967 (LOA #208)** John Kenneth Galbraith, 2010-09-30 Incisive and original John Kenneth Galbraith wrote with an eloquence that burst the conventions of his discipline and won a readership none of his fellow economists could match This Library of America volume the first devoted to economics gathers four of his key early works the books that established him

as one of the leading public intellectuals of the last century In *American Capitalism* Galbraith exposes with great panache the myth of American free market competition The idea that an impersonal market sets prices and wages and maintains balance between supply and demand remained so vital in American economic thought Galbraith argued because oligopolistic American businessmen never acknowledged their collective power Also overlooked was the way that groups such as unions and regulatory agencies react to large oligopolies by exerting countervailing power a concept that was the book's lasting contribution The Great Crash 1929 offers a gripping account of the most legendary and thus misunderstood financial collapse in American history as well as an inquiry into why it led to sustained depression Galbraith posits five reasons unusually high income inequality a bad overleveraged corporate structure an unsound banking system unbalanced foreign trade and finally the poor state of economic intelligence His account is a trenchant analysis of the 1929 crisis and a cautionary tale of ignorance and hubris among stock market players not surprisingly the book was again a bestseller in the wake of the 2008 economic collapse In *The Affluent Society* the book that introduced the phrase the conventional wisdom into the American lexicon Galbraith takes on a shibboleth of free market conservatives and Keynesian liberals alike the paramount importance of production For Galbraith the American mania for production continued even in an era of unprecedented affluence when the basic needs of all but an impoverished minority had easily been met Thus the creation of new and spurious needs through advertising leading to skyrocketing consumer debt and eventually a private sector that is glutted at the expense of a starved public sector *The New Industrial State* stands as the most developed exposition of Galbraith's major themes Examining the giant postwar corporations Galbraith argued that the technostructure necessary for such vast organizations comprising specialists in operations marketing and R it perpetuates stability through the planning system The book concludes with a prescient analysis of the educational and scientific estate which prefigures the information economy that has emerged since the book was published LIBRARY OF AMERICA is an independent nonprofit cultural organization founded in 1979 to preserve our nation's literary heritage by publishing and keeping permanently in print America's best and most significant writing The Library of America series includes more than 300 volumes to date authoritative editions that average 1 000 pages in length feature cloth covers sewn bindings and ribbon markers and are printed on premium acid free paper that will last for centuries

Summary of John Kenneth Galbraith's *The Affluent Society* Everest Media,2022-03-27T22:59:00Z Please note This is a companion version not the original book Sample Book Insights 1 Wealth is not without its advantages but it is also the enemy of understanding The poor man has always had a clear understanding of his problem and its solution he hasn't enough and he needs more The rich man can assume a much greater variety of ills and he will be less certain of their solution 2 The first task is to see the way our economic attitudes are rooted in the poverty inequality and economic peril of the past Then we must examine the devices and arguments by which we have managed to maintain an association with the older ideas which stemmed from a world where nearly all were poor 3 This essay is not an angry one It does not lack in that

beguiling modesty which is so much in fashion in social comment It contains many negative thoughts and they cannot but strike a discordant note in a world of positive thinking 4 The problems of an affluent world that does not understand itself may be serious but they are not as serious as those of a poor world where the simple exigencies of poverty preclude the luxury of misunderstanding **The Affluent Society Revisited** Michael Berry,2013 This title revisits John Kenneth Galbraith's *The Affluent Society* from the perspective of the background to and causes of the 2008 global economic crisis Each chapter takes a major theme of his book distils Galbraith's arguments and then discusses to what extent they cast light on current developments **A Study Guide for John Kenneth Galbraith's "The Affluent Society"** Gale, Cengage Learning,2016 **Revolution in the Affluent Society** Erik Dammann,1984 **The Affluent Society** John Kenneth Galbraith,1958 In the Wake of the Affluent Society Serge Latouche,1993 **The German Novel and the Affluent Society** Wilfried van der Will,R. Hinton Thomas,1968-12-15 This book comprises studies of six leading West German novelists Gerd Gaiser Wolfgang Koeppen Heinrich Boll Gunter Grass Martin Walser and Uwe Johnson The analysis of their work involves preoccupation with the social reality underlying their themes and attitudes with the tension between the writer and society with the writer as intellectual and with the problem of commitment Form and language are closely examined often in connection with the predominant problem of identity and role playing These studies involve cross references to other writers in and outside Germany and serve also as the basis for the discussion of such matters as the writer's position in the pluralistic society and his relation to the mass media ideology and authority *The Affluent Society* John Kenneth Galbraith,1962 **THE AFFLUENT SOCIETY** JOHN KENNETH,1958 **The Affluent Society** John K. Galbraith,1969 **An Affluent Society?** Lawrence Black,Hugh Pemberton,2017-07-28 During an election speech in 1957 the Prime Minister Harold Macmillan famously remarked that most of our people have never had it so good Although taken out of context this phrase soon came to epitomize the sense of increased affluence and social progress that was prevalent in Britain during the 1950s and 1960s Yet despite the recognition that Britain had moved away from an era of rationing and scarcity to a new age of choice and plenty there was simultaneously a parallel feeling that the nation was in decline and being economically outstripped by its international competitors Whilst the study of Britain's postwar history is a well trodden path and the paradox of absolute growth versus relative decline much debated it is here approached in a fresh and rewarding way Rather than highlighting economic and industrial decline this volume emphasizes the tremendous impact of rising affluence and consumerism on British society It explores various expressions of affluence new consumer goods shifting social and cultural values changes in popular expectations of policy shifting popular political behaviour changing attitudes of politicians towards the electorate and the representation of affluence in popular culture and advertising By focusing on the widespread cultural consequences of increasing levels of consumerism emphasizing growth over decline and recognizing the rising standards of living enjoyed by most Britons a new and intriguing window is opened on the complexities of this golden age

Contrasting growing consumer expectations and demands against the anxieties of politicians and economists this book offers all students of the period a new perspective from which to view post imperial Britain and to question many conventional historical assumptions

This Engaging Realm of E-book Books: A Detailed Guide Unveiling the Advantages of Kindle Books: A Realm of Convenience and Flexibility Kindle books, with their inherent portability and ease of availability, have freed readers from the limitations of hardcopy books. Gone are the days of lugging cumbersome novels or carefully searching for particular titles in shops. Kindle devices, sleek and lightweight, seamlessly store an extensive library of books, allowing readers to indulge in their favorite reads anytime, anywhere. Whether traveling on a bustling train, lounging on a sun-kissed beach, or just cozying up in bed, E-book books provide an unparalleled level of ease. A Literary World Unfolded: Discovering the Wide Array of Kindle The Affluent Society The Affluent Society The E-book Shop, a digital treasure trove of bookish gems, boasts an extensive collection of books spanning diverse genres, catering to every reader's taste and preference. From captivating fiction and mind-stimulating non-fiction to classic classics and modern bestsellers, the E-book Shop offers an unparalleled variety of titles to explore. Whether seeking escape through engrossing tales of imagination and exploration, diving into the depths of past narratives, or broadening one's understanding with insightful works of science and philosophy, the E-book Shop provides a gateway to a bookish world brimming with limitless possibilities. A Revolutionary Force in the Literary Scene: The Lasting Influence of Kindle Books The Affluent Society The advent of Kindle books has certainly reshaped the bookish landscape, introducing a paradigm shift in the way books are released, disseminated, and read. Traditional publication houses have embraced the online revolution, adapting their strategies to accommodate the growing need for e-books. This has led to a surge in the accessibility of Kindle titles, ensuring that readers have entry to a wide array of bookish works at their fingertips. Moreover, E-book books have democratized access to literature, breaking down geographical barriers and offering readers worldwide with equal opportunities to engage with the written word. Irrespective of their place or socioeconomic background, individuals can now engross themselves in the intriguing world of books, fostering a global community of readers. Conclusion: Embracing the Kindle Experience The Affluent Society E-book books The Affluent Society, with their inherent ease, flexibility, and vast array of titles, have unquestionably transformed the way we experience literature. They offer readers the freedom to discover the limitless realm of written expression, anytime, everywhere. As we continue to travel the ever-evolving online landscape, Kindle books stand as testament to the lasting power of storytelling, ensuring that the joy of reading remains accessible to all.
