The Journey (Animorphs #42) K. A. Applegate, 2017-08-29 Sometimes your worst problems are the ones you can t actually see Like the Helmacrons These less than an inch high aliens are back and they want the morphing cube more than ever Obviously Rachel and the other Animorphs can t let them take the cube But when Rachel tries to stop the Helmacrons from stealing it Marco gets in the way and ends up with tiny aliens well up his nose Rachel and the others can t let the Helmacrons stay inside Marco s head They re armed and could cause serious damage So the Animorphs come up with a plan to evict the Helmacrons from their new residence But it involves a shrinking ray and the obvious Marco s nose

Applegate,2017-07-25 Cassie and the other Animorphs have a few little problems A few very little problems Actually the problems call themselves Helmacrons They re less than an inch tall and they re pretty upset at Cassie They believe she stole their ship Cassie thought it was just a toy and gave it to charity Now the Helmacrons want it back So the Animorphs have a new dilemma Because the Helmacrons have their own secret weapon They can shrink other beings down to their size And if they don t get their ship back soon everyone on the planet is in for a little surprise *The Next Passage* K.A.

Applegate,2018-03-27 In this middle grade choose your own adventure story the reader decides what choices to make when an alien threatens to kill their character s father It s time for our next mission and it s up to you to decide whether you want to join us You probably already realize that each mission each battle could mean alien infestation or worse You probably already realize that we win about as many as we lose But we are managing to hold the Yeerks back and one more person could make all the difference Just so you know there are going to be a lot of decisions to make The right answers keep us alive The wrong ones well that s pretty obvious So what do you think Are you ready to become a weapon against the alien invasion Are you ready to morph to change from an ordinary kid into an animal a bird or insect all in the name of saving the world Are you ready to be an Animorph **The Invasion** Katherine Applegate,2011 Jake and his freinds encounter a

Frank,1999-08-30 Much literature for children appears in the form of series in which familiar characters appear in book after book In the late nineteenth and early twentieth century authors began to write science fiction series for children These early series generally had plots that revolved around inventions developed by the protagonist But it was the development and use of rocket and atomic science during World War II that paved the way for interesting and exciting new themes conflicts and plots While much has been written about the early juvenile science fiction series particularly the Tom Swift books comparatively little has been written about children s science fiction series published since 1945 This book provides a broad overview of this previously neglected topic The volume offers a critical look at the history themes characters settings and construction of post 1945 juvenile science fiction series including the A I Gang the Animorphs Commander Toad Danny Dunn Dragonfall Five the Magic School Bus and Space Cat The book begins with an introductory history of juvenile science fiction since 1945 with chapters then devoted to particular topics Some of these topics include the role of aliens and animals attitudes toward humor the absence and presence of science and the characterization of women A special feature is an

appendix listing the various series In addition the volume provides extensive bibliographical information *The Proposal* (Animorphs #35) K. A. Applegate, 2017-08-29 Marco already knows he has a few problems There s the constant battle with the Yeerks and finding out his mother was infested by Visser One the leader of the Yeerk invasion of Earth But things are about to get even weirder Marco s father is thinking of getting married again Meanwhile the Animorphs have other things to worry about It seems the Yeerks are trying harder than ever to get people into The Sharing Now the kids have to find a way to slow down recruitment But Marco s personal stress is causing him to morph into creatures that don t exist Creatures the Yeerks are sure to notice and attack **The Familiar (Animorphs #41)** K. A. Applegate, 2017-08-29 Jake is just a normal kid Well as normal as possible considering he can morph animals and he s in a war against parasitic aliens But as unbelievable as it sounds something even stranger has happened One morning Jake wakes up and he s twenty five years old Okay Maybe it s a nightmare Or maybe Jake s just lost it for a while and misplaced a few years And there s another problem The world Jake the kid went to sleep in has changed It s ruled by the Yeerks Jake has to find out if the other Animorphs are still around Still somehow fighting Or if he s really on his own *The Hidden (Animorphs #39)* K. A. Applegate, 2017-08-29 The Yeerks have discovered and repaired a damaged Helmacron ship They know of its morph seeking capabilities and they plan to use the ship to capture the Andalite bandits And to find Elfangor s blue cube The one that gave the kids the ability to morph Cassie and the other Animorphs are in a pretty bad situation They can t leave the cube in one place they can t morph without being discovered and they have to keep moving It looks like this may be a battle the Visser can t lose **Aliens in Popular Culture** Michael M. between life and death Or worse The Separation (Animorphs #32) K. A. Applegate, 2017-07-25 Rachel is falling apart Literally Her newest morph has the ability to regenerate its limbs but when Rachel demorphs there s a lot more Rachel than when she started out One more Rachel to be exact Rachel is an okay person to have around but two could be considered overkill Especially two Rachels with completely opposite personalities one is pathetically weak one is super strong and super nasty Now the Animorphs have to figure out a way to put Rachel back together again Because if it s up to the twins Rachel the weak will surrender to Visser Three Rachel the super bold will try to single handedly take him down And twice the trouble may be twice as much as the other Animorphs and Ax can handle *The Aliens Are Here* Fraser A.
