The Alpha Enterprise Evangelism In A Post Christian Era:

The Alpha Enterprise Stephen Hunt, 2019-10-01 The Alpha Enterprise explores the development growth and impact of the most widely used evangelising programme of recent decades The Alpha course is run in over seven thousand churches in the UK and over five thousand in the USA Across the world some four million people have graduated through the course in over 80 countries Alpha is truly the fastest growing evangelising initiative creating widespread support as well as stirring strong criticism Stephen Hunt critically examines the content and working philosophy of the Alpha course through the experiences of the churches that have run it as well as the individuals who have experienced it first hand Hunt charts the history of the programme its use of group dynamics and media how it links with the charismatic movement how it deals with issues such as homosexuality how it is run not only in churches but in prisons and universities too and concludes by measuring Alpha's impact and success Engaging with debates regarding postmodernity globalisation McDonaldisation consumerism and secularisation and based on real life surveys The Alpha Enterprise sheds new light not only on evangelism but on contemporary Christianity in general and how it engages with a post Christian culture **Encyclopedia of**

Christian Education George Thomas Kurian, Mark A. Lamport, 2015-05-07 Christianity regards teaching as one of the most foundational and critically sustaining ministries of the Church As a result Christian education remains one of the largest and oldest continuously functioning educational systems in the world comprising both formal day schools and higher education institutions as well as informal church study groups and parachurch ministries in more than 140 countries In The Encyclopedia of Christian Education contributors explore the many facets of Christian education in terms of its impact on curriculum literacy teacher training outcomes and professional standards This encyclopedia is the first reference work devoted exclusively to chronicling the unique history of Christian education across the globe illustrating how Christian educators pioneered such educational institutions and reforms as universal literacy home schooling Sunday schools women's education graded schools compulsory education of the deaf and blind and kindergarten With an editorial advisory board of more than 30 distinguished scholars and five consulting editors The Encyclopedia of Christian Education contains more than 1 200 entries by 400 contributors from 75 countries These volumes covers a vast range of topics from Christian education History spanning from the church's founding through the Middle Ages to the modern day Denominational and institutional profiles Intellectual traditions in Christian education Biblical and theological frameworks curricula missions adolescent and higher education theological training and Christian pedagogy Biographies of distinguished Christian educators This work is ideal for scholars of both the history of Christianity and education as well as researchers and students of contemporary Christianity and modern religious education **Inside Alpha** James Heard, 2012-06-01 UK church attendance hemorrhaging and one course is hailed as the most effective tool for turning back the tide From small beginnings in the early 1970s Alpha has grown to become a global success Churches from across the denominational spectrum have enthusiastically seized upon

the course seeing it as the remedy for declining church attendance Inside Alpha explores such claims through richly grounded qualitative research on six Alpha courses It assesses Alpha s primary aim of converting non churchgoers and its longer term goal of spiritual maturity Colossians 1 28 29 It questions whether the Alpha program is as successful as it claims at uniting evangelism and discipleship mission and spiritual formation This is an invaluable study for those in the academy and the church who have an interest in ecclesiology and mission How exactly is one to understand conversion What is it to be Christian How does ambiguity and doubt fit within one s journey of faith The importance of this work is in discovering through an engagement with Alpha how people might appropriately be initiated into and discipled within the Christian faith in contemporary culture

Evangelical Identity and Contemporary Culture Mathew Guest,2007-12-01 Building on an ethnographic study of St Michael le Belfrey Church in York a recognized leader in charismatic renewal mission and evangelical innovation since the 1960s this book explores how a persistent tradition of cultural engagement may generate growth while at the same time bringing about significant changes in the structure and function of the evangelical congregation and in the social construction of Christian identity itself This is the first sociological study of St Michael le Belfrey and the first to take seriously the question of how blazing the trail in terms of mission worship and fellowship influences the way in which congregations exist as Christian communities within the contemporary British context **From 'Mission-Shaped' to 'Jesus-Shaped' Church** Susan Beverley Cross,2025-03-10 Hospitality is often invoked without question in Church of England discourse but the importance of the practice to contemporary mission has not been subject to detailed analysis This book provides otherwise elusive in depth theological examination of the scope of Christian understandings of hospitality From feasting in the Hebrew Scriptures and foot washing in the New Testament to online Communion during the COVID 19 pandemic hospitality is more than welcome or the evangelistic hospitality of the Alpha Course or Messy Church So this book encompasses racism ageing poverty tragedy storytelling minds bodies and belonging as well as the implications of allying food to Christian formation It shows that Christian hospitality has relevance not only to mission but also to ecclesiology eschatology disability theology and social and ecological justice **Repackaging Christianity** Andrew Atherstone,2022-07-21 The story of Alpha is of major significance for understanding the place of religious faith in the modern world but that story has never been told until now Since its launch in 1993 the Alpha movement has evolved from supper party evangelism in the Kensington suburbs into a global brand of Christian outreach Today over a million people attend Alpha every year but the history of its rise to popularity has never been documented What caused such spiritual renewal in an age of scepticism And what propelled Alpha into a phenomenon that is recognised across the globe Alpha is far more than an introductory course to Christianity At the core of its brand identity is a repackaging of the Christian message for contemporary audiences Innovation and cultural adaptability are built into Alpha s DNA one of the chief reasons for its longevity and influence Nimble utilising the multimedia and digital revolutions it has contextualised into cultures and

languages across the planet And led by charismatic savvy individuals it has attracted people from across the social spectrum making waves in national media Andrew Atherstone leaves no stone unturned as he presents this fascinating history With exclusive access to original archives Atherstone recounts the miraculous stories of HTB s early years the first full account of Nicky Gumbel s conversion and the strategic decisions that launched Alpha onto the global stage of Christian influence With sharp historical analysis Andrew Atherstone uncovers the story of Christian resurgence in our contemporary age

Megachurches and Social Engagement Mark J. Cartledge, Sarah Dunlop, Heather Buckingham, Sophie Bremner, 2019-06-07 This book is the first detailed academic study of megachurches in the UK In particular it explores the nature and significance of social engagement by megachurches in the context of London The research contains empirical case studies of two Anglican and three African diaspora Pentecostal churches As well as exploring the range of social engagement activities provided by these churches the study offers explanations in term of theological motivations and the influence of globalisation Subsequently the book outlines the importance of the findings for the relationship between church and society in the contemporary context addressing the implications for social policy and practice The book advances discussions in public theology megachurch studies Pentecostal and Charismatic studies and ecclesiology

The Study of Evangelism Paul W. Chilcote, Laceye C. Warner, 2008-02-13 Christians and communities of faith today are rediscovering evangelism as an essential aspect of the church s mission Many of the resulting books in the marketplace however have a hands on orientation often lacking serious theological engagement and reflection Bucking that how to trend The Study of Evangelism offers thirty groundbreaking essays that plumb the depths of the biblical and theological heritage of the church with reference to evangelistic practice Helpfully organized into six categories these broad diverse writings lay a solid scholarly foundation for meaningful dialogue about the church s practice of evangelism

Expecting the End Kenneth G. C. Newport, Crawford Gribben, 2006 Jesus promise that the end draws near

has spawned an expectation of that grand event across various religious groups This volume examines the abiding social issues that surround the continued presence of apocalyptic anticipation by setting them in historical present day and future manifestations Approaching this fervent expectation from a broad perspective Gribben and Newport explore the contemporary movements with insightful analysis that provokes discussion and even self reflection The Dutch and Their Gods Erik Sengers,2005

British Gods Steve Bruce,2020-08-28 The big picture is well known over the last century religion in Britain has lost power popularity and plausibility Here Steve Bruce charts the quantifiable changes in religious interest and observance over the last fifty years by returning to a number of towns and villages that were the subject of detailed community studies in the 1950s and 1960s to see how the status and nature of religion has changed Drawing on both detailed data on baptism rates church weddings church attendance and the like and on his extensive fieldwork he considers the broader picture of religion today the status of the clergy the churches attempts to find new roles links between religion and violence and the impact of the charismatic movement Along the way Bruce encounters and engages with the contemporary rise of secularism considering our everyday secular tensions with religion arguments over moral issues such as abortion and gay rights the effect of social class on belief the impact of religion on British politics and the ways that local social structures strengthen or weaken religion Analysing the obstacles to any religious revival he explores how the current stock of religious knowledge is so depleted religion so unpopular and committed believers so scarce that any significant reversal of religion s decline in Britain is unlikely

The Wisdom of the Spirit Martyn Percy,Pete Ward,2016-02-17 In this groundbreaking book exploring Christianity and contemporary culture internationally renowned scholars including David Martin Alister McGrath Billy Abraham Billy Kay and Pete Ward interface with the legacy of Andrew Walker s work and look forward in their own predictions of trends Following Walker s special interests in house churches charismatic renewal culture and faith this book picks up on these themes and also looks more broadly at topics such as Pentecostalism Alpha and post Evangelicalism

Making New Disciples Mark Ireland,2015-12-10 Ten years on from their first book Evangelism Which way now which has become a valuable and much recommended resource Mark Ireland and Mike Booker aim to take people a step further Making New Disciples offers a practical approach based on careful theological reflection and years of hands on experience in local church leadership theological education and the national church The book is not so much a Which guide to the available resources as a wrestling with the paradoxes of evangelism in a changing world backed up with plenty of stories and specific examples

Archbishop Justin Welby Andrew Atherstone,2013-08-28 This biography of Justin Welby the 105th archbishop of Canterbury traces the story of his life and ministry from his earliest years to the eve of his enthronement in March 2013 It examines his conversion to Christianity as a student at Cambridge University his career as a treasurer in the oil industry and his meteoric rise through the ranks of the Church of England as a rector in Warwickshire director of international reconciliation ministry at Coventry cathedral dean of Liverpool and bishop of Durham

Based on extensive archival research and interviews with the archbishop's friends and colleagues this study analyses his formative relationships leadership style and priorities for the church It highlights Justin Welby's passion for evangelism reconciliation and risk taking which mark a change of direction for the Anglican Communion Evaluating Fresh Expressions Louise Nelstrop, Martyn Percy, 2013-02-12 An impressive line up of contributors first asks what counts as a fresh expression and who decides Part 1 explores what postmodern ways of viewing the world means for the way churches explore truth and uncertainty and tradition as an evolving rather than a static enterprise Part 2 uses real examples to examine who attends fresh expressions and what it incarnational theology looks like in practice Part 3 considers the implications for clergy training and whether there is a case for making pioneer ministry a discrete type **Shalom, the Spirit and Pentecostal Conversion** Grace Milton, 2015-08-17 In *Shalom the Spirit and Pentecostal Conversion* Grace Milton presents a uniquely practical theological model of Pentecostal conversion centered on empirical data from a congregational case study Pentecostal Charismatic conversion is commonly equated with a dramatic Damascus road type event which directly opposes prevailing theories within the social sciences that conversion is a more gradual process over time This raises the question how far do these Pentecostal stereotypes reflect lived experience In this book for the first time the experiences and beliefs of ordinary Pentecostal believers are drawn into conversation with conversion theories from the human sciences sociology psychology and anthropology and theology The result is a distinctly Pentecostal model of conversion which interprets religious transformation through the theological lens of Shalom The Future of the Parish System Steven Croft, 2010-05-05 This timely multi faceted book by a collection of leading thinkers and practitioners provides church leaders with the resources to re imagine church and ministry in the twenty first century Looking at both traditional forms of church and fresh expressions this wide ranging book offers invaluable historical psychological sociological and theological perspectives on the parish system Leading thinkers outline the challenges facing the Church present suggestions for areas for development and set out principles for future growth *Ecclesianarchy* John Williams, 2020-09-30 Arguing that what is needed is a provisional approach to ministry which recognises that all forms of ministry are and always have been a response to social and cultural context *Ecclesianarchy* brings theological and practical insight to bear on the question of ministry's provisionality

Handbook of Megachurches Stephen J. Hunt, 2019-11-26 The megachurch is an exceptional recent religious trend certainly within Christian spheres Spreading from the USA megachurches now reached reach different global contexts The edited volume *Handbook of Megachurches* offers a comprehensive account of the subject from various academic perspectives
