The Amateur Marriage:

The Amateur Marriage Anne Tyler, 2015-05-05 From the inimitable Anne Tyler a rich and compelling novel about a mismatched marriage and its consequences spanning three generations. They seemed like the perfect couple young good looking made for each other The moment Pauline a stranger to the Polish Eastern Avenue neighborhood of Baltimore though she lived only twenty minutes away walked into his mother's grocery store Michael was smitten And in the heat of World War II fervor they are propelled into a hasty wedding But they never should have married Pauline impulsive impractical tumbles hit or miss through life Michael plodding cautious judgmental proceeds deliberately While other young marrieds equally ignorant at the start seemed to grow more seasoned Pauline and Michael remain amateurs In time their foolish guarrels take their toll Even when they find themselves almost thirty years later loving instant parents to a little grandson named Pagan whom they rescue from Haight Ashbury they still cannot bridge their deep rooted differences Flighty Pauline clings to the notion that the rifts can always be patched To the unyielding Michael they become unbearable From the sound of the cash register in the old grocery to the counterculture jargon of the sixties from the miniskirts to the multilayered apparel of later years Anne Tyler captures the evocative nuances of everyday life during these decades with such telling precision that every page brings smiles of recognition Throughout as each of the competing voices bears witness we are drawn ever more fully into the complex entanglements of family life in this wise embracing and deeply perceptive novel The Amateur Marriage Anne Tyler, 19?? THE AMATEUR MARRIAGE ANNE TYLER, 2004 The Amateur Marriage (PB) Anne Tyler, 2004

The Amateur Marriage by Anne Tyler Diana Russell,2004 Saint Maybe Anne Tyler, 2011-01-26 NEW YORK TIMES BESTSELLER The beloved Pulitzer Prize winning author brings us the story of Ian Bedloe the ideal teenage son leading a cheery apple pie life with his family in Baltimore That is until a careless and vicious rumor leads to a devastating tragedy Imploding from guilt Ian believes he is the one responsible for the tragedy No longer a star athlete with a bright future and desperately searching for salvation he stumbles across a storefront with a neon sign that simply reads CHURCH OF THE SECOND CHANCE Ian has always viewed his penance as a burden But through the power of faith and the love of family he begins to view it as a gift After years spent trying to atone for his foolish mistakes Ian finds forgiveness and peace in the life he builds for himself Back When We Were Grownups Anne Tyler, 2015-05-05 Once upon a time there was a woman who discovered that she had turned into the wrong person So Anne Tyler opens this irresistible new novel The woman is Rebecca Davitch a fifty three year old grandmother Is she an impostor in her own life she asks herself Is it indeed her own life Or is it someone else s On the surface Beck as she is known to the Davitch clan is outgoing joyous a natural celebrator Giving parties is after all her vocation something she slipped into even before finishing college when Joe Davitch spotted her at an engagement party in his family s crumbling nineteenth century Baltimore row house where giving parties was the family business What caught his fancy was that she seemed to be having such a wonderful time Soon this large spirited older man a

divorc with three little girls swept her into his orbit and before she knew it she was embracing his extended family plus a child of their own and hosting endless parties in the ornate high ceilinged rooms of The Open Arms Now some thirty years later after presiding over a disastrous family picnic Rebecca is caught un awares by the question of who she really is How she answers it how she tries to recover her girlhood self that dignified grownup she had once been is the story told in this beguiling funny and deeply moving novel As always with Anne Tyler's novels once we enter her world it is hard to leave But in Back When We Were Grownups she so sharpens our perceptions and awakens so many untapped feelings that we come away not only refreshed and delighted but also infinitely wiser **Breathing Lessons** Anne Tyler, 2015-05-05 WINNER OF THE PULITZER PRIZE NEW YORK TIMES BESTSELLER Evoking Jane Austen Emma Straub and other masters of the literary marriage Breathing Lessons celebrates the small miracles and magic of truly knowing someone Unfolding over the course of a single emotionally fraught day this stunning novel encompasses a lifetime of dreams regrets and reckonings and is oftern regarded as Tyler's seminal work Maggie and Ira Moran are on a road trip from Baltimore Maryland to Deer Lick Pennsylvania to attend the funeral of a friend Along the way they reflect on the state of their marriage its trials and its triumphs through their quarrels their routines and their ability to tolerate each other s faults with patience and affection Where Maggie is quirky lovable and mischievous Ira is practical methodical and mired in reason What begins as a day trip becomes a revelatory and unexpected journey as Ira and Maggie rediscover the strength of their bond and the joy of having somebody with whom to share the ride bumps and all More powerful and moving than anything Tyler has done Los Angeles A Patchwork Planet Anne Tyler, 2015-05-05 In this her fourteenth novel and one of her most endearing Anne Times Tyler tells the story of a lovable loser who s trying to get his life in order Barnaby Gaitlin has been in trouble ever since adolescence He had this habit of breaking into other people's houses It wasn't the big loot he was after like his teenage cohorts It was just that he liked to read other people's mail pore over their family photo albums and appropriate a few of their precious mementos But for eleven years now he s been working steadily for Rent a Back renting his back to old folks and shut ins who can't move their own porch furniture or bring the Christmas tree down from the attic At last his life seems to be on an even keel Still the Gaitlins of old Baltimore cannot forget the price they paid for buying off Barnaby's former victims And his ex wife would just as soon he didn t show up ever to visit their little girl Opal Even the nice steady woman his guardian angel who seems to have designs on him doesn t fully trust him it develops when the chips are down and it looks as though his world may fall apart again There is no one like Anne Tyler with her sharp funny tender perceptions about how human beings navigate on a puzzling planet and she keeps us enthralled from start to finish in this delicious new novel
