The American Background Of Theosophy:

The Esoteric Origins of the American Renaissance Arthur Versluis, 2001-03-08 The term Western esotericism refers to a wide range of spiritual currents including alchemy Hermeticism Kabbala Rosicrucianism and Christian theosophy as well as several practical forms of esotericism like cartomancy geomancy necromancy alchemy astrology herbalism and magic The early presence of esotericism in North America has not been much studied and even less so the indebtedness to esotericism of some major American literary figures In this book Arthur Versluis breaks new ground showing that many writers of the so called American Renaissance drew extensively on and were inspired by Western esoteric currents *100 Years of Theosophy* Joy Mills, 1987 The colorful history of the Theosophical Society in America Although Helena P Blavatsky and Henry S Olcott founded the Theosophical Society in New York in 1875 they left the country in 1878 for India where they established the international headquarters It might seem that the three short years would not be long enough to establish firm roots here yet by 1886 there were 14 branches in cities as far flung as St Louis Boston Los Angeles and San Francisco The American Section was formally chartered in 1886 and this book was published in 1987 a century as full of events and change for the Society as for the country itself *The American Theosophist*, 1910 *A History of Conversion to Islam in the United States, Volume 1* Patrick D. Bowen, 2015-08-17 A History of Conversion to Islam in the United States Volume 1 White American Muslims before 1975 is the first in depth study of the thousands of white Americans who embraced Islam between 1800 and 1975 Drawing from little known archives interviews and rare books and periodicals Patrick D Bowen unravels the complex social and religious factors that led to the emergence of a wide variety of American Muslim and Sufi conversion movements While some of the more prominent Muslim and Sufi converts including Alexander Webb Maryam Jameelah and Samuel Lewis have received attention in previous studies White American Muslims before 1975 is the first book to highlight previously unknown but important figures including Thomas M Johnson Louis Glick Nadirah Osman and T B Irving *The Occult in America* Howard Kerr, Charles L. Crow, 1986 Provides information on the occult over various periods of time *Handbook of the Theosophical Current* Olav Hammer, Mikael Rothstein, 2013-01-09 This title represents pioneering research into an important but under researched current The three sections in the book are devoted to the Theosophical Society Theosophically influenced religious currents and the interaction between Theosophy and surrounding culture **America's Communal Utopias** Donald E. Pitzer, 2010-01-20 From the Shakers to the Branch Davidians America's communal utopians have captured the popular imagination Seventeen original essays here demonstrate the relevance of such groups to the mainstream of American social religious and economic life The contributors examine the beliefs and practices of the most prominent utopian communities founded before 1965 including the long overlooked Catholic monastic communities and Jewish agricultural colonies Also featured are the Ephrata Baptists Moravians Shakers Harmonists Hutterites Inspirationists of Amana Mormons Owenites Fourierists Icarians Janssonists Theosophists Cyrus Teed's Koreshans

and Father Divine's Peace Mission Based on a new conceptual framework known as developmental communalism the book examines these utopian movements throughout the course of their development before during and after their communal period Each chapter includes a brief chronology giving basic information about the group discussed An appendix presents the most complete list of American utopian communities ever published The contributors are Jonathan G Andelson Karl J R Arndt Pearl W Bartelt Priscilla J Brewer Donald F Durnbaugh Lawrence Foster Carl J Guarneri Robert V Hine Gertrude E Huntington James E Landing Dean L May Lawrence J McCrank J Gordon Melton Donald E Pitzer Robert P Sutton Jon Wagner and Robert S Weisbrot
