American Funeral LeRoy Bowman,1973 *The American Funeral* LeRoy E. Bowman,1976 **The American Funeral** LeRoy Bowman,1973 In its secular aspects the American funeral appears to be an anachronism an elaboration of earlier customs rather than the adaptation to modern needs that it should be Properly employed it is a highly useful and essential function of society Improperly used it deteriorates into little more than a shabby opportunity to exploit or impoverish bereaved families The purpose of this study is to acquaint the reader with the basis of charges of commercial exploitation directed at undertakers to ascertain what peculiar circumstances influence the methods he uses and to uncover the social and psychological factors that underlie conspicuous display The research for this study was carried on over a period of five years This scientific effort is made to ascertain if the positive functions anthropologists have assigned to funerary rites as observed in other societies also pertain to the funerals of modern industrialized societies particularly American society

The American Funeral LeRoy Bowman,1959 **One Nation Under God?** Marjorie Garber,Rebecca Walkowitz,2013-09-13 One Nation Under God is a remarkable consideration of how religion manifests itself in America today

Robben,2018-05-11 A thought provoking examination of death dying and the afterlife Prominent scholars present their most recent work about mortuary rituals grief and mourning genocide cyclical processes of life and death biomedical developments and the materiality of human corpses in this unique and illuminating book Interrogating our most common practices surrounding death the authors ask such questions as How does the state wrest away control over the dead from bereaved relatives Why do many mourners refuse to cut their emotional ties to the dead and nurture lasting bonds Is death a final condition or can human remains acquire agency The book is a refreshing reassessment of these issues and practices a source of theoretical inspiration in the study of death With contributions written by an international team of experts in their fields A Companion to the Anthropology of Death is presented in six parts and covers such subjects as Governing the Dead in Guatemala After Death Communications ADCs in North America Cryonic Suspension in the Secular Age Blood and Organ Donation in China The Fragility of Biomedicine and more A Companion to the Anthropology of Death is a comprehensive and accessible volume and an ideal resource for senior undergraduate and graduate students in courses such as Anthropology of Death Medical Anthropology Anthropology of Violence Anthropology of the Body and Political Anthropology Written by leading international scholars in their fields A comprehensive survey of the most recent empirical research in the anthropology of death A fundamental critique of the early 20th century founding fathers of the anthropology of death Cross cultural texts from tribal and industrial societies The collection is of interest to anyone concerned with the consequences of the state and massive violence on life and death

The American Funeral; a Study in Guilt, Extravagance, and Sublimity. Introd. by Harry A. Overstreet LeRoy

Bowman, *Preserved* Dean G. Lampros, 2024-03-26 A spirited look at how funeral homes impacted American consumerism the built environment and national identities Funeral homes those grand aging mansions repurposed into spaces for embalming merchandising funeral services and housing for the funeral director and their family are immediately recognizable features of the American landscape and yet the history of how these spaces emerged remains largely untold In *Preserved* Dean Lampros uses the history of this uniquely American architectural icon to explore the twentieth century s expanding consumer landscape and reveal how buildings can help construct identities Across the United States Lampros traces the funeral industry s early twentieth century exodus from gloomy downtown undertaking parlors to outmoded Victorian houses in residential districts As savvy retailers and accidental preservationists funeral directors refashioned the interiors into sumptuous retail settings that stimulated consumer demand for luxury burial goods These spaces allowed for more privacy and more parking and they helped turn Americans away from traditional home funerals toward funeral homes instead Moreover by moving into neighborhoods that were once the domain of white elites African American funeral directors uplifted their industry and altered the landscape of white supremacy The funeral home has tracked major changes in American culture including an increased reliance on the automobile and the rise of consumer culture *Preserved* offers an in depth cultural history of a space that is both instantly familiar and largely misunderstood *Mortuary Science* John F. Szabo, 2002 Szabo presents a thorough bibliographical examination of the funeral industry and related subjects Most citations are annotated with special notes on editions and reprints *Death and Dying* Richard Kalish, 2019-04-09 Death is a constant in every society but each of the world s cultures views the end of life differently This book examines beliefs about dying burial and life after death held by peoples of wide ranging societies **Death and Religion in a Changing World** Kathleen Garces-Foley, 2014-12-18 This comprehensive study of the intersection of death and religion offers a unique look at how religious people approach death in the twenty first century Previous scholarship has largely focused on traditional beliefs and paid little attention to how religious traditions evolve in relation to their changing social context Employing a sociological approach *Death and Religion in a Changing World* describes how people from a wide variety of faiths draw on and adapt traditional beliefs and practices as they deal with death in modern societies The book includes coverage of newly emerging social and religious phenomena that are only just beginning to be analyzed by religion scholars such as public shrines the role of the media spiritual bereavement groups and the use of the Internet in death practices *The Afterlife in Popular Culture* Kevin O'Neill, 2022-06-17 *The Afterlife in Popular Culture* Heaven Hell and the Underworld in the American Imagination gives students a fresh look at how Americans view the afterlife helping readers understand how it s depicted in popular culture What happens to us when we die The book seeks to explore how that question has been answered in American popular culture It begins with five framing essays that provide historical and intellectual background on ideas about the afterlife in Western culture These essays are followed by more than 100 entries each focusing on specific cultural

products or authors that feature the afterlife front and center Entry topics include novels film television shows plays works of nonfiction graphic novels and more all of which address some aspect of what may await us after our passing This book is unique in marrying a historical overview of the afterlife with detailed analyses of particular cultural products such as films and novels In addition it covers these topics in nonspecialist language written with a student audience in mind The book provides historical context for contemporary depictions of the afterlife addressed in the entries which deal specifically with work produced in the 20th and 21st centuries Watchdogs and Whistleblowers Stephen Brobeck, Robert N.

Mayer, 2015-07-20 This book is the most comprehensive and up to date source of information about ways in which consumer activism has reshaped the economic and political well being of citizens in the United States and around the world This all encompassing collection of information about consumer activism and the consumer movement will provide students public officials business groups and other activists with a one stop source of facts and insights The contributors explore hundreds of major consumer protections that have significantly enhanced the quality of life and safety for all Americans showing how these protections were won through the skillful and determined work of leading activists and activist organizations Many of the stories told here are related by the activists themselves often for the first time More than 140 entries offer a comprehensive treatment of the consumer activism of specific organizations their leaders and strategies The book also includes more than 40 entries about consumer movements in Europe Asia Africa and Latin America A timeline of key events and a listing of the most important books on the subject of consumer activism help provide context for the individual entries as do two introductory essays Cross references in each entry establish linkages among topics The Routledge Companion to Death and Dying Christopher Moreman, 2017-05-18

Few issues apply universally to people as poignantly as death and dying All religions address concerns with death from the handling of human remains to defining death to suggesting what happens after life The Routledge Companion to Death and Dying provides readers with an overview of the study of death and dying Questions of death mortality and more recently of end of life care have long been important ones and scholars from a range of fields have approached the topic in a number of ways Comprising over fifty two chapters from a team of international contributors the companion covers funerary and mourning practices concepts of the afterlife psychological issues associated with death and dying clinical and ethical issues philosophical issues death and dying as represented in popular culture This comprehensive collection of essays will bring together perspectives from fields as diverse as history philosophy literature psychology archaeology and religious studies while including various religious traditions including established religions like Christianity Judaism Islam Hinduism and Buddhism as well as new or less widely known traditions such as the Spiritualist Movement the Church of Latter Day Saints and Rastafarianism The Routledge Companion to Death and Dying is essential reading for students and researchers in religious studies philosophy and literature **Death in America** David E.

Stannard, 2017-01-30 No detailed description available for Death in America *The Deritualization of Death* Charles Lynn

Gibson,2019-10-15 The problematic field of investigation for this study was for the care of bereaved human beings in the context of significant cultural shifts now shaping the twenty first century Deritualization was identified as a significant interdisciplinary concern that contributes to potential distress in processes of grieving The objective of the research was the development of a practical theology of compassionate caregiving for the bereaved with deference to the problem of deritualization The theoretical framework was guided by the Oxford Interdisciplinary Research model and the Loyola Institute of Ministries model of practical theology The study was designed for applied research for funeral directors and vocational pastors utilizing qualitative research methods Hermeneutical and empirical components addressed six research questions through two domains of inquiry disciplinary perspectives and educational dynamics of bereavement caregiving Using the method of hermeneutics to critically evaluate the first two research questions three disciplinary fields of knowledge were examined and integrated from the perspective of pastoral care funeral service bereavement psychology and practical theology Each discipline individually converged upon meaningful caregiving meaning reconstruction and meaning reframing as significant modes of bereavement care Using ethnographic semi structured interviews to critically evaluate the remaining four research questions data were collected from a Christian university and a mortuary college The interview questionnaire included twenty five main questions organized in four parts Philosophy of Education Hermeneutics of Bereaved Families Care of Bereaved Families and Encounter of Bereaved Families The study utilized two cycles of qualitative coding techniques to report the findings of each participating school A hybrid form of in vivo and holistic coding as well as a second cycle of pattern coding distilled the interview responses into actionable statements that reinforced bereavement caregiving By synthesizing all of the findings a compelling case was made for a paradigm of comforting presence supported by principles from a Louwian perspective of practical theology including theological anthropology promissiotherapy bipolarity and hermeneutics The study connected a philosophy of meaning reframing and a paradigm of comforting presence to a meta theoretical framework within a narrative approach to care The research elucidated an interdisciplinary understanding that contributed toward a compassionate practical theology of caregiving for the bereaved Last Rites Glennys

Howarth,2016-11-03 First Published in 2017 This book examines death rituals and the social significance of undertaking in western society and presents an ethnographic account of funeral directing in an area of east London which for the purposes of anonymity It is concerned with undertakers perceptions and organization of death rituals **Encyclopedia of Death and**

Dying Glennys Howarth,Oliver Leaman,2003-12-16 In recent years there has been a massive upsurge in academic professional and lay interest in mortality This is reflected in academic and professional literature in the popular media and in the proliferation of professional roles and training courses associated with aspects of death and dying Until now the majority of reference material on death and dying has been designed for particular disciplinary audiences and has addressed only specific academic or professional concerns There has been an urgent need for an authoritative but accessible reference work

reflecting the multidisciplinary nature of the field This Encyclopedia answers that need The Encyclopedia of Death and Dying consolidates and contextualizes the disparate research that has been carried out to date The phenomena of death and dying and its related concepts are explored and explained in depth from the approaches of varied disciplines and related professions in the arts social sciences humanities medicine and the sciences In addition to scholars and students in the field from anthropologists and sociologists to art and social historians the Encyclopedia will be of interest to other professionals and practitioners whose work brings them into contact with dying dead and bereaved people It will be welcomed as the definitive death and dying reference source and an essential tool for teaching research and independent study Purified by Fire Stephen Prothero, 2001-02-15 Just one hundred years ago Americans almost universally condemned cremation Today nearly one quarter of Americans choose to be cremated The practice has gained wide acceptance as a funeral rite in both our private and public lives as the cremations of icons such as John Lennon and John F Kennedy Jr show Purified by Fire tells the fascinating story of cremation s rise from notoriety to legitimacy and takes a provocative new look at important transformations in the American cultural landscape over the last 150 years Stephen Prothero synthesizes a wide array of previously untapped source material including newspapers consumer guides mortician trade journals and popular magazines such as Reader s Digest to provide this first historical study of cremation in the United States He vividly describes many noteworthy events from the much criticized first American cremation in 1876 to the death and cremation of Jerry Garcia in the late twentieth century From the Gilded Age to the Progressive Era to the baby boomers of today this book takes us on a tour through American culture and traces our changing attitudes toward death religion public health the body and the environment
