The Kilkenny Incest Case Alison Cooper, Kieron Wood, 1993

Criminal Justice in Ireland Paul O'Mahony, 2002

Comprehensive overview of the Irish criminal justice system its current problems and its vision for the future Collection of essays by major office holders experienced practitioners leading academics legal scholars sociologists psychologists philosophers and educationalists

Sophia's Story Susan McKay, 2004-02-18 In 1995 Sophia McColgan's father was sentenced to prison for the serial rape and abuse of his children over many years He had first raped Sophia when she was only six It had taken immense courage on the part of Sophia and her family to bring the murky hidden world of family child abuse to the public gaze Then in 1998 Susan McKay published *Sophia's Story* one of the most acclaimed Irish books of modern times Now re issued with a new introduction by Susan McKay it records a triumph of the human spirit in the face of the most degrading and destructive betrayal of trust Sophia McColgan who now lives abroad was Irish Person of the Year in 1998

Dark Secrets of Childhood Powell, Fred, Scanlon, Margaret, 2015-05-06 Over the last few decades public opinion has been traumatised by revelations of child abuse on a mass scale It has become the major human rights story of the 21st century in Western society This ground breaking book explores the relationship between the media child abuse and shifting adult child power relations which in Western countries has spawned an ever expanding range of laws policies and procedures introduced to address the explosion of interest in the issue of child abuse Allegations of child sexual abuse by Roman Catholic clergy in Ireland and its cover up by Church authorities have given rise to one of the greatest institutional scandals of modern history Through in depth analysis of 20 years of media representation of the issue the book draws significant insights on the media's influence and its impact on civil society Highly topical and of interest and relevance to lecturers and researchers in the areas of childhood studies sociology of childhood child protection and social work social and public policy and human rights as well as policymakers this book provides an important contribution to the international debate about child abuse as reflected to the public through the power of the media

Child Pornography Ian O'Donnell, Claire Milner, 2012-12-06 This book explores the enduring appeal of child pornography and its ramifications for criminal justice systems around the world It is based on an extensive review of academic literature and newspaper coverage a trawl of websites frequented by those with a sexual interest in children a survey of how police investigate these offences examination of prosecutors decisions and interviews with judges It provides a framework for understanding the contemporary nature of this problem especially the harms it causes its intimate relationship with new technologies and the challenges it poses to law enforcement authorities The internet plays a pivotal role Its sheer size the anarchic way it grows the lack of any boundaries to its expansion and its disregard for national borders make it a legal environment without parallel An unwavering focus on the threat of sexual abuse has contributed to the emergence of a context where routine dealings with children are viewed through a paedophilic lens This can have the unfortunate consequence of distracting attention from more urgent concerns

such as poverty and neglect which make children vulnerable to sexual exploitation In this way an emphasis on the sexualisation of children could be said to aggravate the problem that it sets out to address The book provides a comprehensive analysis of child pornography issues in all of their complexity including legal psychological criminal justice and social perspectives presents significant volume of original empirical data gathered from police prosecutors and judges includes new qualitative and quantitative information set against a background of shifting international developments The analysis is explicitly comparative draws on a variety of sources including support groups for paedophiles newspaper coverage of court cases involving child pornography victim testimony and police operations

The Oxford History of British and Irish Catholicism, Volume V Alana Harris,2023-09-01 The fifth volume of The Oxford History of British Irish Catholicism covering the period from the Great War through the Second World War and the Second Vatican Council surveys the transformed ecclesial landscape between the papacies of Benedict XV and Pope Francis It explores the efforts of bishops priests and people in Ireland and Scotland Wales and England to respond to modern challenges and reintegrate the experiences and expertise of the laity into the ministry of the Church Alongside the twentieth century s designation as an era of technological innovation war peace globalization decolonization and liberation this period has also been designated the People s Century Viewed through the lens of the Catholic church in Britain and Ireland these same dynamics are explored within thematic synoptic chapters by leading scholars As a century characterized by the rise or better renewal of the apostolate of the laity this edited collection traces the struggles to reconcile tradition re evaluate hierarchical authority adapt to social and educational mobility as well as to adjudicate serious challenges from outside and within including inflammatory biopolitics and clerical sexual abuse to religious belief and the legitimacy of the Church as an institution

The victim in the Irish criminal process Shane Kilcommmins,Susan Leahy,Kathleen Moore Walsh,Eimear Spain,2018-03-20 Concern for crime victims has been a growing political issue in improving the legitimacy and success of the criminal justice system through the rhetoric of rights Since the 1970s there have been numerous reforms and policy documents produced to enhance victims satisfaction in the criminal justice system The Republic of Ireland has seen a sea change in more recent years from a focus on services for victims to a greater emphasis on procedural rights The purpose of this book is to chart these reforms against the backdrop of wider political and regional changes emanating from the European Union and the European Court of Human Rights and to critically examine whether the position of crime victims has actually ameliorated The book discusses the historical and theoretical concern for crime victims in the criminal justice system examines the variety of forms of legal and service provision inclusion and concludes by analysing the various needs of victims which continue to be unmet

Hard Cases - True Stories of Irish Crime Gene Kerrigan,2005-02-08 From crime to verdict award winning journalist Gene Kerrigan tells the brutal stories of some of Ireland s most notorious murders kidnappings and violent attacks Hard Cases is a collection of startling stories about the reality of crime and court cases in Ireland In these stories there are no

crime bosses with quaint nicknames the police don't collect convenient clues that tell them whodunnit. Instead it contains cases both famous and obscure in which the outcome is sometimes just sometimes unsettling and always complicated in which there are no easy answers and no simple victims. In *Hard Cases* you will delve into the criminal underworld of Ireland starting with the tale of Dessie O'Hare which records in breathtaking detail the inside story of a notorious kidnapping. There's the story of Karl Crawley a sometimes gentle sometimes wild young Dublin man who found a shocking way of fighting back against authority. Then there's the story of Peter Matthews who went into a police station to answer questions about a petty crime and ended up dead with garda covering up the reason why. *Hard Cases* also exposes the story behind some of Ireland's most infamous crime scenes: how did Fr Molloy come to die in the bedroom of his married friends? What happened when Christy Payne came home to find his daughter's boyfriend wielding a hatchet? *Hard Cases* is a must-read revealing the true stories behind some of Ireland's most famous headlines and exposing the machinations of the Irish justice system. It is a shocking and fascinating snapshot of Irish crime criminals and court cases. *Irish National Cinema* Ruth Barton, 2004. Ruth Barton argues that in order to understand the position of filmmaking in Ireland and the inheritance on which contemporary filmmakers draw definitions of the Irish culture and identity must take into account the Irish diaspora and engage with its cinema. **Irish Society** Patrick Clancy, 1995.

The Kilkenny Incest Case Introduction

In the digital age, access to information has become easier than ever before. The ability to download The Kilkenny Incest Case has revolutionized the way we consume written content. Whether you are a student looking for course material, an avid reader searching for your next favorite book, or a professional seeking research papers, the option to download The Kilkenny Incest Case has opened up a world of possibilities. Downloading The Kilkenny Incest Case provides numerous advantages over physical copies of books and documents. Firstly, it is incredibly convenient. Gone are the days of carrying around heavy textbooks or bulky folders filled with papers. With the click of a button, you can gain immediate access to valuable resources on any device. This convenience allows for efficient studying, researching, and reading on the go. Moreover, the cost-effective nature of downloading The Kilkenny Incest Case has democratized knowledge. Traditional books and academic journals can be expensive, making it difficult for individuals with limited financial resources to access information. By offering free PDF downloads, publishers and authors are enabling a wider audience to benefit from their work. This inclusivity promotes equal opportunities for learning and personal growth. There are numerous websites and platforms where individuals can download The Kilkenny Incest Case. These websites range from academic databases offering research papers and journals to online libraries with an expansive collection of books from various genres. Many authors and publishers also upload their work to specific websites, granting readers access to their content without any charge. These platforms not only provide access to existing literature but also serve as an excellent platform for undiscovered authors to share their work with the world. However, it is essential to be cautious while downloading The Kilkenny Incest Case. Some websites may offer pirated or illegally obtained copies of copyrighted material. Engaging in such activities not only violates copyright laws but also undermines the efforts of authors, publishers, and researchers. To ensure ethical downloading, it is advisable to utilize reputable websites that prioritize the legal distribution of content. When downloading The Kilkenny Incest Case, users should also consider the potential security risks associated with online platforms. Malicious actors may exploit vulnerabilities in unprotected websites to distribute malware or steal personal information. To protect themselves, individuals should ensure their devices have reliable antivirus software installed and validate the legitimacy of the websites they are downloading from. In conclusion, the ability to download The Kilkenny Incest Case has transformed the way we access information. With the convenience, cost-effectiveness, and accessibility it offers, free PDF downloads have become a popular choice for students, researchers, and book lovers worldwide. However, it is crucial to engage in ethical downloading practices and prioritize personal security when utilizing online platforms. By doing so, individuals can make the most of the vast array of free PDF resources available and embark on a journey of continuous learning and intellectual growth.
