As a nineteen year old he had heard that one of his brothers had been killed in the Battle of Goliad an early confrontation in the Texan war of independence with Mexico and swore to travel West to take pay of the Mexicans for his brother s death In the following years he fought time and again against the Mexicans for the newly formed Republic of Texas and saw action at Salado Creek Hondo River and during the Mier Campaign After returning for the wars in Mexico he abandoned the Texan military and joined the Texas Rangers under the leadership of John Coffee Hays and served for a number of years defending Texans against Native American and border bandits along the frontier This riotous narrative of the adventures of one of the saltiest and most individualistic pioneer Indian fighters that the state ever produced is told in a leisurely satirical fashion that reflects a way of life long since lost Duval s chronicle of one of Texas greatest adventurers is filled with Wallace s humor and colorful speech Wallace emerges from the book in all his vigor and robustness and the reader is transported to a rugged uncultivated frontier where a few men who were rough enough were carving out a new empire The flavor and the spirit of early Texas have been captured for countless readers by John C Duval s Big Foot Wallace About one fourth of Big Foot Wallace is devoted to a detailed account of Wallace s experiences in the Mier Expedition The remainder of the book deals with his adventures on the frontiers of Texas as an Indian fighter a soldier of fortune and a member of the first company of Rangers John C Duval the author of Big Foot Wallace has been called the first man of letters in Texas Earlier Texans devoted their time to writing about politics and land but Duval wrote of the frontier and its people with a clarity of perception equaled by few writers in any period Duval was a man of the camp and range Civilization did not fit him very well and he spent much of his time in the wilderness alone Like his friend and companion Big Foot Wallace Duval was an adventurer whose

experiences were varied and exciting In Big Foot Wallace Duval relates a number of his experiences that had been shared with Wallace Writing late in life Duval set down memories of events that had mellowed with time He strove for pictorial and dramatic effects not historical accuracy Still Big Foot Wallace has been acclaimed by historians for its amazing accuracy This book was published in 1870 Duval passed away in 1897 and Wallace in 1899 *A Facsimile Reproduction of the Adventures of Big-Foot Wallace, the Texas Ranger and Hunter* John Crittenden Duval,1870 *Adventures of Big-Foot Wallace: The Texas Ranger and Hunter (Illustrated)* John Crittenden Duval,2023-12-27 In *Adventures of Big Foot Wallace The Texas Ranger and Hunter* John Crittenden Duval crafts an engaging narrative that encapsulates the rugged spirit of 19th century Texas Combining elements of adventure biography and folklore the book presents the life of William A Big Foot Wallace a celebrated Texas Ranger known for his exploits in both law enforcement and hunting Duval s vivid prose and illustrative content breathe life into Wallace s daring escapades reflecting the cultural context of frontier America where heroism and mythos intertwine The period s themes of bravery exploration and the burgeoning American identity resonate throughout making the text a notable contribution to regional literature John Crittenden Duval a contemporary of Wallace grew up in the unstable frontier of Texas experiences that heavily influenced his writing As both a soldier and a pioneer Duval had a front row seat to the trials and tribulations of life on the frontier His intimate knowledge of Texas s landscapes and its people informs this work capturing the zeitgeist of an era marked by conflict adventure and settlement while establishing him as a crucial voice in American frontier literature This book is highly recommended for readers who seek a captivating blend of historical fact and thrilling narrative Whether you are a fan of Western lore American history or illustrated biographies Duval s work offers a rich tapestry of adventure and personality that promises to engage and enlighten *Adventures of Big Foot Wallace* stands as a testament to the extraordinary lives of those who shaped the Great West **The Adventures of Big-Foot Wallace, by John C.
