Television Series and Specials Scripts, 1946-1992 ,2009-10-21 In the early days of television many of its actors writers producers and directors came from radio This crossover endowed the American Radio Archives with a treasure trove of television documents The collected scripts span more than 40 years of American television history from live broadcasts of the 1940s to the late 1980s They also cover the entire spectrum of television entertainment programming including comedies soap operas dramas westerns and crime series The archives cover nearly 1 200 programs represented by more than 6 000 individual scripts Includes an index of personal names program and episode titles and production companies as well as a glossary of industry terms

Television Introductions Vincent Terrace,2013-11-07 Since the beginning of network television many shows have been preceded by an announcement or theme song that served various purposes In the 1950s and 60s it was common for announcers to declare that a program had been brought to you by a sponsor who paid for the privilege of introducing a show Other programs such as The Twilight Zone Star Trek and The Odd Couple provided a brief encapsulation of the show s subject matter a practice that has continued for recent shows like Alias Battlestar Galactica Person of Interest and the various editions of Law Order In Television Introductions Narrated TV Program Openings since 1949 Vincent Terrace has assembled openings for more than nine hundred television shows from the past seven decades The only documented history of narrated television program introductions this volume is arranged by type of programming such as comedy drama Western game show soap opera and children s show In addition to quoting the opening material entries provide information about each show s network history and years of broadcast Many entries include descriptions of the show the names of announcers and a list of main cast members as well as a sponsor pitch exactly as spoken Openings for programs with multiple introductions like The Adventures of Ozzie and Harriet and Charlie s Angels are also included For programs that featured new guest stars every episode such as game shows and variety programs Terrace has selected a representative introduction In addition to the theme song credits found in the main text there are also appendixes of theme songs and their composers and or singers as well as a listing of commercial releases on DVD VHS CD and LP of shows and their soundtracks A comprehensive resource for researchers and pop culture aficionados alike Television Introductions provides a fascinating look at this neglected part of TV history

Single Season Sitcoms, 1948-1979 Bob Leszczak, 2012-11-16 This book finally casts a spotlight on some short lived and almost forgotten sitcoms those which aired for only one single season Many books have already been written about situation comedies that enjoyed long and storied runs on television but this volume focuses upon the others Overflowing with fresh facts interviews photographs and stories nearly 300 short lived sitcoms over a 32 year span are presented A to Z whether network or syndicated prime time or Saturday morning Irwin Allen Television Productions, 1964-1970 Jon Abbott, 2015-06-14 Before establishing himself as the master of disaster with the 1970s films *The Poseidon Adventure* and *The Towering Inferno* Irwin Allen created four of television s most exciting and enduring science fiction series *Voyage to the Bottom of the Sea* *Lost in Space* *The Time Tunnel* and *Land of the Giants* These 1960s series were full of Allen s favorite tricks techniques and characteristic touches and influenced other productions from the original *Star Trek* forward Every science fiction show owes something to Allen yet none has equaled his series pace excitement or originality This detailed examination and documentation of the premise and origin of the four shows offers an objective evaluation of every episode and demonstrates that when Irwin Allen s television episodes were good they were great and when they were bad they were still terrific fun Great American Sitcoms of the 1950s Jackson Upperco, 2025-02-07 With a unique definition of the classic situation comedy television genre as developed out of its history on radio this critical study highlights the best American sitcoms from the 1950s TV s first decade as a household medium Everything from *I Love Lucy* to *Dobie Gillis* is covered with a rigorous evaluation that seeks to find this formative era s finest episodic samples that most prove the sitcom s inherent artistry Encyclopedia of Television Shows Vincent Terrace, 2024-02-15 There were between January 1 2017 and December 31 2022 1 559 television series broadcast on three platforms broadcast TV cable TV and streaming services This book the second supplement to the original *Encyclopedia of Television Shows* 1925 2010 presents detailed information on each program including storylines casts character and performer years of broadcast trivia facts and network cable or streaming information Along with the traditional network channels and cable services the newest streaming services like Amazon Prime Video and Disney Plus and pioneering streaming services like Netflix and Hulu are covered The book includes a section devoted to reality series and foreign series broadcast in the U S for the first time from 2017 to 2022 a listing of the series broadcast from 2011 through 2016 which are contained in the prior supplement and an index of performers *Total Television* Alex McNeil, 1991 **Regret the Error** Craig Silverman, 2010-09-10 We regret the error it s a phrase that appears in newspapers almost daily the standard notice that something went terribly wrong in the reporting editing or printing of an article From Craig Silverman the proprietor of www.RegretTheError.com one of the Internet s most popular media related websites comes a collection of funny shocking and sometimes disturbing journalistic slip ups and corrections On display are all types of media inaccuracy from fuzzy math to obiticide printing the obituary of a person very much alive and well to complete and utter ethical lapses While some of the errors can be laugh out loud funny the book contains a

sobering journey through the history of media mistakes including the outrageous hoaxes that dominated newspapers during the circulation wars of the 19th century and a serious muckraking investigation of contemporary journalism's lack of accountability to the public. It shines a spotlight on the media's carelessness and the sometimes tragic and calamitous consequences of weak or non-existent fact checking.

Harold Rosenberg Debra Bricker Balken, 2021-10-06 Despite being one of the foremost American intellectuals of the mid twentieth century Harold Rosenberg 1906-1978 was utterly incapable of fitting in and he liked it that way. Signature cane in one hand and a cigarette in the other he cut a distinctive figure on the New York City culture scene with his radiant dark eyes and black bushy brows. A gangly giant at six foot four he would tower over others as he forcefully expounded on his latest obsession in an oddly high pitched nasal voice. And people would listen captivated by his ideas. With *Harold Rosenberg: A Critic's Life* Debra Bricker Balken offers the first ever complete biography of this great and eccentric man. Although he is now known mainly for his role as an art critic at the New Yorker from 1962 to 1978 Balken weaves together a complete tapestry of Rosenberg's life and literary production cast against the dynamic intellectual and social ferment of his time. She explores his role in some of the most contentious cultural debates of the Cold War period including those over the commodification of art and the erosion of individuality in favor of celebrity demonstrated in his famous essay *The Herd of Independent Minds*. An outspoken socialist and advocate for the political agency of art he formed deep alliances with figures such as Hannah Arendt, Saul Bellow, Paul Goodman, Mary McCarthy, Jean Paul Sartre, Willem de Kooning and Jackson Pollock, all of whom Balken portrays with vivid accounts from Rosenberg's life. Thoroughly researched and captivantly written, this book tells in full Rosenberg's brilliant, fiercely independent life and the five decades in which he played a leading role in US cultural, intellectual and political history.

Cronkite's War Walter Cronkite, IV, Maurice Isserman, 2013-05-07 A giant in American journalism in the vanguard of The Greatest Generation reveals his World War II experiences in this National Geographic book. Walter Cronkite, an obscure 23 year old United Press wire service reporter, married Betsy Maxwell on March 30, 1940 following a four year courtship. She proved to be the love of his life and their marriage lasted happily until her death in 2005. But before Walter and Betsy Cronkite celebrated their second anniversary he became a credentialed war correspondent preparing to leave her behind to go overseas. The couple spent months apart in the summer and fall of 1942 as Cronkite sailed on convoys to England and North Africa across the submarine-infested waters of the North Atlantic. After a brief December leave in New York City spent with his young wife, Cronkite left again on assignment for England. This time the two would not be reunited until the end of the war in Europe. Cronkite would console himself during their absence by writing her long, detailed letters, sometimes five in a week, describing his experiences as a war correspondent, his observations of life in wartime Europe and his longing for her. Betsy Cronkite carefully saved the letters, copying many to circulate among family and friends. More than a hundred of Cronkite's letters from 1943-45 plus a few earlier letters survive. They reveal surprising and little known facts about this storied public figure in the vanguard of The

Greatest Generation and a giant in American journalism and about his World War II experiences They chronicle both a great love story and a great war story as told by the reporter who would go on to become anchorman for the CBS Evening News with a reputation as the most trusted man in America Illustrated with heartwarming photos of Walter and Betsy Cronkite during the war from the family collection the book is edited by Cronkite's grandson CBS associate producer Walter Cronkite IV and esteemed historian Maurice Isserman the Publius Virgilius Rogers Professor of History at Hamilton College Now this historical portrait is new in paperback

Pardon This Intrusion John Clute, 2016-11-24 Pardon This Intrusion gathers together 47 pieces by John Clute some written as long ago as 1985 though most are recent The addresses and essays in Part One Fantastika in the World Storm all written in the twenty first century reflect upon the dynamic relationship between fantastika an umbrella term Clute uses to describe science fiction horror and fantasy and the world we live in now Of these pieces Next a contemporary response to 9 11 has not been revised everything else in Part One has been reworked sometimes extensively Parts Two Three and Four include essays and author studies and introductions to particular works as they are mostly recent Clute has felt free to rework them where necessary The few early pieces including Lunch with AJ and the WOMBATS a response to the Scientology scandal at the Brighton WorldCon in 1987 are unchanged [List of New Books ...](#)

When Books Went to War Molly Guptill Manning, 2014-12-02 This New York Times bestselling account of books parachuted to soldiers during WWII is a cultural history that does much to explain modern America USA Today When America entered World War II in 1941 we faced an enemy that had banned and burned 100 million books Outraged librarians launched a campaign to send free books to American troops gathering 20 million hardcover donations Two years later the War Department and the publishing industry stepped in with an extraordinary program 120 million specially printed paperbacks designed for troops to carry in their pockets and rucksacks in every theater of war These small lightweight Armed Services Editions were beloved by the troops and are still fondly remembered today Soldiers read them while waiting to land at Normandy in hellish trenches in the midst of battles in the Pacific in field hospitals and on long bombing flights This pioneering project not only lifted soldiers' spirits but also helped rescue The Great Gatsby from obscurity and made Betty Smith author of A Tree Grows in Brooklyn into a national icon A thoroughly engaging enlightening and often uplifting account I was enthralled and moved Tim O'Brien author of The Things They Carried Whether or not you're a book lover you'll be moved Entertainment Weekly
