The Affairs Of Anatol

E Durkheim

The Affairs Of Anatol:

Cecil B. DeMille and American Culture Sumiko Higashi,1994-12-02 Cecil B DeMille and American Culture demonstrates that the director best remembered for his overblown biblical epics was one of the most remarkable film pioneers of the Progressive Era In this innovative work which integrates cultural history and cultural studies Sumiko Higashi shows how DeMille artfully inserted cinema into genteel middle class culture by replicating in his films such spectacles as elaborate parlor games stage melodramas department store displays Orientalist world s fairs and civic pageantry The director not only established his signature as a film author by articulating middle class ideology across class and ethnic lines but by the 1920 s had become a trendsetter with set and costume designs that influenced the advertising industry to create a consumer culture based on female desire Drawing on a wealth of previously untapped material from the DeMille Archives and other collections Higashi provides imaginative readings of DeMille s early feature films viewing them in relation to the dynamics of social change and she documents the extent to which the emergence of popular culture was linked to the genteel tradition *The Saturday Evening Post* ,1921 SCC Library has 1974 89 plus scattered issues Marguerite Clark, America's Darling of Broadway and the Silent Screen William Curtis Nunn,1981 Ottomiller's Index to Plays in Collections Denise L.

Montgomery,2011-08-11 The standard location tool for full length plays published in collections and anthologies in England and the United States since the beginning of the 20th century Ottomiller s Index to Plays in Collections has undergone seven previous editions the latest in 1988 covering 1900 through 1985 In this new edition Denise Montgomery has expanded the volume to include collections published in the entire English speaking world through 2000 and beyond This new volume lists more than 3 500 new plays and 2 000 new authors as well as birth and or death information for hundreds of authors Representing the largest expansion between editions this updated volume is a valuable resource for libraries worldwide

Wallace Reid E.J. Fleming,2013-11-08 For a decade Wallace Reid was the most recognized face in Hollywood the most universally beloved actor in silent film Today all that is widely remembered of Wally Reid is that he died in a padded sanitarium cell the victim of a fatal morphine addiction Of all the actors who have enjoyed great fame only to vanish from the public eye Reid perhaps fell the fastest and the hardest This first full biography recounts Reid s complicated childhood his disrupted family history and his rise to film stardom despite these restricting factors It documents his myriad talents and accomplishments most notably his gift for brilliant onscreen acting The text explores in depth how the modern studio however unconsciously turned the popular star a well adjusted man with a loving family into a drug dependent mental patient within three years His death rocked the foundations of Hollywood and the huge new industry that he helped build nearly died with Dashing Wally Reid **Ottomiller's Index to Plays in Collections** John Henry Ottomiller,Denise L.

Montgomery,2011-08-11 The standard location tool for full length plays published in collections and anthologies in England and the United States since the beginning of the 20th century Ottomiller s Index to Plays in Collections has undergone seven

previous editions the latest in 1988 covering 1900 through 1985 In this new edition Denise Montgomery has expanded the volume to include collections published in the entire English speaking world through 2000 and beyond This new volume lists more than 3 500 new plays and 2 000 new authors as well as birth and or death information for hundreds of authors Representing the largest expansion between editions this updated volume is a valuable resource for libraries worldwide

The Oxford Guide to Plays Michael Patterson,2007 Anyone with an academic professional amateur or recreational interest in the theatre is likely to want to look up details of particular plays sometimes perhaps to check on the author or on when they were first performed or perhaps to see how many characters they have and whether or not they would be suitable for their theatre company or drama group to perform The Oxford Dictionary of Plays provides essential information on the 1000 best known best loved and most important plays in world theatre Each entry includes details of title author date of composition date of first performance genre setting and the composition of the cast and more A synopsis of the plot and a brief commentary perhaps on the context of the play or the reasons for its enduring popularity follow Around 80 of the most significant plays from The Oresteia to Waiting for Godot are dealt with in more detail Genres covered include burlesque comedy farce historical drama kabuki masque melodrama morality play mystery play No romantic comedy tragicomedy satire and tragedy An index of characters enables the reader to locate favourite characters and trace the trajectory of major historical and legendary characters such as Iphigenia through world drama including in plays that do not have entries in the Dictionary An index of playwrights with dates allows the reader to find all the plays included by a particular author The Judge ,1921 The Theatre ,1912 **Gloria Swanson** Stephen Michael Shearer,2025-01-07 A photographic tribute to Hollywood s first glamour queen Focusing on Gloria Swanson s sense of style and fashion the book contains hundreds of personal and professional photographs many never before published and running biographical commentary by Stephen Michael Shearer author of the definitive book of the star Gloria Swanson The Ultimate Star Cinema by Design Lucy Fischer,2017-03-14 Art Nouveau thrived from the late 1890s through the First World War The international design movement reveled in curvilinear forms and both playful and macabre visions and had a deep impact on cinematic art direction costuming gender representation genre and theme Though historians have long dismissed Art Nouveau as a decadent cultural mode its tremendous afterlife in cinema proves otherwise In Cinema by Design Lucy Fischer traces Art Nouveau s long history in films from various decades and global locales appreciating the movement s enduring avant garde aesthetics and dynamic ideology Fischer begins with the portrayal of women and nature in the magical trick films of the Spanish director Segundo de Chom n the elite dress and d cor design choices in Cecil B DeMille s The Affairs of Anatol 1921 and the mise en sc ne of fantasy in Raoul Walsh s The Thief of Bagdad 1924 Reading Salome 1923 Fischer shows how the cinema offered an engaging frame for adapting the risqu works of Oscar Wilde and Aubrey Beardsley Moving to the modern era Fischer focuses on a series of dramatic films including Michelangelo Antonioni s The Passenger 1975 that make creative use

of the architecture of Antoni Gaudí and several European works of horror *The Abominable Dr Phibes* 1971 *Deep Red* 1975 and *The Strange Color of Your Body's Tears* 2013 in which Art Nouveau architecture and narrative supply unique resonances in scenes of terror In later chapters she examines films like *Klimt* 2006 that portray the style in relation to the art world and ends by discussing the Art Nouveau revival in 1960s cinema Fischer's analysis brings into focus the partnership between Art Nouveau's fascination with the illogical and the unconventional and filmmakers' desire to upend viewers' perception of the world Her work explains why an art movement embedded in modernist sensibilities can flourish in contemporary film through its visions of nature gender sexuality and the exotic

Cecil B. DeMille's Hollywood Robert S. Birchard, 2004-06-29 A look at the wide-ranging work of the Golden Age genius who made *The Ten Commandments* and other blockbusters and helped found the American film industry Cecil B DeMille's *Hollywood* is a detailed and definitive chronicle of the director's screen work that changed the course of film history and a fascinating look at how movies were actually made in Hollywood's Golden Age Drawing extensively on DeMille's personal archives and other primary sources Robert S Birchard offers a revealing portrait of DeMille the filmmaker that goes behind studio gates and beyond DeMille's legendary persona In his forty-five year career DeMille's box office record was unsurpassed and his swaggering style established the public image for movie directors He had a profound impact on the way movies tell stories and brought greater attention to the elements of decor lighting and cinematography Best remembered today for screen spectacles such as *The Ten Commandments* and *Samson and Delilah* DeMille also created Westerns realistic chamber dramas and a series of daring and highly influential social comedies while setting the standard for Hollywood filmmakers and demanding absolute devotion to his creative vision from his writers artists actors and technicians Far and away the best film book published so far this year National Board of Review

Silent Films, 1877-1996 Robert K. Klepper, 2015-09-16 This film reference covers 646 silent motion pictures starting with Eadweard Muybridge's initial motion photography experiments in 1877 and even including *The Taxi Dancer* 1996 Among the genres included are classics dramas Westerns light comedies documentaries and even poorly produced early pornography Masterpieces such as *Joan the Woman* 1916 *Intolerance* 1916 and *Faust* 1926 can be found as well as rare titles that have not received critical attention since their original releases Each entry provides the most complete credits possible a full description critical commentary and an evaluation of the film's unique place in motion picture history Birth dates death dates and other facts are provided for the directors and players where available with a selection of photographs of those individuals The work is thoroughly indexed

The Bellman, 1912 *The Affairs of Anatol*, 2016 Cecil B DeMille directed this risqué all-star revue of decadence which must have been jaw-dropping in 1921 and which remains astonishing today although for entirely different reasons Anatol de Witt Spencer Wallace Reid as incredibly wealthy as he is naive and his child-like bride Vivian Gloria Swanson are on their honeymoon At a posh speakeasy he spies his high school sweetheart Emilie Wanda Hawley from Pompton Lakes New Jersey DeMille's own hometown who is obviously the sex toy of flamboyant

old Gordon Bronson known on Wall Street as the Man of Iron but here as the Man of Dough To Vivian's dismay idealistic Anatol decides to rescue the seductive Emilie sets her up in an expensive apartment and gets her violin lessons but she won't change her stripes and goes back to Bronson The Spencers then try a second honeymoon but they are no sooner settled into a simple country life than almost the same thing happens again this time with the thieving wife Agnes Ayres of a self-righteous deacon Monte Blue Not only does DeMille show women smoking drinking during Prohibition exposing body parts seldom seen on a movie screen and frankly pursuing men who attract them he also presents this debauchery with amazing visual flair DeMille clearly meant *The Affairs of Anatol* to be as much a decorative feast With design by Erte elegant Spencers honeymoon in sets that look like the work of Aubrey Beardsley on stimulants Satan Synne's cape and tiara look like an octopus made of pearls and all this exoticism is enriched by many striking and unusual lighting effects This edition is digitally mastered from an elaborate original print featuring hand coloring stencil coloring and dozens of changes in color tint and tone in itself a striking work of art *The Affairs of Anatol* is presented at a visually correct projection speed 21 frames per second with a digital stereo score compiled by Brian Benison from authentic silent cinema music *Red Vienna, White Socialism, and the Blues* Robert B. McFarland, 2015 Reveals Ann Tizia Leitch American correspondent for Austrian newspapers in the 1920s and 1930s as an important cultural mediator between the two countries **Cecil B. DeMille** Simon Louvish, 2008-03-04 Examines the life and work of the motion picture director best known for his biblical sagas including *Samson and Delilah* and *The Ten Commandments* discussing his complex personal life and the paradoxes existing within his films *Exhibitors Daily Review*, 1921 **The Lost World of DeMille** John Kobal, 2019-10-25 Longlisted for the 2020 Moving Image Book Award by the Kraszna Krausz Foundation As only an accomplished author consummate collector and savvy insider can John Kobal tells the story of the man who invented Hollywood Cecil Blount DeMille 1881-1959 Kobal narrates the story of DeMille's life and follows the director's career from his first film *The Squaw Man* in 1914 through the seventy films he directed culminating with *The Ten Commandments* in 1956 before his death in 1959 Even that first film received an enthusiastic response from the public and that popular enthusiasm would follow DeMille throughout his career DeMille got his start by observing a film being shot once standing for hours on a box looking through a window watching every move made by the director players and cameraman From that humble beginning he soon mastered the craft of directing and created one of show business's greatest careers Autocrat and artist DeMille immersed himself totally in each picture he directed and demanded complete fealty from his casts and crews DeMille was said to know more about what the American public wanted than anyone else in Hollywood He pushed the boundaries of censorship and audiences responded by forming long lines at the box office From the American West to ancient Egypt he created such magical films as *The Crusades* and *The Greatest Show on Earth* that brought vividly to life fantasies perfectly suited to post World War I and mid century America Kobal describes DeMille's impact on Hollywood as a director and showman He argues that this master filmmaker

stands for something largely lost in American filmmaking a sort of na ve generous big thinking self confidence a belief that all things are possible John Kobal wrote over thirty books on film and photography His final manuscript The Lost World of DeMille was completed shortly before his death in 1991 It is published at last by University Press of Mississippi
