The Airwaves Of Zion Radio And Religion In Appalachia

Christopher H. Sterling

The Airwaves Of Zion Radio And Religion In Appalachia:

The Airwaves of Zion Howard Dorgan, 1993 **The Airwaves of Zion** Howard Dorgan, 1993 Throughout central Appalachia small AM radio stations send forth a steady flow of country western and gospel music regional farm and industry news local advertising and public service information and a Sunday morning and sometimes afternoon fare of locally produced live religious broadcasts Many of these airwaves of Zion programs have become part of the established cultural base of this region having maintained their audiences for decades Nevertheless this genre is in danger of extinction as various social and economic forces combine with changes in the broadcast industry that threaten to drive these programs off the air For over twenty years Howard Dorgan has been listening to airwaves of Zion programs in the Appalachian regions of Virginia West Virginia Kentucky North Carolina and Tennessee Avoiding editorial judgment and academic theorization *The Airwaves of Zion* is Dorgan s first person report on his own reactions to the people and events he encountered during his years of research This ethnographic study provides an overview of radio evangelism in Appalachia by identifying its characteristics and origins and analyzing its present status Dorgan trains his scholar s eye on four case studies within the genre capturing not only the unique character of each of the respective programs and stations but a sense of the larger religious environments within which each case resides This book preserves an endangered segment of the Appalachian religious experience rich in the cultural values and evangelical traditions that make this region unique **Methods of Historical Analysis in Electronic Media** Donald G. Godfrey, 2006-08-15 *Methods of Historical Analysis in Electronic Media* provides a foundation for historical research in electronic media by addressing the literature and the methods traditional and the eclectic methods of scholarship as applied to electronic media It is about history broadcast electronic media history and history that has been broadcast and also about the historiography research written and the research yet to be written Divided into five parts this book addresses the challenges in the application of the historical methods to broadcast history reviews the various methods appropriate for electronic media research based on the nature of the object under study suggests new approaches to popular historical topics takes a broad topical look at history in broadcasting and provides a broad overview of what has been accomplished a historian s challenges and future research Intended for students and researchers in broadcast history *Methods of Historical Analysis in Electronic Media* provides an understanding of the qualitative methodological tools necessary for the study of electronic media history and illustrates how to find primary sources for electronic media research **Radio Fields** Lucas Bessire, Daniel Fisher, 2012-11-19 *Radio Fields* employs ethnographic methods to reveal the diverse domains in which radio is imagined deployed and understood Drawing on research from six continents the volume demonstrates how the particular capacities and practices of radio provide singular insight into diverse social worlds **Christianity in Appalachia** Bill J. Leonard, 1999 Religion has long been a source of identity for many Southerners and the Appalachian areas in particular have proven to be a virtual fortress protecting faith

and culture Yet in a region popularly thought to be religiously homogeneous congregations reflect a wide range of doctrinal differences over such issues as conversion ministerial leadership and the authority on which a church bases its core beliefs Profiling the prominent Christian traditions in southern Appalachia this book brings together contributions by twenty scholars who have long studied the religious practices found in the region's cities small towns and rural communities These authors provide insights into not only the independent mountain churches that are strongly linked to local customs but also the mainline and other religious bodies that have a significant presence in Appalachia but are not strictly associated with it The essays explore the nature of ministry within these various churches show the impact of broader culture on religion in the region and consider the question of whether previously isolated tradition based churches can retain their distinctiveness in a changing world One group of chapters focuses on elements of mountain religion as seen in the beliefs and practices of mountain Holiness folk serpent handlers and various Baptist traditions Later chapters review the history and activities of other denominations including Southern Baptist Presbyterian Wesleyan Holiness Church of God and Roman Catholic Also considered are the economic history of the region popular religiosity and the role of church affiliated colleges Taken together these essays offer a richly nuanced understanding of Christianity in Appalachia *Faith and Meaning in the Southern Uplands* Loyal Jones, 1999 Jones attacks what he sees as the historical dismissal of mountain religious life as supported by nineteenth and twentieth century missionary movements bent on changing mountain life through better religion He explores the creation and perpetuation of negative stereotypes as mainline Christians contended that Upland Christians had to be saved from themselves

The Concise Encyclopedia of American Radio Christopher H. Sterling, Cary O'Dell, 2010-04-12 The Concise Encyclopedia of American Radio is an essential single volume reference guide to this vital and evolving medium Comprised of more than 300 entries spanning the invention of radio to the Internet this reference work addresses personalities music genres regulations technology programming and stations the golden age of radio and other topics relating to radio broadcasting throughout its history The entries are updated throughout and the volume includes nine new entries on topics ranging from podcasting to the decline of radio *The Routledge Companion to Religion and Popular Culture* John C. Lyden, Eric Michael Mazur, 2015-03-27 Religion and popular culture is a fast growing field that spans a variety of disciplines This volume offers the first real survey of the field to date and provides a guide for the work of future scholars It explores key issues of definition and of methodology religious encounters with popular culture across media material culture and space ranging from videogames and social networks to cooking and kitsch architecture and national monuments representations of religious traditions in the media and popular culture including important non Western spheres such as Bollywood This Companion will serve as an enjoyable and informative resource for students and a stimulus to future scholarly work

Appalachia Inside Out: Conflict and change Robert J. Higgs, Ambrose N. Manning, Jim Wayne Miller, 1995 An anthology of Appalachia writings Appalachian Mountain Religion Deborah Vansau McCauley, 1995 A

monumental achievement Certainly the best thing written on Appalachian Religion and one of the best works on the region itself Deborah McCauley has made a winning argument that Appalachian religion is a true and authentic counter stream to modern mainstream Protestant religion Loyal Jones founding director of the Appalachian Center at Berea College Appalachian Mountain Religion is much more than a narrowly focused look at the religion of a region Within this largest regional and widely diverse religious tradition can be found the strings that tie it to all of American religious history The fierce drama between American Protestantism and Appalachian mountain religion has been played out for nearly two hundred years the struggle between piety and reason between the heart and the head has echoes reaching back even further from Continental Pietism and the Scots Irish of western Scotland and Ulster to Colonial Baptist revival culture and plain folk camp meeting religion Deborah Vansau McCauley places Appalachian mountain religion squarely at the center of American religious history depicting the interaction and dramatic conflicts between it and the denominations that comprise the Protestant mainstream She clarifies the tradition histories and symbol systems of the area s principally oral religious culture its worship practices and beliefs further illuminating the clash between mountain religion and the dominant religious culture of the United States This clash has helped to shape the course of American religious history The explorations in Appalachian Mountain Religion range from Puritan theology to liberation theology from Calvinism to the Holiness Pentecostal movements Within that wide realm and in the ongoing contention over religious values the many strains of American religious history can be heard

Encyclopedia of Radio 3-Volume Set Christopher H. Sterling, 2004-03 Produced in association with the Museum of Broadcast Communications in Chicago the Encyclopedia of Radio includes more than 600 entries covering major countries and regions of the world as well as specific programs and people networks and organizations regulation and policies audience research and radio s technology This encyclopedic work will be the first broadly conceived reference source on a medium that is now nearly eighty years old with essays that provide essential information on the subject as well as comment on the significance of the particular person organization or topic being examined

Radio Cultures Michael C. Keith, 2008 Radio Cultures examines the manifold ways in which radio has influenced the nation s social and cultural environment since its inception nearly a century ago Written by leading scholars in the field chapters address a wide range of topics including how this powerful medium has impacted and affected non mainstream segments of the population throughout its history and how these repressed and neglected groups have employed radio to counter and overcome discrimination and bias The use of the audio medium for political economic and religious purposes is comprehensively probed and analyzed in this insightful and innovative volume Back cover

The Language of Battered Women Carol L. Winkelmann, 2012-02-01 Winner of the 2005 Outstanding Book Award presented by the Organization for the Study of Communication Language and Gender OSCLG This study of battered women living in a shelter offers a rhetorical analysis of survivors personal theologies Author Carol L Winkelmann holds that while it is virtually ignored in the domestic violence literature the Christian heritage of many battered

women plays a significant if complicated role in their language thoughts and lives The women s religious faith serves not only to sustain them through periods of profound suffering but also to develop solidarity with other culturally different women in the shelter Designed to assist women to greater independence the shelter actually functions as a culture of surveillance where women turn to one another and to their faith to cope with the trauma of violence To heal the women engage in dialogue that is dense in religious imagery talking about the relationship of God and the church to suffering and evil At the same time these women also acknowledge that organized religion is very much involved in the maintenance of patriarchal marriage and its attendant abuses in their own lives Together battered women are sometimes able to construct creative theological responses to the problem of suffering and evil A mix of religious and secular languages compels them to devise new ways of thinking about their role in family church and society

Broadcasting the Faith Michael E.

Pohlman,2021-02-02 Broadcasting the Faith tells the riveting story of the American church s embrace of radio in the early decades of the twentieth century By investigating major radio personalities like Walter Maier Aimee Semple McPherson Harry Emerson Fosdick and Charles Fuller this study considers the implications for theology in America when Christianity moved to the airwaves In the heyday of radio religious radio preachers sought to use their programs to counter the secularization of American culture Ultimately however their programs contributed to secularization by accelerating changes already evident in both the conservative and liberal streams of American Christianity To reach a vast American audience radio preachers transformed their sectarian messages into a religion more suitable to the masses thereby altering the very religion it aimed to preserve To make religion accessible to large and diverse audiences radio preachers accommodated their messages in ways suited to the medium of radio Although religious radio preachers set forth to advance the influence of religion in American society their choice to limit theological substance ironically promoted the secularization of the American church

Redeeming the Dial Tona J. Hangen,2003-12-04 Blending cultural religious and media history Tona Hangen

offers a richly detailed look into the world of religious radio She uses recordings sermons fan mail and other sources to tell the stories of the determined broadcasters and devoted listeners who together transformed American radio evangelism from an on air novelty in the 1920s into a profitable and wide reaching industry by the 1950s Hangen traces the careers of three of the most successful Protestant radio evangelists Paul Rader Aimee Semple McPherson and Charles Fuller and examines the strategies they used to bring their messages to listeners across the nation Initially shut out of network radio and free airtime both of which were available only to mainstream Protestant and Catholic groups evangelical broadcasters gained access to the airwaves with paid time programming By the mid twentieth century millions of Americans regularly tuned in to evangelical programming making it one of the medium s most distinctive and durable genres The voluntary contributions of these listeners in turn helped bankroll religious radio s remarkable growth Revealing the entwined development of evangelical religion and modern mass media Hangen demonstrates that the history of one is incomplete without the history

of the other both are essential to understanding American culture in the twentieth century **Secular Steeples** Conrad Ostwalt,2003-03-24 Conrad Ostwalt explores the confluence of religion and popular cultural forms in the secular world demonstrating that a secular religiosity has co opted some of the functions previously reserved for religions institutions

Station Identification Ari Y. Kelman,2009-05-27 Examines the culture of Yiddish radio in the United States during radio s golden age **Work and Faith in the Kentucky Coal Fields** Richard J. Callahan,2008-11-20 Exploring themes of work and labor in everyday life Richard J Callahan Jr offers a history of how coal miners and their families lived their religion in eastern Kentucky s coal fields during the early 20th century Callahan follows coal miners and their families from subsistence farming to industrial coal mining as they draw upon religious idioms to negotiate changing patterns of life and work He traces innovation and continuity in religious expression that emerged from the specific experiences of coal mining including the spaces and social structures of coal towns the working bodies of miners the anxieties of their families and the struggle toward organized labor Building on oral histories folklore folksongs and vernacular forms of spirituality this rich and engaging narrative recovers a social history of ordinary working people through religion High Mountains Rising Richard A. Straw,H. Tyler Blethen,2010-10-01 This collection is the first comprehensive cohesive volume to unite Appalachian history with its culture Richard A Straw and H Tyler Blethen s High Mountains Rising provides a clear systematic and engaging overview of the Appalachian timeline its people and the most significant aspects of life in the region The first half of the fourteen essays deal with historical issues including Native Americans pioneer settlement slavery the Civil War and Reconstruction industrialization the Great Depression migration and finally modernization The remaining essays take a more cultural focus addressing stereotypes music folklife language literature and religion Bringing together many of the most prestigious scholars in Appalachian studies this volume has been designed for general and classroom use and includes suggestions for further reading *The New Encyclopedia of Southern Culture* Bill C. Malone,Charles Reagan Wilson,2014-02-01 Southern music has flourished as a meeting ground for the traditions of West African and European peoples in the region leading to the evolution of various traditional folk genres bluegrass country jazz gospel rock blues and southern hip hop This much anticipated volume in The New Encyclopedia of Southern Culture celebrates an essential element of southern life and makes available for the first time a stand alone reference to the music and music makers of the American South With nearly double the number of entries devoted to music in the original Encyclopedia this volume includes 30 thematic essays covering topics such as ragtime zydeco folk music festivals minstrelsy rockabilly white and black gospel traditions and southern rock And it features 174 topical and biographical entries focusing on artists and musical outlets From Mahalia Jackson to R E M from Doc Watson to OutKast this volume considers a diverse array of topics drawing on the best historical and contemporary scholarship on southern music It is a book for all southerners and for all serious music lovers wherever they live

The Airwaves Of Zion Radio And Religion In Appalachia Introduction

Free PDF Books and Manuals for Download: Unlocking Knowledge at Your Fingertips In todays fast-paced digital age, obtaining valuable knowledge has become easier than ever. Thanks to the internet, a vast array of books and manuals are now available for free download in PDF format. Whether you are a student, professional, or simply an avid reader, this treasure trove of downloadable resources offers a wealth of information, conveniently accessible anytime, anywhere. The advent of online libraries and platforms dedicated to sharing knowledge has revolutionized the way we consume information. No longer confined to physical libraries or bookstores, readers can now access an extensive collection of digital books and manuals with just a few clicks. These resources, available in PDF, Microsoft Word, and PowerPoint formats, cater to a wide range of interests, including literature, technology, science, history, and much more. One notable platform where you can explore and download free The Airwaves Of Zion Radio And Religion In Appalachia PDF books and manuals is the internet's largest free library. Hosted online, this catalog compiles a vast assortment of documents, making it a veritable goldmine of knowledge. With its easy-to-use website interface and customizable PDF generator, this platform offers a user-friendly experience, allowing individuals to effortlessly navigate and access the information they seek. The availability of free PDF books and manuals on this platform demonstrates its commitment to democratizing education and empowering individuals with the tools needed to succeed in their chosen fields. It allows anyone, regardless of their background or financial limitations, to expand their horizons and gain insights from experts in various disciplines. One of the most significant advantages of downloading PDF books and manuals lies in their portability. Unlike physical copies, digital books can be stored and carried on a single device, such as a tablet or smartphone, saving valuable space and weight. This convenience makes it possible for readers to have their entire library at their fingertips, whether they are commuting, traveling, or simply enjoying a lazy afternoon at home. Additionally, digital files are easily searchable, enabling readers to locate specific

information within seconds. With a few keystrokes, users can search for keywords, topics, or phrases, making research and finding relevant information a breeze. This efficiency saves time and effort, streamlining the learning process and allowing individuals to focus on extracting the information they need. Furthermore, the availability of free PDF books and manuals fosters a culture of continuous learning. By removing financial barriers, more people can access educational resources and pursue lifelong learning, contributing to personal growth and professional development. This democratization of knowledge promotes intellectual curiosity and empowers individuals to become lifelong learners, promoting progress and innovation in various fields. It is worth noting that while accessing free The Airwaves Of Zion Radio And Religion In Appalachia PDF books and manuals is convenient and cost-effective, it is vital to respect copyright laws and intellectual property rights. Platforms offering free downloads often operate within legal boundaries, ensuring that the materials they provide are either in the public domain or authorized for distribution. By adhering to copyright laws, users can enjoy the benefits of free access to knowledge while supporting the authors and publishers who make these resources available. In conclusion, the availability of The Airwaves Of Zion Radio And Religion In Appalachia free PDF books and manuals for download has revolutionized the way we access and consume knowledge. With just a few clicks, individuals can explore a vast collection of resources across different disciplines, all free of charge. This accessibility empowers individuals to become lifelong learners, contributing to personal growth, professional development, and the advancement of society as a whole. So why not unlock a world of knowledge today? Start exploring the vast sea of free PDF books and manuals waiting to be discovered right at your fingertips.

FAQs About The Airwaves Of Zion Radio And Religion In Appalachia Books

What is a The Airwaves Of Zion Radio And Religion In Appalachia PDF? A PDF (Portable Document Format) is a file format developed by Adobe that preserves the layout and formatting of a document, regardless of the software, hardware, or operating system used to view or print it. **How do I create a The Airwaves Of Zion Radio And Religion In Appalachia PDF?** There are several ways to create a PDF: Use software like Adobe Acrobat, Microsoft Word, or Google Docs, which often have built-in PDF creation tools. Print to PDF: Many applications and operating systems have a "Print to PDF" option that allows you to save a document as a PDF file instead of printing it on paper. Online converters: There are various online tools that can convert different file types to PDF. **How do I edit a The Airwaves Of Zion Radio And Religion In Appalachia PDF?** Editing a PDF can be done with software like Adobe Acrobat, which allows direct editing of text, images, and other elements within the PDF. Some free tools, like PDFescape or Smallpdf, also offer basic editing capabilities. **How do I convert a The Airwaves Of Zion Radio And Religion In Appalachia PDF to another file format?** There are multiple

ways to convert a PDF to another format: Use online converters like Smallpdf, Zamzar, or Adobe Acrobats export feature to convert PDFs to formats like Word, Excel, JPEG, etc. Software like Adobe Acrobat, Microsoft Word, or other PDF editors may have options to export or save PDFs in different formats. **How do I password-protect a The Airwaves Of Zion Radio And Religion In Appalachia PDF?** Most PDF editing software allows you to add password protection. In Adobe Acrobat, for instance, you can go to "File" -> "Properties" -> "Security" to set a password to restrict access or editing capabilities. Are there any free alternatives to Adobe Acrobat for working with PDFs? Yes, there are many free alternatives for working with PDFs, such as: LibreOffice: Offers PDF editing features. PDFsam: Allows splitting, merging, and editing PDFs. Foxit Reader: Provides basic PDF viewing and editing capabilities. How do I compress a PDF file? You can use online tools like Smallpdf, ILovePDF, or desktop software like Adobe Acrobat to compress PDF files without significant quality loss. Compression reduces the file size, making it easier to share and download. Can I fill out forms in a PDF file? Yes, most PDF viewers/editors like Adobe Acrobat, Preview (on Mac), or various online tools allow you to fill out forms in PDF files by selecting text fields and entering information. Are there any restrictions when working with PDFs? Some PDFs might have restrictions set by their creator, such as password protection, editing restrictions, or print restrictions. Breaking these restrictions might require specific software or tools, which may or may not be legal depending on the circumstances and local laws.
