"A much-needed history of A.A., its birth, and its founders in Akron. It shows the pathos, struggles, and eventually, the great love that went from Akron to the compass points of the earth. I definitely feel this is a fine, loving, and correct account."

Morning Watch fellowship witness and others seemingly unknown in A A and recovery circles today come to light as the very founding principles and practices which Bill W said he had learned from his mentor Rev Sam Shoemaker an American leader of the Oxford Group close friend and rector of Calvary Episcopal Church in New York These were the principles and practices Bill codified into his title Alcoholics Anonymous affectionately known within A A As the Big Book published on April 10 1939 They were a departure from those of the original Akron A A Christian fellowship of 1935 and yet clearly were also grounded in the Bible and hence continued the beginning stress on the relationship of the Bible to A A

**Why Early A.A. Succeeded**

Dick B, 2011-07-26 Early AAs studied the Bible took their basic recovery ideas from the Bible and stressed reading it They called it the Good Book The Good Book was read at the beginning of almost every pioneer meeting It was read at the Quiet Times held each morning at the home of Dr Bob and Anne Smith for AAs and their families It was the subject of almost every book article and devotional they used in their own Quiet Times Bill W later wrote Rev Sam Shoemaker that he would like to see Bible study groups of AAs studying the Word in church basements Well and good We know early AAs did study Jesus Sermon on the Mount Matthew 5 to 7 1 Corinthians 13 the Book of James Psalms 23 and 91 and many other verses and chapters cited in the Christian literature they circulated But what precisely did they study and borrow Where do you begin today if you wish to adopt their highly successful practice Just which portions will bring the power peace joy liberty forgiveness healing and deliverance from alcoholism and their other problems that early AAs sought and achieved in relying on their Creator How do you begin if you are in A A or another 12 Step program and want to understand the program by using the Good Book in the way A A s founders and pioneers did Author Dick B has spent 21 years researching the biblical roots and sources of early A A s program He has published 42 titles on the subject And four of his recent titles are specifically devoted to and useful for Good Book study and Good Book groups in recovery programs such as A A Al Anon and the many other 12 Step groups The four books including this very title are 1 The Good Book and The Big Book A A s Roots in the Bible 2 Good Morning Quiet Time Morning Watch Meditation and Early A A 3 By the Power of God A Guide to Early A A Groups 4 Why Early A A Succeeded The Good Book in Alcoholics Anonymous Yesterday and Today A Bible Study Primer for AAs and other 12 Steppers We recommend you obtain and use all four as a set This particular title has the much requested much needed and highly useful guides for AAs and other self help people in today s recovery arena The power and deliverance and love of the Creator are available today They have simply been obscured by New Age language on spirituality higher powers any god and just plain idols that abound in today s room talk and literature There are plenty of books on Bible study There is none that addresses early A A s own endorsements of Bible study its own approach to the Good Book and the particular release from prisons that AAs and others need and can find in the Bible itself This is a how to book It doesn t tell you what to believe how to believe or what to join It does tell you how to read the Bible understand early A A ideas and victories founded on the Bible and put the whole deliverance picture together for yourself The set of four books will point up four different

areas of need and the solutions First what is the evidence in A A of Bible ideas and language The Good Book and The Big Book Second what is the meaning of real meditation and Quiet Time as they were practiced Good Morning Third how did they and can you today accomplish coordinating recovery ideas with God s own ideas in groups By the Power of God Finally in this title just what can you look for and use in the Bible now Why Early A A Succeeded Treat yourself to the facts You will no longer find them in Twelve Step Recovery or Therapy writings Yet they were the heart of early A A s Program and successes

**The Good Book and The Big Book** Dick B.,2011-08-05 According to A A s Basic Text Alcoholics Anonymous affectionately known within A A as the Big Book early A A achieved an astounding 75% success rate among seemingly hopeless medically incurable alcoholics who thoroughly followed the original Akron A A Christian fellowship program that A A s cofounders Bill W and Dr Bob began to develop over the summer of 1935 And Dr Bob s sponsee Clarence Snyder reported in the A A General Service Conference approved book DR BOB and the Good Oldtimers that early A A in Cleveland obtained a documented 93% success rate in working with such alcoholics They did it by relying on God and by basing their relationship with Him on the principles of the Bible This comprehensive history discusses the biblical sources from which A A s founders said they obtained their recovery ideas focusing particularly on the Sermon on the Mount 1 Corinthians 13 and the Book of James For many A A s the Bible was a standard of truth upon which they could depend for the power and guidance that they needed in their lives Author Dick B an active recovered member of A A a bible student and a sponsor of over 100 men in their recovery here shows how a knowledge of A A s Good Book roots can be used effectively to produce a high recovery rate in today s Twelve Step programs

**THE PURPOSE AND IMPORTANCE OF THE GOOD BOOK TITLEDick B wrote The Good Book and The Big Book A A s Roots in the Bible to provide an accurate comprehensive statement of the basic ideas and principles early AAs took from the Bible as they were developing their spiritual program of recovery and later the Big Book and the Twelve Steps This title by Dick B has stood the test of time It is much in demand It is now used in counselor training Salvation Army programs A A meetings spiritual retreats for AAs and their families and in seminars and programs for people in recovery whether in A A Al Anon or such groups as CityTeam Ministries the Association of Christian Drug and Alcohol Counselors Overcomers Outreach Footprints and Alcoholics Victorious The Clarence Snyder Spiritual Retreats for AAs and their families numerous participants in Celebrate Recovery meetings and the International Christian Recovery Coalition also use this title as part of their study of Christian recovery**

**The Golden Text of A.A.** Dick B.,1999 Dick B is regarded as the leading historian of A A today He is a retired attorney Bible student and recovered AA who has sponsored over 100 men in recovery He has published 33 titles on the history of early A A s spiritual roots and successes He frequently speaks before recovery audiences throughout the United States

**By the Power of God** Dick B.,2000 Ever since Dick B began publishing titles on the biblical roots and successes of early AAs hundreds and hundreds have contacted him asking how they might form groups today with principles and practices like those of the early Akron A A Christian Fellowship This book provides the

details of the early program and how and why AAs and 12 Steppers can use the same program today in groups and meetings of their own choosing

**The Good Book - Big Book Guide Book** Dick B., 2011-07-26 You don't need to leave A A or any other 12 Step program or even a treatment program just because you are a Christian Nor do you need to flee to an exclusively Christian Fellowship Christian Treatment Program or Christian Track Program just to believe or profess your beliefs in connection with your own recovery You're the boss You need all the help you can get We've long needed a guide that will use history to help you in your recovery whatever your choice of fellowships groups recovery programs or treatment programs The original Akron A A Christian fellowship with its emphasis on reliance on the Creator of the heavens and the earth acceptance of Jesus Christ as Lord and Savior Bible study prayer guidance fellowship and witness is nothing to be buried to be hushed up or to be afraid of mentioning It's a part of recovery history the most important part the part that set A A apart in the 1930's as a cure for the medically incurable an alternative to medicine hospitalization and clergy dominated ideas It embraced them all but stood for the importance of a Society that took these ideas and let drunks be the message carriers You can do this too and probably better if you know your history Include this guide book in your reading Include it in your recovery Include it in your fellowship or group Include it with any other recovery program secular Christian or rational It's history It tells you what worked It tells you how you can choose to use it today if you wish It will help you understand words and phrases and ideas that came from historical roots And it doesn't bash other ideas or fellowships It seeks to inform all and urge them to include history in their curriculum This is a guide to history that has not been available before It's a guide that will supplement and not replace It's a guide for you

**Utilizing Early A.A.'s Spiritual Roots for Recovery Today** Dick B., 1999 Dick B is a writer historian Bible student retired attorney and recovered AA who has sponsored more than 100 men in their recovery and is actively involved in the fellowship He has devoted 18 years to researching reporting publishing and disseminating materials on the spiritual roots of Alcoholics Anonymous He is regarded as the leading historian on A A history today and has published 33 titles on the subject

*The James Club and the Original A. A. Programs Absolute Essentials* Dick B., 2011-07-26 For years A A has quietly acknowledged primarily through one publication that the early A A pioneers in Akron believed firmly that the answer to all their problems was in the Good Book as they called the Bible A A cofounder Dr Bob said that all the basic ideas were taken from their study of the Good Book And he added many many times that the three parts of the Bible the old timers considered absolutely essential to their spiritual program of recovery were 1 The Book of James 2 Jesus's Sermon on the Mount Matthew 5 7 3 1 Corinthians 13 Paul's famous chapter on love You can find the foregoing remarks in A A's DR BOB and the Good Oldtimers in pamphlets published by Akron AA and in several talks given through the years by Dr Bob himself And it was even his co-founder friend Bill Wilson who spoke of the studies of James the Sermon and Corinthians the reading of these passages by Dr Bob's wife Anne to Bill and Bob and the fact that as Bill put it James was our favorite And he added that many favored calling the A A fellowship The James Club But

this title offers a great deal more In three major parts it provides a detailed framework for studying each of the three Bible parts just as the A A pioneers did The reader can sit with his Bible open beside him his Big Book available for reference and Dick B s The James Club title before him He can study each of the three parts digest their messages compare with the A A program and its ideas and then apply these biblical truths in daily life in practicing the Twelve Steps and in understanding the miracles that the Creator Yahweh wrought when the pioneers read and believed The first part of the book covers Jesus Sermon on the Mount Matthew 5 7 which both Bill W and Dr Bob said contained the underlying spiritual philosophy of A A The title begins with the Book of James however Dick B details why it has primacy in the study based in part on its being the AAs favorite and in part on the ease with which it can be read and understood Yet the meat of this wonderful book of the Bible lies in its explicit formula for cure especially the cure of the alcoholic James speaks of patience He speaks of enduring temptation He speaks of seeking God s wisdom without doubting He speaks of temptation as the enticement which turns into sin and finally death He strongly suggests that the readers be doers of the word the Bible not hearers only deceiving themselves He spells out what doing the Word is It s about action it s about following the royal law of loving thy neighbor its about benevolent giving without respect of persons and with specific aim at the downtrodden it s about backing up one s faith with deeds works as James called them it s about guarding the tongue and guarding the thoughts and guarding the actions so that devilish thoughts and impulses do not take over and finally it s about the importance of prayer confession of faults and the Lord s forgiveness and about prayer for healings In a nutshell this book summarizes the whole pioneer approach in Akron and of course it has nothing to do with steps or a basic text or the Oxford Group For there were no Steps no Traditions no Big Books no drunkalogs and no meetings as we know them today It s about God s healing ministry as A A old timer Clarence Snyder put it Then there s 1 Corinthians 13 and its relationship to Henry Drummond s famous treatise The Greatest Thing in the World     Introduction to the Sources and Founding of Alcoholics Anonymous Dick B.,2007 Intended for use by recovery newcomers educational and religious alcoholism programs recovery groups and treatment centers and substance abuse agencies Here for the first time is a simple accurate concise statement of the origins trends changes and detours leading up to involved in and evolving from A A s Big Book and Twelve Step spiritual program of recovery A must for introducing the A A 12 Step subject usefully     *Stick with the Winners!* Dick B,Ken B.,2012-07-27 Ever heard You can t talk about Jesus or the Bible at an A A meeting Want to establish or modify an A A meeting or a Christian Recovery meeting so that it can include information on the roles played by God His Son Jesus Christ and the Bible in early A A s astonishing successes *Stick with the Winners* by Dick B and Ken B may be just what you need to carry the message more effectively     *New Light on Alcoholism* Dick B.,1999 Dick B is a writer historian Bible student retired attorney and active recovered member of A A He and his son Ken devoted many years to researching the role life writings and contributions of Rev Samuel M Shoemaker to Alcoholics Anonymous The quest took Dick B to Shoemaker s churches in Pittsburgh and New

York to the Episcopal Church Archives in Austin Texas to Hartford Seminary to Princeton University and to the family and friends of this great Episcopal rector and preacher In all Dick B has published 33 books on the history of early A A *Twelve Steps for You* Dick B.,2005 The much awaited work of A A Historian Dick B on the origins of each of the Twelve Steps First and foremost a history of each step How each of A A s co founders contributed to each of the Steps It looks at the original Akron A A program which had no Steps and took its basic ideas from the Bible and its principles and practices primarily from the United Christian Endeavor Movement of Dr Bob s youth Then source by source it looks at each Step as it was impacted upon by a particular contributor The Bible Oxford Group Rev Sam Shoemaker Dr Bob s wife Anne Smith the so called Six Steps then the other sources This book is an historical study of the roots of each Step and it can be used for individual and group study of the Steps in a very meaningful way It is also a guide A guide to understanding and a guide to taking each Step It also shows you how to take the Steps exactly as directed in A A s Big Book It suggests how you might look at each Step in terms of the contributions to that Step s lanugage and meaning by each of its sources Finally it provides Christians and other students with a means of considering learning and taking each of the Steps in light of that Step s biblical and historical roots with the Big Book Bible and history at hand When you are through you will have a perspective of the real spiritual utility of the Twelve Steps in a believer s world despite the secularization and universalism that are diluting all Twelve Step programs and the language used in connection with the Steps For example God as we understood Him historically and biblically means Almighty God the Creator as He is understood by the newcomer at the time of taking Steps 3 and 11 So too powerless in Step 1 is presented in its historical context I was licked rather than in some puzzling linguistic context seldom understood or unraveled You ll know and guide the taking of the Twelve Steps as they were intended to be understood and as you never did before That Amazing Grace Dick B.,1996 Dick B as A A s leading historian is particularly qualified to write on this Clarence Snyder subject First he read the Clarence Snyder materials Second he met a number of Snyder sponsees at the Snyder spiritual retreats where he was invited to speak Third he worked with and partially edited the *How It Worked* book by Clarence Snyder sponsee Mitch K Fourth Dick and his son spent a week with Clarence s widow Grace gathering information about Clarence Grace and A A Finally Dick was later asked by three old timer Clarence Snyder sponsees to compile and edit their A A Legacy based on Snyder s teachings techniques beliefs and their successes Dick has published 33 history titles in all to date
