The Alabaster Boy:

The Boy in the Box Lee J. Nelson, 2004 A newcomer to New York searches for a boy he believes has been kidnapped and imprisoned in a box When he tries to enlist help he is treated with indifference or disbelief One of the Boys Daniel Magariel, 2017-03-14 A gripping and heartfelt The New York Times Book Review story about two young brothers contending with the love they have for their abusive father One of the Boys is one of the most striking debut novels of the year Rolling Stone The three of them a twelve year old boy his older brother their father have won the war the father's term for his bitter divorce and custody battle They leave their Kansas home and drive through the night to Albuquerque eager to begin again united by the thrilling possibility of carving out a new life together The boys go to school join basketball teams make friends Meanwhile their father works from home smoking cheap cigars to hide another smell But soon the little missteps the dead eyed absentmindedness the late night noises the comings and goings of increasingly odd characters become worrisome and the boys find themselves watching their father change grow erratic then dangerous Set in the sublimely stark landscape of suburban New Mexico and a cramped apartment shut tight to the world One of the Boys conveys with propulsive prose and extraordinary compassion a young boy's struggle to hold onto the pieces of his shattered family Tender moving and beautiful Daniel Magariel's debut is a masterful story of resilience and survival With the emotional core of A Little Life and the speed of We the Animals it is A knockout A shimmering heartbreaking portrait of children fiercely devoted to a damaged parent and of the intense sibling bond that helps them through People *Sculpture and the Nordic Region* Elettra Carbone, 2017-07-05 Histories of sculpture within the Nordic region are under studied and the region's influence upon and translation of influences from elsewhere in Europe remain insufficiently traced This volume brings to light individual histories of sculptural mobility from the early modern period onwards Examining the movement of sculptures sculptors practices skills styles and motifs across borders through studios and public architectures within popular and print culture and via texts the essays collected here consider the extent to which the sculptural artwork is changed by its physical movement and its transfigurations in other media How does the meaning and form of these objects performatively respond to the pressure of their relocations and rematerialisations Conversely how do sculptures impact their new contexts of display The contributing authors engage with a wide variety of objects and media in their essays Each focuses on the contextualisation of sculpture in an original and timely way exploring how mobility acts as a filter offering new perspectives on iconography memorialisation collecting iconoclasm and exhibiting From the stave churches of early Norway to the decoration of International Style monoliths of the twentieth century from Italian quarries to Baroque palaces from fountains to figurines from text to performance these wide ranging and fascinating case studies contribute to the rich history of the Nordic region's sculptural production **Moon Witch, Spider King** Marlon James, 2022-02-15 Masterfully flips the first installment on its head James makes the mythic tantalizingly real Esquire Even more brilliant than the first BuzzFeed An Instant New York Times Bestseller

and NPR Best Book of 2022 pick From Marlon James author of the bestselling National Book Award finalist *Black Leopard Red Wolf* the second book in the Dark Star trilogy In *Black Leopard Red Wolf* Sogolon the Moon Witch proved a worthy adversary to Tracker as they clashed across a mythical African landscape in search of a mysterious boy who disappeared In *Moon Witch Spider King* Sogolon takes center stage and gives her own account of what happened to the boy and how she plotted and fought triumphed and failed as she looked for him It s also the story of a century long feud seen through the eyes of a 177 year old witch that Sogolon had with the Aesi chancellor to the king It is said that Aesi works so closely with the king that together they are like the eight limbs of one spider Aesi s power is considerable and deadly It takes brains and courage to challenge him which Sogolon does for reasons of her own Both a brilliant narrative device seeing the story told in *Black Leopard Red Wolf* from the perspective of an adversary and a woman as well as a fascinating battle between different versions of empire *Moon Witch Spider King* delves into Sogolon s world as she fights to tell her own story Part adventure tale part chronicle of an indomitable woman who bows to no man it is a fascinating novel that explores power personality and the places where they overlap *Angel Dorothy* Jane Brown,2017-02-23 *Angel Dorothy* is the inspiring biography of a formidable woman wealthy American heiress Dorothy Elmhist who poured her considerable resources into founding Dartington Hall in 1925 What started as a progressive school rapidly transformed into a magnet for artists architects writers philosophers and musicians creating an exceptional centre for British cultural life It was at Dartington in Devon that the Labour Party s post war manifesto was written and the Arts Council was conceived Born in Washington DC into the influential Whitney family Dorothy was a national darling bells rang flags flew and the American Navy s new fast tugboat was named Dorothy Orphaned at seventeen she started giving away her inheritance at eighteen and buried herself in social and political work She maintained her status as an unmarried woman until she fell in love with and married her first husband Willard Straight in 1911 Following Willard s untimely death Dorothy worked herself into a breakdown trying to fulfil his wishes She recovered with the help of Leonard Elmhist an Englishman who shared her liberal beliefs they married and moved to England in 1925 to start what would become Dartington Hall In this vividly told biography Jane Brown follows Dorothy from one side of the Atlantic to the other a journey Dorothy made one hundred times to spread her political beliefs her passion for education and her support of the arts for all She traces the evolution of Dartington from its restoration to its farming and forestry projects and to its time as a home for the period s greatest artists and intellectuals **The Printer Boy** William M. Thayer,1861 [A Wonder Book for Girls and Boys](#) Nathaniel Hawthorne,1894 [The Uncrowned King](#) Michelle West,2018-07-17 The second novel of the acclaimed Sun Sword series returns to a war torn world of noble houses divided and demon lords unleashed *The King s Challenge* it was a proving ground for warriors in the Essalieyan Empire the hallowed contest that made legends of men And for Valedan last survivor of the ruling family of the Dominion it was a declaration of his right to claim the throne stolen from the Leonne clan by treachery and assassination Failure to earn the

title of King's Champion would not deprive Valedan of either his Dominion or Essalieyan allies but winning would announce to the world that he was no callow boy no mere pawn in the games of power And the games of power were indeed being played not only in the Empire and Dominion but in the far more dangerous realm of the Lord of Night As the time of the Challenge neared Valedan and all those who guarded him would be hard pressed to survive long enough for him to enter the competition For the demon kin had been set to hunt him down and destroy him They had failed before though many innocents had paid for the price They must not fail again for slaying Valedan was but the opening gambit in a war that would free the Lord of Night to reign over all the mortal world

J. Trow,2021-06-09 A new investigation into the most infamous crime of the Middle Ages the supposed murders of Edward V and his brother Richard of York in the 15th century The disappearance of two boys during the summer of 1483 has never been satisfactorily explained They were Edward Prince of Wales nearly thirteen at the time and his brother Richard of York nearly ten With their father Edward IV dying suddenly at forty both boys had been catapulted into the spotlight of fifteenth century politics which was at once bloody and unpredictable Over the past 500 years three men in particular have been accused of the boys murders Richard of Gloucester Henry Tudor Earl of Richmond and Henry Stafford Duke of Buckingham Thanks to the work of the hack historians who wrote for Henry VII the first Tudor generations grew up believing that the boys were murdered and that the guilty party was their

wicked uncle Richard who crowned himself King of England in July 1483 at which time the boys were effectively prisoners in the Tower of London After that there was no further sign of them This book takes a different approach the first to follow this particular line of enquiry It is written as a police procedural weighing up the historical evidence without being shackled to a particular camp The supposition has always been made that the boys were murdered for political reasons But what if that is incorrect What if they died for other reasons entirely What if their killer had nothing to gain politically from their deaths at all And even more fascinatingly what if the princes in the Tower were not the only victims
