The American Films of Michael Curtiz Roy Kinnard, R. J. Vitone, 1986 The Casablanca Man Dr James C Robertson, James Robertson, 2013-09-13 Michael Curtiz 1888 1962 was without doubt one of the most important directors in film history yet he has never been granted his deserved recognition and no full scale work on him has previously been published The Casablanca Man surveys Curtiz unequalled mastery over a variety of genres which included biography comedy horror melodrama musicals swashbucklers and westerns and looks at his relationship with the Hollywood studio moguls on the basis of unprecedented archive research at Warner Brothers Concentrating on Curtiz best known films Casablanca Angels With Dirty Faces Mildred Pearce and Captain Blood among them Robertson explores Curtiz practical creative struggles and his friendships and rivalries with other film celebrities including Errol Flynn Bette Davis and James Cagney and his discovery of future stars Casablanca Man is the first comprehensive critical exploration of Curtiz entire career and linking his European work and his subsequent American work into a coherent whole Robertson firmly re establishes Curtiz true standing in the history of cinema The Many Cinemas of Michael Curtiz R. Barton Palmer, Murray Pomerance, 2018-07-02 Director Michael Curtiz was the mastermind behind some of the most iconic films of classical Hollywood Casablanca Yankee Doodle Dandy The Sea Hawk White Christmas and Mildred Pierce to name only a few The most prolific and consistently successful Hollywood generalist with an all embracing interest in different forms of narrative and spectacle Curtiz made around a hundred films in an astonishing range of genres action biopics melodramas film noir musicals and westerns But his important contributions to the history of American film have been overlooked because his broadly varied oeuvre does not present the unified vision of filmmaking that canonical criticism demands for the category of auteur Exploring his films and artistic practice from a variety of angles including politics gender and genre The Many Cinemas of Michael Curtiz sheds new light on this underappreciated cinematic genius Leading film studies scholars offer fresh appraisals of many of Curtiz s most popular films while also paying attention to neglected releases of substantial historical interest such as Noah s Ark Night and Day Virginia City Black Fury Mystery of the Wax Museum and Female Because Curtiz worked for so long and in so many genres this analysis of his work becomes more than an author study of a notable director Instead The Many Cinemas of Michael Curtiz effectively adds a major chapter to the history of Hollywood s studio era including its internationalism and the significant contributions of European migr s *Casablanca and Other Major Films of Michael Curtiz* Sidney Rosenzweig, 1982 **Michael Curtiz** Alan K.
