Gambone, 2005 At the conclusion of World War II Americans anxiously contemplated the return to peace It was an uncertain time filled with concerns about demobilization inflation strikes and the return of a second Great Depression Balanced against these challenges was the hope in a future of unparalleled opportunities for a generation raised in hard times and war One of the remarkable untold stories of postwar America is the successful assimilation of sixteen million veterans back into civilian society after 1945 The G I generation returned home filled with the same sense of fear and hope as most citizens at the time Their transition from conflict to normalcy is one of the greatest chapters in American history The Greatest Generation Comes Home combines military and social history into a comprehensive narrative of the veteran s experience after World War II It integrates early impressions of home in 1945 with later stories of medical recovery education work politics and entertainment as well as moving accounts of the dislocation alienation and discomfort many faced The book includes the experiences of not only the millions of veterans drawn from mainstream white America but also the women African Americans Latinos and Asian Americans who served the nation Perhaps most important the book also examines the legacy bequeathed by these veterans to later generations who served in uniform on new battlefields around the world     FBI Files on Mexicans and Chicanos, 1940-1980 José Angel Gutiérrez, 2021-03-04 A multi chapter book that examines the FBI files on two well known persons of Mexican origin Luisa Moreno and Ernesto Galarza four Chicanos Ambassador Raymond Telles and his wife Delfina Navarro Francisco Pancho Medrano Freddy Fender two organizations the Texas Farm Workers Union and teh American G I Forum and one event the Zoot Suit police riots in Los Angeles California during the 1940s     A History of the Book in America, 5-volume Omnibus E-book David D. *Listening to Rosita* Mary Ann Villarreal, 2015-10-20 Everybody in the bar had to drop a quarter in the jukebox or be shamed by Momo Villarreal It wasn't about the money Mary Ann Villarreal's grandmother insisted It was about the music more songs for all the patrons of the Pecan Lounge in Tivoli Texas But for Mary Ann whose schoolbooks those quarters bought the money didn't hurt When as an adult Villarreal began to wonder how the few recordings of women singers made their way into that jukebox questions about the money seemed inseparable from those about the music In *Listening to Rosita* Villarreal seeks answers by pursuing the story of a small group of Tejana singers and entrepreneurs in Corpus Christi Houston and San Antonio the Texas Triangle during the mid twentieth century Ultimately she recovers a social world and cultural landscape in central south Texas where Mexican American women negotiated the shifting boundaries of race and economics to assert a public presence Drawing on oral history interviews and insights from ethnic and gender studies *Listening to Rosita* provides a counternarrative to previous research on la m sica tejana which has focused almost solely on musicians or musical genres Villarreal instead chronicles women's roles and contributions to the music industry In spotlighting the sixty year singing career of San Antonian Rosita Fernandez the author pulls the curtain back on all the women whose names and stories have been glaringly absent from the ethnic and economic history of Tejana music and culture In this oral history of the Tejana cantantes who performed and owned businesses in the Texas Triangle *Listening to Rosita* shows how ethnic Mexican entrepreneurs developed a unique identity in striving for success in a society that demeaned and segregated them In telling their story this book supplies a critical chapter long missing from the history of the West

Ramos, 2016-03-31 In *Message to My Seventeen Year Old Self* Roberto Martinez a California Correctional inmate writes that he wishes he would have taken school more seriously Prison ain't anything like the thug life lies romanticize it to be it doesn't make you a man In this compelling collection of first person testimonials essays poetry and letters Latino men and boys who have been or are incarcerated write movingly about their past and future The book also incorporates essays by community advocates seeking criminal and juvenile justice system reform Leaders of organizations including Barrios Unidos Homeboy Industries Communities United for Restorative Youth Justice and National Compadres Network contribute pieces that address issues such as culture based healing and violence prevention Many use artistic expression as a form of healing and this volume includes a wide variety of art from poetry to drawings tattoos and murals Acclaimed author and former gang member Luis J Rodriguez writes in his foreword that the disproportionate number of young men of color in the justice system is rooted in economic political and historical factors He asserts that the United States punitive laws and practices including three strike laws gang and gun enhancements zero tolerance and school removals have fueled a massive prison industrial complex and ultimately more gangs and violence With the publication of this collection of first person testimony and articles by system reform advocates editors Frank de Jesús Acosta and Henry A.J. Ramos seek to humanize disadvantaged Latino young men and call attention to the need for a restorative rather than punitive justice system This volume confirms that for both the Latino community and the country as a whole the school to prison pipeline must be closed now *Hector P. García* Ignacio M. García, 2002-11-30 In 1948 Three Rivers Funeral Home refused burial of the remains of Felix Longoria a World War II veteran For Dr Hector P García this incident was an example of the bigotry and injustice that many Mexican Americans suffered in South Texas and throughout the U.S. He and his fledgling organization the American G.I. Forum stepped into the national consciousness to fight for Longoria and his family and to inspire Mexican American participation in party politics and against segregation in the post World War II years García was an immigrant from Tamaulipas Mexico whose family journeyed north in the fashion of so many other immigrant families seeking economic opportunities and safety from the numerous revolutionary conflicts In spite of discrimination and poverty common in the Rio Grande Valley García became a physician in 1940 and like many young Mexican Americans served his adopted country with distinction in fighting fascism and injustice abroad After receiving the Bronze Star and six battle stars he returned to Texas only to find that much of the discrimination and segregation against Mexican Americans was still rampant despite their having proved themselves on the bloody battlefields overseas An outraged García went on to rally Mexican American veterans into one of the most effective civil rights organizations in history and to create a space for them within the political process His pioneering efforts not only resulted in changed laws and practices

but also in a new awareness among Mexican Americans that they could fight for their rights and win He proved to be a decisive factor in the election of America s first Catholic president John F Kennedy His activism inspired a new generation of social reformers in the barrio and a reluctant acceptance that Mexican Americans were first class citizens For his work he was awarded the Medal of Freedom in 1984 Hector P Garc a In Relentless Pursuit of Justice the first definitive superbly researched and documented biography of this great American hero is not a one sided profile of Garc a but an objective appraisal of his successes and failures as well as an analysis of the political social and personal issues that he and the American G I Forum confronted during his lifetime
