hilarious documentation of Rudiak Gould's efforts to cope with daily life on Ujae as his idealistic expectations of a tropical paradise confront harsh reality. But Rudiak Gould goes beyond the personal interweaving his own story with fascinating political, linguistic and ecological digressions about the Marshall Islands. Most poignant are his observations of the noticeable effect of global warming on these tiny low-lying islands and the threat rising water levels pose to their already precarious existence. An Eat Pray Love as written by Paul Theroux. *Surviving Paradise* is a disarmingly lighthearted narrative with a substantive emotional undercurrent. *Bowker's Directory of Videocassettes for Children* 1999 R R Bowker

Publishing, Bowker, 1999-03 The Magic Behind the Voices Tim Lawson, Alisa Persons, 2009-09-28 *The Magic Behind the Voices* is a fascinating package of biographies, anecdotes, credit listings and photographs of the actors who have created the unmistakable voices for some of the most popular and enduring animated characters of all time. Drawn from dozens of personal interviews, the book features a unique look at thirty-nine of the hidden artists of show business. Often as amusing as the characters they portray, voice actors are charming, resilient people, many from humble beginnings who have led colorful lives in pursuit of success. Beavis and Butt-Head and King of the Hill's Mike Judge was an engineer for a weapons contractor turned self-taught animator and voice actor. Nancy Cartwright, the voice of Bart Simpson, was a small-town Ohio girl who became the star protégé of Daws Butler, most famous for Yogi Bower, Huckleberry Hound and Quick Draw McGraw. Mickey Mouse, Wayne Allwine and Minnie Mouse. Russi Taylor was a real-life husband and wife team. Spanning many studios and production companies, this book captures the spirit of fun that bubbles from those who create the voices of favorite animated characters. In the earliest days of cartoons, voice actors were seldom credited for their work. A little more than a decade ago, even the Screen Actors Guild did not consider voice actors to be real actors, and the only voice actor known to the general public was Mel Blanc. Now Oscar-winning celebrities clamor to guest star on animated television shows and features. Despite the crushing turnouts at signings for shows such as *Animaniacs*, *The Simpsons* and *SpongeBob Squarepants*, most voice actors continue to work in relative anonymity. *The Magic Behind the Voices* features personal interviews and concise biographical details parting the curtain to reveal creators of many of the most beloved cartoon voices.
