The Last Great Ride:

The Last Great Ride Brandon Tartikoff, Charles Leerhsen, 1993 The inside story of NBC's wonder decade told by the successful and popular head of programming who personally engineered it all Tartikoff's anecdotes observations and reflections on the industry provide great entertainment Contains a new afterword by Tartikoff *Hallelujah's Great Ride* Angela L. Rodriguez, 2023-09-07 Have you ever wondered what it will be like when Jesus returns at the Second Coming Do you anticipate that grand moment when he steps foot on earth to restore the world under his reign Hallelujah is a beautiful white horse who lives in heaven Being bright and curious he can't help but wonder about these things He imagines himself being part of this amazing moment in heaven's history when he hears the prophecies about Jesus's triumphant return on a white horse But he wonders how and when it will all take place Join Hallelujah on his journey to find these answers and let your heart be filled with the hope of Jesus's glorious return *The Last Great Dream* Dennis McNally, 2025-05-13 McNally masterfully combines many disparate lineages of political social art and pop history into one singular sweeping portrait The result is a stunning vision of a broad and powerful idealism that gripped the world for more than two decades Publishers Weekly starred review From the New York Times bestselling author of *A Long Strange Trip* and the publicist of the Grateful Dead a riveting social history of everything that led up to the 1960s counterculture movement Few cities represent the countercultural movement of the 1960s more than San Francisco By that decade the Haight Ashbury neighborhood was home to self-branded freaks dubbed hippies by the media who created the world's first psychedelic neighborhood an alchemical chamber for social transformation They rejected a large part of the traditional American identity passing over American exceptionalism consumerism misogyny and militarism in favor of creativity mind body connection peace and love of all things *The Last Great Dream* is a history of everything that led to the 1960s counterculture when long simmering resistance to American mainstream values birthed the hippie It begins with the San Francisco Poetry Renaissance peaks with the Human Be In in Golden Gate Park and ends with the Monterey Pop Festival that introduced Jimi Hendrix and Janis Joplin to the world It tells of several micro histories including beat poetry visual arts underground publishing electronic contemporary compositional music experimental theater psychedelics and more Fascinating and definitive *The Last Great Dream* is the ultimate guide to a generation defining countercultural movement an Underground 101 course for newcomers and aficionados alike *It's Been A Great Ride* Michael D. Sullivan with Bill Tamulonis, 2023-05-01 This is about my life story growing up as the son of Irish immigrant parents my childhood on the southside of Chicago attending Catholic school for sixteen years and graduating from Loyola University Chicago and my business career through a series of companies and positions with ever increasing responsibilities My story outlines the good opportunities that came my way and the wins and losses we all experience on life's journey *It's Been a Great Ride* Gary D. world through a military career as a Son Husband Father Grandfather and now retirement What A Great Ride It Has Been Gary D Cluck **The Home Book of Verse, American and English, 1580-1920** Burton Egbert Stevenson, 1926 Collects both American and English children s poetry from 1580 1920 **Katie** Edward Klein, 2008-09-16 New York Times Bestseller A no holds barred account of the rise and dramatic stumble of a media icon In this probing portrait of a struggling news queen bestselling author Edward Klein rips away the mask that has hidden the many faces of Katie Couric the strong independent woman and the needy wife and lover the grieving widow famed for her kindness to others and the fiercely competitive diva the consummate television interviewer and the stumbling network anchor Drawing from scores of interviews with people who have never spoken openly about Couric before Katie The Real Story absorbingly chronicles Katie s rise to the top from her early days at CNN to her nightly spot on CBS You ll read about Katie and her husband Jay Monahan Jay had come to believe that the only thing that stood between Katie and divorce was her fear of negative publicity Katie s diva behavior at CBS A technical problem left Katie standing without a script As soon as the red light on the top of the camera went off she screamed One of the executives said Just a minute Katie the reason you make 15 million a year is to carry off these little glitches like a pro Katie and her parents She constantly sought their approval but they were better at telling her what she had done wrong than what she had done right Katie and Matt Lauer Matt had privately told several executives at NBC that he would quit his job if they signed up Katie for another four years In the Eye of the Beholder Gary Richard Edgerton, Michael T. Marsden, John G. Nachbar, 1997 Scholars from communication studies as well as film and television studies address a variety of texts from Ken Burns s The Civil War to the midnight cult film The Rocky Horror Picture Show Part one focuses on perennial subject areas related to authorship and reception Part two addresses an assortment of postmodern and multicultural screen representations paying closest attention to matters of gender race ethnicity and the disabled Paper edition unseen 24 95 Annotation copyrighted by Book News Inc Portland OR *The Stooges* Brett Callwood, 2011-09-01 The story of seminal Ann Arbor punk rock band the Stooges told through original interviews with the band members and associates If the MC5 were Detroit s political spokesmen for the disenchanted youth of the 1960s then the Stooges were the loutish kids heckling from the back of the room While conventional wisdom says they could barely play their instruments the Stooges left an indelible mark on the world of punk rock and the band s initial three albums The Stooges Fun House and Raw Power are bona fide classics In The Stooges Head On author Brett Callwood treats the band s story not just as an early chapter in the career of its famous front man Iggy Pop but from the Stooges beginnings at the end of the 1960s to its end in the early 1970s and to its reunion in 2003 through the present In compiling this exhaustive account of the band s history Callwood interviewed all of the central and sometimes Stooges members including Iggy Pop Ron and Scott Asheton James Williamson Mike Watt Steve Mackay and Scott Thurston and largely lets the band tell its own story in numerous long quotes Callwood details the band s genesis as teenage friends in Ann Arbor their time living together in their

legendary party houses in the 1960s and the recording of the three original Stooges albums He examines the addition of James Williamson to the band on Raw Power and how it changed the band's sound and dynamic along with the band's fateful meeting with David Bowie on its first British tour As Iggy broke out as a solo artist during the 1970s and 1980s Callwood charts the Asheton brothers' post-Stooges experiences with Ron's turns in The New Order Destroy All Monsters and Dark Carnival and Scott Asheton's time with the Farleys and Sonic's Rendezvous Band He also provides an overview of Iggy's solo career the seeds of a reunion that were planted with a collaboration on Iggy's Skull Ring album and the eventual reformation of the band and the recording of their fourth album The Weirdness in 2004 Originally published in the U.K. in 2007 The Stooges Head On has been revised to expand on the original story and also to consider Ron Asheton's untimely death in 2009 and his musical legacy the band's fate without Ron and the Stooges' long overdue introduction into the Rock and Roll Hall of Fame in 2010 Fans of the Stooges and those interested in the roots of punk music will enjoy this intimate and informative volume

Armageddon Paul Daley, 2011 Almost a century after the Australian Light Horse fought a series of epic and bloody battles against the Turkish Army across the deserts of the Middle East Paul Daley and Mike Bowers retrace the steps of the men and boys who fought there From enemy trenches where they charged the Turks on horseback to narrow mountain passes where exhausted they slept in their saddles in retreat Paul and Mike visit the hostile and lonely places where soldiers lost and buried their mates Through battlefields still littered with shrapnel bullet casings and even the odd human bone they reflect on how the turbulent Middle East politics of the present collides with the past Illustrated with archival and contemporary photographs their story is part travelogue part reportage and part history Evocative sometimes funny sad and disturbing Armageddon is two men on a fading Anzac trail
