The Last Pope:

The Last Pope Robert Howells, 2013-06-20 A historian dissects the prophecies of a Nostradamus like seer who suggests the end of the papal throne and the beginning of a new era in the Roman Catholic Church Nearly a thousand years ago the Archbishop of Armagh later canonized as St Malachy made a series of prophecies that were hidden in the Vatican for four hundred years His predictions gave clues to the identities of the 109 Popes from medieval times to present day including the final Pope who would oversee the end of the Papacy and the fall of the Roman Catholic Church The Last Pope examines the sudden rediscovery of these prophecies in the sixteenth century how they may have been used as propaganda in the campaign to promote Pope Gregory XIV to the papal throne and how the 2013 papal election may have been our last Robert Howells has spent the last twenty years researching and writing about religious and historical mysteries By drawing on his extensive knowledge of both the political and spiritual history of the Catholic Church he places Pope Francis in the context of what will potential be the most challenging era for the papacy The Last Pope seeks to answer questions surrounding the future of the Catholic church offering an investigating that will fascinate readers who are fascinated by the unresolved mysteries in the history of Christianity **The Prophecy of the Last Pope - Is This Finally the End?** Milton

Boothe, 2013-02-24 The often predicted Rapture a protestant interpretation of the Second Coming of Christ was supposed to happen on March 21 2011 according to some of a popular persuasion but it didn't The world was supposed to end December 21 2012 as per the Mayan calendar but it didn't So what should we expect now with Pope Francis election According to Saint Malachy's prophecy this pope is supposed to be the last one in this almost 2000 year old line of illustrious pontiffs Saint Malachy's Prophecy of the Popes began with Celestine II who was the 165th Pope This publication however shall look at the papacy from St Peter at the very beginning right up to the alleged last pope Peter the Roman In the first segment that is from St Peter the first pope through to Innocent II the 164th Pope we will look at each pope from an historical perspective only The popes reigned between A D 33 and A D 1143 Most of the early popes of this era were considered martyrs having faced the brutal persecution of the Romans However as we shall see from the perspective of proper Christian conduct the character of many of the popes at the latter end of this era left very much to be desired The papacy of this era was plagued with instability and corruption and was characterized by periods of very short reigns with some popes reigning for just mere days This is the period when the popes delved deeply into dirty politics got involved in wars and infighting corruption depravity violence murder greed and lust for power Popes were involved in adultery homosexuality and fathering illegitimate children In the second segment we shall take a detailed look at the prophecies of Saint Malachy as they relate to each of the 112 popes he saw in his vision Contained therein is a complete list of the 112 popes ranging from Celestine II who was the 165th pope in A D 1143 to Peter the Roman who is alleged to be the final pope at the end of the world For each pope the publication documents the following the pope's number the period he reigned the prophetic motto Malachy used to describe

him and the explanation of the motto as it was played out in history You will find the uncanny accuracy of these prophecies to be utterly amazing On the night of March 13 2013 Cardinal Jorge Mario Bergoglio from Argentina was elected as the Catholic Church's new pope taking the name Francis Thousands of Catholics gathered under umbrellas outside St Peter's Basilica and eagerly listened to the church's 266th pontiff who addressed the faithful from the balcony On the surface Pope Francis a man of apparent humility seems to be a very unlikely candidate for the prophecy but we will all have to watch and see what unfolds as this new Pope gets settled in the seat of power Folks we are seemingly headed for some very interesting but disturbing times Will this supposedly man of such great humility be the false prophet who will be working alongside the antichrist in the final days of human history

Pope Francis: The Last Pope? The Last Pope Robert Howells, 2016-09-23 Robert Howells is a highly regarded writer and researcher who has investigated esoteric and historic mysteries for the past 20 years This book examines the possibility that the prophecies were a 16th century forgery created for propaganda in a papal election Analyses the accuracy of the prophecies and investigates the history of prophecy within the Catholic Church A timely release as the prophecies in the book predict that the current Pope will oversee the fall of the Vatican A must buy for the large number of people who are fascinated by unresolved mysteries in the history of Christianity

The Last Pope? Thomas Horn, 2013-07-02 The Last Pope takes you to Rome Geneva Belfast and the U S to discover the story of venerated Irish prophet St Malachy Locked away inside the Vatican archives for 400 years Malachy's Prophecy of the Popes emerged in the late 1500s at a time of great papal upheaval Heralded then as a miraculous development the prophecy's origin and early years are cloaked in murky mysticism According to Malachy's Prophecy with the recent election of a new pope a time of vast biblical significance is now at hand

the rest of society as we face the imminent apocalypse predicted by St Malachy **The Last Pope** Ph. D. Bob Thiel, 2013-03-01 Many believe that Pope Benedict XVI was number 111 of the 112 popes prophesied by the Catholic saint and Bishop Malachy Some have said that there would only be 112 and since Pope Francis I is after Pope Benedict XVI this could make him 112 Peter the Roman the last pope the pope who Bishop Malachy said would oversee the destruction of Rome and this is consistent with biblical prophecy Catholic prophecies also tell of an antipope who will betray that faith Could this really be Pope Francis I Is Pope Francis I possibly the Antichrist What will happen in the future if he or a successor is **The Last Pope?** Dominic Vero, What if the real war for the Church has already begun and the final prophecy is unfolding before your eyes For centuries whispers echoed through the marble halls of the Vatican whispers of forbidden prophecies secret agendas and a final pope destined to preside over the collapse of the Church Now as global chaos grows and spiritual confusion deepens one question refuses to be silenced Is Pope Francis the fulfillment of a prophecy they tried to bury This isn't fiction It's the book the Vatican never wanted you to read In *The Last Pope* Dominic Vero pulls back the veil on the world's most secretive religious empire With journalistic precision and prophetic fire this explosive book unpacks The true origin and shadow power of the Jesuit Order and why it took 500 years for a Jesuit to finally wear the papal crown The unfiltered story of Pope Francis's rise and how his actions are dividing the Church like never before The lost warnings of Fatima the chilling accuracy of Saint Malachy's prophecy and the mysterious Black Pope operating behind the scenes The Synod of Synodality spiritual warfare within the Church and the Vatican's alignment with globalist powers Why thousands of believers are quietly leaving institutional religion and preparing for something far bigger than Rome If you're spiritually restless suspicious of religious politics and hungry for truth this is the book you've been searching for Whether you're a former Catholic a skeptical Christian or a seeker of hidden knowledge *The Last Pope* delivers what no mainstream religious text will Revelation without censorship Prophecy without fear Truth without compromise Through vivid storytelling investigative research and soul shaking clarity this book doesn't just explain what's happening it shows you why it matters to your spiritual future If you've felt the pull to awaken this is your moment Buy it now before they bury it again Scroll to the top and click Buy Now to uncover the prophecy confront the agenda and take your place among the awakened *Pope Francis: The Last Pope?* Leo Lyon Zagami, 2015-01-28 TREACHERY INTRIGUE AND WORLD DOMINATION BEHIND THE VATICAN WALLS The last pope narrative regained importance with the historical abdication of Pope Benedict XVI in February 2013 His resignation led to the surprising election of Cardinal Jorge Bergoglio as the first Jesuit pope in history It's very unusual to have two popes living in the Vatican at the same time What's more Pope Francis fits the profile of one whom many have prophesied to be the last and who will oversee the final transformation and destruction of the Catholic Church This book details the history of various prophecies some of which were hidden away in the Vatican for hundreds of years and predicts that the reign of the last pope will herald the beginning of great apostasy followed by great tribulation Pope Francis
