The Environmental Education Collection A Review Of Resources For Educators Volume :

Environmental Education Collection United States Environmental Protection Agency (EPA),2018-07-12 *Environmental Education Collection A Review of Resources for Educators Volume 3* **Environmental Education and Advocacy** Edward A. Johnson,Michael J. Mappin,2005-03-03 Environmental education has often blurred the distinction between ecological science and environmental advocacy Growing public awareness of environmental problems and desire for action may be contributing to this blurring There is a need to clarify the distinction between the role of ecological science and the role of social and political values for the environment within environmental education This book addresses this need by examining the changing perspectives of ecology in education and the changing perspectives of education in environmental education Guidelines are provided for assessing the science and education perspectives within environmental education along with suggested frameworks for development of programs and resources that integrate current science education and action This book will be of interest to environmental educators ecologists interested in environmental education and curriculum and resource developers Resources in Education ,1999-10 **The Social Studies Professional** ,1999 **Research in Education** ,1972 ERIC Clearinghouse Publications ,1982 The Biodiversity Collection Barb Pitman,Judy Braus,Lani Asato,1998 This collection is designed to help educators find outstanding curricula multimedia resources and other educational materials that can enhance biodiversity teaching in a variety of settings The curriculum materials were reviewed by teams comprised of classroom teachers content experts and environmental educators The materials listed in this compendium received the highest ratings of those reviewed The six characteristics used to evaluate the curriculum materials include fairness and accuracy depth emphasis on skills building action orientation instructional soundness and usability There are two major parts to this collection The first part highlights 47 of the best supplementary curricula that focus on some aspect of biodiversity Each entry includes a summary of the curriculum and information about grade levels subject areas author publisher and price Each entry also includes comments specific to the six key characteristics and a few quotations from the reviewers evaluation sheets that help summarize the review The second part of the collection contains an annotated bibliography that features general background information children s books and magazines multimedia resources web sites and a variety of other resources focusing on biodiversity issues Topics covered include wildlife endangered species wetlands global warming and marine biology PVD *Research in Education* ,1972 **Environmental Education Implementation in Wisconsin** Jennie F. Lane,2006 *ERIC Information Analysis Products, 1975-1977* Educational Resources Information Center (U.S.),1978 **The Environmental Education Collection** ,1998 This resource guide is designed to help educators find curricula multimedia resources and other educational materials that can enhance the teaching of environmental education in a variety of settings Curriculum guides and other educational materials listed in this guide were evaluated by classroom teachers content experts and environmental educators Each set of materials was

reviewed by at least three people Curriculum materials included in this compendium were evaluated using the Environmental Education Materials Guidelines for Excellence developed by the North American Association for Environmental Education NAAEE The write ups were designed to point out the variety of factors an educator may wish to consider when deciding which materials are most appropriate for a particular group of students and how those materials might be used most effectively The first section of this guide highlights approximately 50 environmental education curriculum materials Each entry contains a summary of the curriculum information about grade levels subject areas author publisher and price comments specific to the six key characteristics of quality environmental education materials according to the Guidelines for Excellence and a sample of quotations from the reviewers evaluation sheets The second section contains an annotated listing of support materials Appendices include a curriculum matrix publisher index and an author editor index PVD
