The Big Book of Christian Mysticism Carl McColman,2010-01-01 An introduction to the mystical component of Christianity reveals its ancient traditions of meditation philosophy enlightenment and devotion to the blissful experience of a Divine presence in a volume that combines practical instruction with historical biographical and biblical information

Prayer in the City Patrick A. Desplat,Dorothea E. Schulz,2014-03-15 This volume envisions social practices surrounding mosques shrines and public spaces in urban contexts as a window on the diverse ways in which Muslims in different regional and historical settings imagine experience and inhabit places and spaces as sacred Unlike most studies on Muslim communities this volume focuses on cultural material and sensuous practices and urban everyday experience Drawing on a range of analytical perspectives the contributions examine

spatial practices in Muslim societies from an interdisciplinary perspective an approach which has been widely neglected both in Islamic studies and social sciences

Theology and Social Issues in Africa Francis Anekwe Oborji, 2020-11-22 The Volume speaks to us from the heart and engages the socio political concerns in the Nigerian context through the lens of a theological approach The author reflects historically the numerous consequences of the amalgamation of the ethnic groups of different orientations in Nigeria into one socio political structure of the colonizers interests This sociopolitical structure raises several questions than answers it pretends to offer the indigenous people From a Nigerian point of view the articles in this volume critically challenge the unjust formation of any nationhood in the Africa context It points out how the sustenance of an unjust nation formation betrays the creed on which such a nation is established Truth conquers all is the spirit with which this Volume is written It is the truth that will set a nation like Nigeria free from the spirit of confusion and unperceived religio socio political syncretism The awareness emanating from this volume suggests liberating steps from the unsuspecting colonial interests and the sustained feigned relationship with the colonizers which militate against the socio political and economic growth and theological orthodoxy of such a growing nation
